

Indians And White Sox Split; Dodgers Gain On Milwaukee

By THE CANADIAN PRESS
Cleveland and Chicago, the top two teams in the American League, broke even against each other and rain-idled Milwaukee lost half a game of its National League advantage to the revived Brooklyn Dodgers Monday.

Bad weather in the midwest cut the Memorial day major league program from 15 to 12 games. Rain and high winds knocked out a doubleheader between Cincinnati and the Braves at Milwaukee and chopped a scheduled twin bill in Chicago to one seven-inning game between the Cubs and St. Louis.

Of the five doubleheaders played four were split. Only the Boston Red Sox were able to win a pair, burying the Philadelphia Athletics 20-10 and 9-0. This double loss combined with Baltimore's split against Detroit dropped Philadelphia into the American League cellar.

Washington shaded the New York Yankees 1-0, then bowed 7-6 in 10 innings as Spec Shea walked across the winning run with two out.

Cleveland preserved its one-game first place lead over the White Sox by beating them 6-3 after losing 6-4.

Detroit scored three in the ninth to down Baltimore 7-5. The Orioles took the second game 4-2.

In the National League Brooklyn edged Philadelphia 5-4 when Gil Hodges hit a home run in the 12th inning. The two clubs had only a single game scheduled.

Pittsburgh scored twice in the ninth inning of the second game to break even with the New York Giants, winning 4-3 after being shut out 4-0 on three hits by Ruben Gomez.

SIX CHICAGO HOMERS
Chicago battered Cardinal pitching for six home runs in seven innings, two of them by Hank

Sauer, for a 14-4 victory. Sauer now leads the league with 16 homers.

Cincinnati was leading the Braves 3-0 in the top of the third inning when the storm hit Milwaukee.

Boston's 29 runs in two games represented the Red Sox' heaviest attack of the season and included a pair of home runs by Milt Bolling and one each by Ted Williams, Jim Piersall and Harry Agganis. Bill Henry scattered seven hits in the nightcap shutout.

Johnny Schmitz of the Senators gave the Yankees only three hits in the first game and the one run Washington scored in the first off. Whitey Ford stood up all the way. In the second game the Yankees took a 6-1 lead only to have Washington catch up after eight. In the 10th inning a two-base error on an easy fly ball by right fielder Jim Lemon, followed by two intentional walks spaced between two outs loaded the bases.

Shea threw Johnny Sain three balls, then two strikes and a foul before walking him and forcing in the winning run.

Frank Bolling drove in two runs with a double as Detroit came from behind with two out in the ninth of the first game at Baltimore. In the second game Billy Hoelt struck out 11 but lost to the Orioles' long ball attack which included a home run by Vern Stephens and triples by Jim Fidelity and Sam Mels.

7 TO 1 FOR KEEGAN
Bob Keegan of the White Sox posted his seventh victory against a single defeat in beating Cleveland in the opener. He was helped by two-run homers by Ferris Fain and Minnie Minoso. Jim Hegan's home run capped a three run Cleveland rally in the eighth inning of the second game. The first

game loss broke a 14-game home winning streak for the Indians.

Willie Mays hit his 14th home run for the Giants as Gomez coasted home in the opener at Pittsburgh, but the Pirates got a split with two runs in the 11th inning of the afterpiece on four singles.

Hodges' homer was the winning blow for Brooklyn but it took a sensational catch of Willie Jones' long fly by Duke Snider to save the decision for the Dodgers at Philadelphia. With two abroad and two out in the last of the 12th Jones hit a towering fly to the centre field wall.

Snider ran up the wall and pulled it down for the final out. A three-run pinch hit homer by Smoky Burgess in the eighth put the Phils ahead 4-3 but Brooklyn tied it in the ninth on George Shuba's double, a sacrifice and a short fly.

The Cubs' home run barrage against St. Louis included blasts by Ernie Banks, Paul Minner, Randy Jackson and Bill Serena in addition to Sauer's pair. The loser was Bill Gleason brought up by the Cards from Columbus, Oh three days ago.

IN THIS CORNER
Randy Edwards certainly puts the baseball manager's demand for hustle into practice. Randy arrived in the City a short time before midnight on Sunday after being flown from Boston. A few hours after his arrival he was at the baseball field cleaning things up and getting prepared for another ball season. Yesterday evening he had the juniors out for a practice and today he will be back at the ball field working on the club house, bet racks, etc. This evening at six o'clock he will hold a practice for the intermediate ball players.

Randy is filled with enthusiasm about his work of developing ball players. He worked as a salesman for a lumber company during the winter months but when the ball clubs started to move about mid-March Randy got the bug to get back into baseball. He liked the work as a salesman, and we imagine he was a pretty good one, but he didn't like the constant travel in connection with his work. "I was forever bucking conventions in Chicago, Cleveland, and every other centre trying to get hotel accommodations," he said. When the fall rolls around Randy is returning to Boston University where he will teach and study for his Doctor's Degree in Physical Education.

IN FRONT FOR KEEPS
The lead changed hands seven times, involving six drivers, before Vukovich went ahead for keeps on the 150th lap around the 2 1/2-mile brick and asphalt course.

The machines held up better than the drivers, with 18 of the starting 33 still running at the finish. Drivers were changed in 15 cars at least once.

Bryan drove a Dean Van Lines special.

Fifth place went to Mike Nazaruk of North Bellmore, N.Y., while Freddie Agabashian of Albany, Calif., was sixth and Don Freedland of Los Angeles seventh. The only casualty was Spider Webb, oldest driver in the race at 43, who burned his arm apparently from touching his exhaust pipe.

Bryan and McGrath also topped the old race record. Bryan's speed was 130.178 while McGrath was timed at 130.086.

By leading the field for 91 laps, Vukovich picked up \$13,650 in lap prizes. Each lap pays \$150. The rest of his prize winnings will be computed before the payoff-banquet tonight.

Wild Bill Vukovich Wins 500-Mile Race 2nd Year

By JERRY LISKA
INDIANAPOLIS (AP) — Bill Vukovich, poker-faced throttle demon from Fresno, Calif., zoomed to a record-breaking triumph Monday in becoming the third man to win the gruelling Indianapolis 500-mile auto race two successive years.

At the crowd of 175,000 held its breath while black clouds threatened to deluge the finish, Vukovich became a speedway immortal with Wilbur Shaw and Mauri Rose.

Shaw won two straight 500's in 1939 and 1940 and Rose in 1947 and 1948.

Vukovich, buried in the seventh row at the start of the four-hour grand, moved into first place at the 230-mile mark and then battled it out with Jimmy Ryan of Phoenix, Ariz., and favored Jack McGrath of South Pasadena, Calif., the rest of the way.

ONE LAP AHEAD
Vukovich gunned his grey fuel injection special the 500 miles at 130.840 mph to finish exactly one lap ahead of runner-up Brian Third went to McGrath, who was the pole car driver after a record qualifying mark of 141.033 mph. McGrath led for the first 100 miles.

Vukovich's clocking was almost two miles an hour faster than the 1952 track record set by Troy Ruttman, who wound up fourth Monday after relief help. Ruttman's record time in 1952 was 128.922 mph.

Vukovich's elapsed time was three hours, 49 minutes and 17.27 seconds, compared with Ruttman's 1953 time of three hours, 52 minutes and 41.88 seconds.

Curranites Defeat RCAF 14-2 In Exhibition Game

The Curran & Briggs Juniors defeated the RCAF Flyers in a five-inning exhibition baseball tilt at the airport diamond yesterday evening by the lop-sided score of 14-2. The airforce starting pitcher, Lavack, pitched scoreless ball for two innings, but coach Adams apparently wanted to look at some of his other pitching prospects.

The big fellow couldn't get anyone out and was replaced in the same inning by White who fared very little better but continued till the end of the fourth. Adams went in to pitch the fifth and held the rampaging bats of the Juniors silent in that last frame.

Dee Lefurgy went the route for the winners, allowing only one hit, a double by first sacker Rogerson in the first inning, and he whiffed nine. The C. & B. boys got ten hits—including trip-tas by Johnny Whalen and Don Simmons, and doubles by Cannon and Green.

Edwards Back; Holds Jr. Practice; Likes Prospects

Baseball coach Randy Edwards arrived in the City last Sunday night from Boston to resume coaching duties of the City baseball players during the summer months.

The youthful coach, in tip-top shape after spending the winter in the United States, put a number of junior players through a practice yesterday evening and will conduct a practice for the intermediates tonight.

Randy was a salesman for a lumber firm during the winter during which time he covered territory in five states and met many leading sports personalities.

A little over two weeks ago he spent three days with the Chicago Cubs as they played a three game series with Milwaukee Braves. Randy and pitcher Johnny Klippenstein were school-boy chums having pitched together on the same high school team for three years.

There were from 20 to 25 juniors out for yesterday evening's practice. Randy feels certain that the City will have a strong junior club this year and that it

is hoped will be a fine baseball season. The Little Leaguers this year may get even more attention than they did a year ago. It is planned that they will play at least one game a week under the lights in addition to their regular games.

Randy will have the juniors out for practice again on Wednesday evening. He and Art Perry will be busy today working on the club house and grounds and getting everything ready for what

will be better than the Abbie team which he guided to the Island junior championship a year ago.

He was particularly impressed yesterday with a number of young pitchers. "There are some likely looking pitchers out there. Some of them can throw the ball pretty hard. They need a lot of work and help but I was surprised at the way some of them can fire that ball," he stated.
