Summerside High School boys team Saturday won the 6th Interscholastic Track and Field Meet at Memorial Field when they walked off the field with 32 points. At the same time the girls from Prince Street School, Charlottetown, captured top honors in their class with 37 points.

The competition was held in all classes with both the boys and girls going all out to bring honor to their own schools, and in the running events particularly the times turned in were excellent.

Top individual scorer was John

Whalen, Summerside High, who had 11 points, while the high scorer among the girls was Beryl Shelton, West Kent School, also with 10 points. The runners up were Mark Ladner, P. W. C. 8, and Barbara Whitlock, W. K. S. 9.

The competition was sponsored by the Department of Physical Fitness and was directed by Brigadier W. W. Reid.

New York Yankees 7-5 Favorites To Win Series

By JACK HAND

NEW YORK, Sept. 28—(AP)—New York Yankee pitching against Brooklyn power is the advance word on the World Series opening Wednesday at Ebbets Field as Casey Stengel's Yanks try for a record-breaking fourth straight championship.

The front-line pitching strength of Alvin Karpis, Vic Raschi and Ed Lopa, backed by Ray Scarborough, Ewell Blackwell, Johnny Sain, Bill Miller and Bob Kuzava is strong enough to make the American League an early 7-to-5 favorite.

The series schedule calls for the first two games at Brooklyn and the next three, if needed, at Yankee Stadium. The clubs will return to Brooklyn for a sixth and seventh if the best-of-seven series has not been decided.

Only one club ever swept four series in a row—a rollicking Yankee gang managed by Joe McCarthy in the 1936-39 span. Lou Gehrig, Bill Dickey, Joe DiMaggio and Red Rolfe were the big men then, firing their siege guns behind the flinging of men like Red Ruffing, Lefty Gomez and Monte Pearson.

This will be the fourth Yankee-Dodger series and Brooklyn has yet to win one. In fact, the Brooks never have topped the big prize in five tries. The Yanks are the "winningest" team in series history with a brilliant 14-4 record in post season competition.

Despite the Yankees' pitching and the Mickey Mantle-Yogi Berra home run threat, there is optimism in the National League camp about breaking a five-year losing streak. The last National World Series win was back in 1946 when St. Louis Cardinals nipped Boston Red Sox in seven games.

Chuck Dressen's Dodgers pack plenty of right-handed home run power in Roy Campanella, Gil Hodges, Jackie Robinson and Andy Pafko for Brooklyn's short left field fence.

A tight infield unit of Hodges, Robinson, Pee Wee Reese and Billy Cox, plus a brilliant outfield combination of Carl Furstenberg, Snider and Pafko and the all-star catching of Campanella, make the Dodgers a well-rounded team.

Joe Black, the ace reliever and most valuable player candidate, is 'the key to the Dodgers' pitching staff. Recently Black has emerged as a starter who may draw the opening day assignment if there is one reason why the Brooks succeeded in '52 after blowing a 13½ game lead last season, it is Black. He appeared in more than 55 games to wind up with an earned run average of around 1.90.

Carl Erskine, who threw a no-hitter and then came up with arm trouble after mid season, has recovered his effectiveness. Black and Erskine will help from Preacher Roe, a once-a-week pitcher most of the season, Billy Loes, Johnny Rutherford and possibly Ralph Branca.

St. Andrews Man Wins Golf Title

FREDERICTON, Sept. 28—(CP)— Archie Skinner, St. Andrews, N. B., carded 217 for 54 holes of medal play Saturday and Sunday, winning the seventh Maritime Professional Golfers Open Tournament.

His nearest rival was Cecil Manuge, Liverpool, N. S., who had 223.

Pete Kelly, Fredericton, took first place among the amateurs with 228. John Randies, of Saint John's Riverside Club, was runner-up to Kelly with 235.

Last year's champions, Kas Zabowski, Halifax pro, and Ralph Harley, Moncton amateur, did not defend their titles.

F. Vyse, Amherst, finished sixth among the seven professionals. His total was 250. The only competitor from outside New Brunswick in the amateur field was R. L. Davidson, Amherst, who had 253.

Whalen, Summerside High, who had 11 points, while the high scorer among the girls was Beryl Shelton, West Kent School, also with 10 points. The runners up were Mark Ladner, P. W. C. 8, and Barbara Whitlock, W. K. S. 9.

Island hockey fans this season for the second year in a row will have the first opportunity of watching the opening game of the Maritime Major Hockey League. The game will be played at the local Forum on Monday, October 20, three weeks from tonight with the Islanders being opposed by the Halifax Saints. It will be remembered that the Saints and the Islanders opened the season here last year in one of the roughest hockey games of the year with the game ending 1-0 in favor of the Saints.

Dr. F. C. Dougan, Islanders Club President, along with Frank MacKenzie and Forrest Clow represented the local club at the M.M.H.L. meeting in New Glasgow over the week-end. It was decided, stated Dr. Dougan last night, that the teams would engage in a 72-game schedule. The schedule was not drawn up but three suggestions were considered at the meeting. One suggestion called for two home games a week, another for three home games every second week and a third suggestion asked that two home games a week be played until the end of November. From then until the middle of January three home games would be played every second week after which the teams would revert to the two game system for the remainder of the schedule.

Since we last had an opportunity of writing this column a number of events have taken place which should provide fans with plenty of excitement in the months ahead. Most important of these, of course, was the hiring of Murph Chamberlain as coach. Then the news that Phil Vitale wanted to play with Halifax in the Maritime League. Phil had a change of heart during the past few weeks. This summer the only hockey proposition Phil was interested in was that of a playing coach. Unable to secure such employment with the Islanders Phil apparently is quite anxious to play against them.

The Saints are interested in Vitale all right and so are the Sydney Millionaires. The Islanders have been approached by Sydney concerning the big fellow and it is possible that the two clubs might work a deal. A Quebec Club is also interested in Phil but somehow or other we think that if Phil plays at all it will be in the Maritimes. He should bring in a good player in a trade and his loss will not be too sorely felt by the Islanders as Chamberlain claims that he already has a player who will make the Maritimes forget Vitale.

Forum Manager Bill Brown has taken the boards off the Forum floor and will turn on the freezers for the laying of ice. The first practice session will be held here on October 8th. One year ago tonight the Islanders held the first practice of the 1951-52 season with Leo Lamoureux putting about 18 hopefuls through their paces. The Islanders started early in order to get a condition jump on their opponents and then proceeded to lose the first seven games of the schedule.

Willie Marshall is trying out with the Pittsburgh Hornets and there is a chance that Willie may make the grade. Chamberlain believes that Marshall will stick but will have definite word about him this week. There is a question mark surrounding the status of Marshall's linemates, Connie Bonhomme and Bellingier. Bonhomme is seeking a fat contract and Bellingier is not keen on returning. Both have been tendered contracts and will have to report here October 8th or face suspension.

Rather belatedly we extend our congratulations to Harry "Kid" Poulton on his regaining of the Maritime welterweight championship last week. Harry lost the crown a year ago to Tommy Spencer of New Glasgow. Spencer lost it to Adshade of New Waterford this summer and Adshade in his first title defence lost out to Poulton on Monday night.

A city boxer who won many a battle in local rings has only recently landed in Korea with the Canadian Army. He is Tiger Steele who is serving with the Royal Canadian Dragoons. Tiger has been in Korea about three weeks and sport fans will be wishing him the best. Steele was featherweight champion of the Island for a time before he enlisted in the army two years ago.

Maritime Major Hockey League To Open Oct. 20

NEW GLASGOW, Sept. 28—(CP)—The Maritime Major Hockey League will open Oct. 20, it was decided here Saturday at a league meeting. Three of the four clubs opposing a Halifax move to limit games to three a week.

A suggested earlier opening, made by Col. Victor Oland, of Halifax St. Mary's, also got the brush-off. Three schedules were submitted to the meeting by secret. Treasurer Chris McAiden of Halifax. The one favored by Glace Bay, Charlottetown and Sydney calls for two home games a week and two on the road. It would give each team 36 games at home and 36 on the road. Halifax favored three home games every two weeks.

The schedule will wind up around March 25.

Col. Oland felt that the club representatives at the meeting should make the decision on the schedule, but Dr. Frank Dougan of Charlottetown and Gene Connolly of Sydney said they would have to refer the proposals to club executives.

The clubs were given until Tuesday to approve a schedule, and

there is no indication there will be any change in the four-game a week program.

League delegates took a strong stand against the suggested negotiation list for major league clubs. Magistrate C. Roy MacDonald, Q.C., of Glace Bay, league vice-president, brought it up.

Such a system would restrict the rights and privileges of players who could be placed on a negotiation list without knowledge or consent. He had a stout supporter in league president Judge Elliott Hudson.

It will be a three-club playoff arrangement, unless the fourth club is within nine points of the third place club at schedule's end.

Charlie Good of Toronto and Hughie Gillis of Halifax, were recommended as league referees from among six applicants. There will be paid \$140 a week. The league decided to go along with one referee and two local linesmen per game.

The league took a move to end tie games in regulation time. In future a 10-minute, sudden-death overtime period will be played. The first goal in the extra heat will settle it.

Peakes Bombers Capture King's - Queen's Ch'ship

Peakes Bombers won the intermediate B baseball championship of King's and Queen's Counties at Peakes yesterday, defeating the Parkdale Arrows 12-9 in a nine-inning tilt. Some 1,000 fans attended. Peakes won the best of three openers 9-3.

The Bombers now will meet the Tignish-Mimicash team for the P. E. I. championship. The first game of the best of three series is scheduled for the St. Roch diamond Wednesday afternoon, with the remaining game or games at Peakes on October 5th.

Veteran Ham Douglas pitched the full game for Peakes yesterday, yielding 14 hits, striking out seven and passing four. The loser, Junior MacLeod, was touched for hits, fanned nine and walked none.

Earl MacKinnon, Peakes shortstop led his team to victory, getting three doubles and a single in five trips. Mike Handrahan hit two doubles in five trips. Jack Hughes also hit a double.

Francis Bell led the Parkdale Arrows by hitting a double and triple in five trips. MacDonald got three hits in five trips.

Mike Handrahan played a stand-out game for Peakes in the field.

Manager Of Pittsburgh Pirates Quits

CINCINNATI, Sept. 28—(AP)—Billy Meyer, oldest National League manager in both age and service, gave up Saturday after five years of trying to nurse a pennant contender from the rookie-studded Pittsburgh Pirates.

The 59-year-old Meyer handed in his resignation, effective after today's game with Cincinnati, as the Pirates prepared to take the field against the Reds. He blamed ill health.

Meyer has managed the Pirates since 1946 when he was named manager of the year for directing them to a fourth-place finish. Then the Pirates hit the skids—finishing sixth in 1949, last in 1950, seventh in 1951 and last again this year in one of the poorest seasons in the club's history.

Branch Rickey, general manager and vice-president of the Pirates, said Meyer feels his health comes first and that he doesn't believe he will be able to take another tough year.

"However, Bill would like to stay in baseball and would like to remain with the Pirates," Rickey said, adding:

"Accordingly, I have arranged for Bill to stay with us in an advisory capacity to me and to the minor clubs which he will scout very carefully. He also will do other jobs

which come under the general heading of trouble shooting." Rickey did not indicate who Meyer's successor might be.

The Bucs to date have dropped 111 games while winning only 41. In 1890 the Pirates lost 113 for their all-time low mark.

Commenting on the Pirates' lowly spots Rickey said:

"At no time have I ever said to anyone that the position of the club in the race was in any sense the fault of Bill Meyer. On the contrary, Bill has done a good job with the material he had."

Following the meet the boys were awarded with chocolates and soft drinks by the Club pro, Marc Sandow.

Walter Lawlor Re-elected President Of The MAHA

NEW GLASGOW, Sept. 28—(CP)—A program calling for accent on youth was endorsed at the Maritime Amateur Hockey Association here Saturday.

In line with a program to build up minor associations, the M. A. H. A. executive was asked to clarify the status of players in juvenile, midget and bantam divisions in regard to releases.

Secretary-Registrar C. E. Campbell of Sydney, asked for definite direction as to whether a minor player required a release at end of the year in order to join another club. It was referred to the association executive today and they voted to snip the shackles. A player in the 16-and-under category is now a free agent at the end of a season.

Walter Lawlor of Charlottetown was re-elected president of the association for his second year. Other officers re-elected were: first vice

president, John P. MacDougall Amherst; second vice-president, Shaun MacDonald, Sydney; third vice-president, Bart Yexra, Sussex, N. B.; fourth vice-president, Fred Fox, Lunenburg, N. S.; secretary-registrar, Alderman C. E. Campbell, Sydney.

The association decided to crack down on rinks which have failed to pay the one per cent tax on games which goes to minor hockey and the 10 per cent tax which is supposed to be remitted to the association in Maritime finals of all divisions.

Rinks mentioned were Fredericton Truro and St. Andrews.

The question of a club playing unregistered players boiled down to a demand that regulations be enforced. In future, it was agreed, any club which uses a player who is not registered with the M. A. H. A. will forfeit a game if a protest is made.

Major League Baseball Concludes On Quiet Note

By The Canadian Press

Baseball's major league season ended today.

There were eight games in the National and American Leagues Sunday but there was little excitement. It didn't matter who won or lost in the pennant race—New York Yankees and Brooklyn Dodgers decided last week that they'd meet Wednesday in the World Series classic.

Outside of the winning of individual batting and pitching titles, the lone interest centred in the American loop where fourth, fifth and sixth place were at stake.

Philadelphia Athletics clinched the last money berth in the American League by thrashing the pennant-winning Yankees 9-4. Washington beat Boston for fifth place by edging the Red Sox 5-4. In other American League games, the runner-up Cleveland Indians swamped Detroit 8-2 and the seventh-place St. Louis Browns smeared third-place Chicago 12-1.

The Dodgers battled Boston Braves to a 5-5 12-inning tie in the National League while the runner-up New York Giants dropped a 7-4 decision to the fourth-place Philadelphia Phillies. In remaining games, Chicago Cubs blanked the third-place St. Louis Cardinals 3-0 and Cincinnati Reds nosed out the tail-end Pittsburgh Pirates 3-2.

Stan Musial, the master mauler of the Cardinals, and Ferris Fain of the Athletics retained their batting crowns while Ralph Kiner of Pittsburgh and Hank Sauer of Chicago shared home-run honors in the National League. Larry Doby of Cleveland won the crown in the American.

Musial captured his third straight and sixth National League title while Fain won the American League's diadem for the second year in succession.
