

Figs and Thistles.

Character is capital. Loafers are never happy. An aimless life is a fruitless life. There is no rest in doing nothing. We are all willing to admit the depravity of other folks. A man is very small if you can put all there is of him into a coffin. A great many giants become very small when you get close to them. Every dollar some men get widens the gulf between them and heaven. A hungry poet forgets that he is hungry while he is reading his own poetry. How easy it is to find people who are anxious to do good—at somebody else's expense. The man who attends strictly to his own business will always have a business to attend to. A great man is always more surprised than anyone else, when he finds out that he is not.—Ran's Horn.

All Over the Farm.

A milker who has a nervous, unsteady hand will soon ruin a cow. Land well cultivated and kept clean year after year has fewer weeds and is easier to cultivate. Butter makers are warned to soak and not steam their tubs. When steamed it is difficult to get the butter out. Clover makes excellent silage when it is put up properly, but it requires careful handling and heavy weighting, or it is liable to spoil. We have no doubt that many horses are fed too much. It is worth while to experiment to see if your horse will not do as well or better on less food. The man who complains that his cows are usually can safely be set down as a poor farmer, and very often he is a cruel one, who deserves punishment. Most unruly cows are made so by hunger.

The originator of Esey's Emulsion spent several years of his life in perfecting this preparation. Not a bottle of it was put on the market until he was satisfied that it was the best ever introduced for the cure of coughs, colds, bronchitis and all wasting diseases. Thousands of bottles have been sold, and he has never heard a complaint regarding it. An old smoker declares that he has been using "Myrtle Navy" tobacco ever since the second year of its manufacture and that during that time he has never suffered from a blistered tongue or parched tonsils or any other of the unpleasant effects which most tobaccos will leave behind them. His experience, he says, is that no other tobacco which he has ever tried is quite its equal and that in value for the money "no other comes any where near it."

FOR OVER FIFTY YEARS Mrs. Winslow's Soothing Syrup has been used by millions of mothers for their children while cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best-known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind. Iyr

INCREASE YOUR WEIGHT.—If you are losing flesh and blood, commence at once taking Miller's Emulsion of Cod Liver Oil, which is far ahead of all other preparations of the kind in existence. By taking Miller's Emulsion people gain from 5 to 10 lbs by the time the first bottle is consumed. It is the greatest blessing of the century to all in delicate health, or who suffer with coughs, colds and ailments that tend to consumption. R-n-m-bor, Miller's Emulsion contains all the constituents found in wheat. It is used in the hospitals and asylums of the country. In big bottles, 50c, and \$1 at Charlottetown drug stores.

THE NEW TOILET GEM.—Phyloderma owes its immense success to the fact that it is radically different from any preparation in the market. It is a bland and soothing liquid, nicely perfumed, and when applied to the hands and face produces a delicious sense of coolness and comfort, exercising also a direct curative with coughs, colds and ailments that tend to consumption. R-n-m-bor, Miller's Emulsion contains all the constituents found in wheat. It is used in the hospitals and asylums of the country. In big bottles, 50c, and \$1 at Charlottetown drug stores.

COLD FACTS. The following from a patient of Dr. Farrel's who was cured of Consumption shows what PHOSPHOLEINE! (Pronounced FOS-FO-LEEN).

Dear Sir, will do. Last summer I was troubled with a cough, and my physician says unmistakable symptoms of consumption, including debility and loss of flesh. I lost 30 pounds in weight in a few weeks. My physician, who examined me, advised me to use your Cod Liver Oil Cream with Hypophosphites (PHOSPHOLEINE), and I am happy to be able to inform you that it has produced a complete cure, and I have regained from 124 to 154 pounds in weight, and am now enjoying good health. I drove 65 miles at night across Cape Breton during a snow storm in December without suffering from it in the least. I am, dear sir, yours faithfully, E. R. HARRINGTON. 50c. per bottle, containing 60 doses. For Sale by all Dealers. For sale by Geo. E. Hughes and Roddin Bros., Charlottetown.
