ST. DUNSTONS' COLLEGE mid-summer examination takes place on the 27th inst.

FORTY THOUSAND camels belonging to the British transport service, died during the war in Afghanistan.

MESSRS. JOHN F. BRECKEN and T. Albert Pope, of this city, arrived safely in Winnipeg, Man., last week.

THE Summerside Journal has a bogus marriage notice and complimentary paragraph which some one will have to explain.

THE Rev. B. Chappell, of St John, has received an invitation from Portland N. B. Methodist Church to take the pastorate of that church.

THERE is great excitement at Newcastle-on-Tyne over the great single scull contest between Hanlan and Elliott, which takes place on Monday next.

THE sale of furniture, by W. D. Stewart, in the Market Hall yesterday, lasted three hours, during which time \$2,500 worth of furniture was disposed of.

THE steamer "M. A. Starr" arrived from Halifax yesterday morning with merchandise, and sailed at 5 o'clock with 10 casks dried fish, 100 bags potatoes, and 2 pianos.

WE learn that important public business, which could not very well be postponed, prevented the members of the Government from attending the Normal School examination yesterday.

THE Lieut. Governor of Ontario has invited the Marquis of Lorne and the Princess Louise to occupy Government House during their three weeks' visit to Toronto in September.

CAPT. L. J. WESTAWAY, of this town, and his niece, Miss Christine Sutherland, left here yesterday morning, on a visit to the European Continent via the United States.—K. C. Adv.

THE Band of the 82nd Battalion discoursed sweet music on King Square last evening. The members play admirably, and it is hoped their visits to King and Hillsborough Squares, will be continued during the summer evenings.

WE see by the Winnipeg Times that John Costigan, Esq., M. P. for Victoria, N. B., accompanied by his son, arrived at Winnipeg on May 29th. It is reported that both these gentlemen intend to reside permanently in that city.

A THREE-MILE running match between Michael Happeny, of this city, and William Seymour, of St. John, for \$50 a side and the championship of St. John, takes place at Moosepath Park, St. John, at 3 o'clock today.

LADIES and gentlemen in city or country, will find at E. W. Taylor's a very nice assortment of nearly all kinds of jewelry, and should you favor him with a call, we think he can suit you in style and price. See advertisement in another column.

THE auction sale of NEW CARRIAGES, which was postponed to-day on account of the weather, will take place at Mr. Dodd's Auction Room, on Tuesday next 17th inst., at 2 o'clock. Stylish and well made, double and single wagons, and a lot of household furniture.

YESTERDAY a woman who lives in the vicinity of the gas works left her apartments to carry a lunch to her husband, who was working a short distance from the place. While she was absent some person or persons, as yet unknown, entered her house and stole therefrom \$3 in cash and a large quantity of woolen stockings.

YESTERDAY EVENING some unknown miscreant poured a quantity of blue paint into the pump on Queen street, opposite George Davies & Co.'s store. Fortunately the mischief was discovered and the handle taken from the pump. Had it not been discovered before nightfall and were water drawn from the pump and used, very serious consequences would doubtless have followed. We hope the person who committed the diabolical act will be speedily dealt with.

PERSONALS.—Mrs. De Winton, wife of Major De Winton, and servant left Quebec for St. Andrew's yesterday.

DR. WRIGHT, of McGill College, Montreal, and family, arrived at Georgetown on Friday to spend the summer vacation in the residence they occupied last year at Brudenell River. The Advertiser says: "The Dr.'s choice of Georgetown as a Summer resort is certainly a good one, and will doubtless be followed ere long by several others."

A CHILD RUN OVER.—Last evening a child named Misservey residing in Long Street, was run over at the corner of that Street and Spring Park Road, by a countryman. The driver never stopped, but drove only the faster and disappeared. He is known now-ever, and may yet have to appear on charge of reckless driving. The poor child was taken into its parents residence. The habit of racing on the streets, and turning the corners short and in a careless manner, is altogether too prevalent, and the police should be on the alert for offenders of this class.

WE heartily congratulate Mr. D. C. Martin on his admission as an Attorney in the Supreme Court of this Province. Those who know, say his examiners' report was a very flattering one. Indeed, every one who is acquainted with Mr. Martin knows that in anything to which he applies himself, he is sure to be thoroughly versed. Mr. Martin studied in the office of Hodgson & McLeod. He has been "on the rise" ever since he commenced his career; and if an honest lawyer can rise in the profession, his ultimate success is assured.
