Donations Swell Scholarship Fund

Donations collected spontaneously by Louis Cantello, president of the Southern Kings branch of the P.E.I. Fish and Game Association, and amounting to $80, have swelled the Harvey Moore scholarship fund to $1,076, it was learned yesterday from the scholarship committee.

The fund was set up in memory of the late Harvey Moore who established the famous bird sanctuary in the Montague area. Residents of the area have so far donated $138 to the fund.

It is expected the scholarship will be given for the first time in a competition during the coming scholastic year, the committee said. However income is still needed so that revenue for the scholarship will amount to at least $100 a year.

The scholarship trust committee is composed of Dr. Wendell MacDonald as chairman; Education Minister L.G. Dewar, Dr. Frank MacKinnon, Howard Waite of Summerside and E.G. Acorn of Charlottetown.

The fund committee is composed of F.A.S. Jones, S.T. Green and E.K. MacNutt.

A TRIBUTE to her academic standing as well as to work in a 4-H Club is the selection of Enid Coles, North Milton for a $600 scholarship to be awarded by the Canadian National Exhibition. Miss Coles (right) is being given the official notice that she had been selected by the board of judges by Miss Ishigenie Arsenault a member of the board.

N. Milton Girl Awarded $600 4-H Scholarship

Enid Coles, 20, of North Milton, last night received a $600 scholarship from the 4-H Club scholarship awards program inaugurated by the Canadian National Exhibition.

The program consists of the awarding of one scholarship to a person in each of the 10 provinces who plans to further his or her education, has taken part in at least two years of 4-H activity and shows qualities for leadership.

The successful candidate may choose the college where the scholarship is to be applied.

Miss Coles has already been accepted at Mount Allison University in Sackville.

In addition to the cash awards the successful candidates will be assisted in expenses for a trip to Toronto for the exhibition where the awards will be presented.

There were six applications from the Island and the three judges said that it was "extremely difficult to make a choice. The five other entrants were Alan Godfrey, New Wilmshire; Carol Dickieson, New Glasgow; Patricia Peters, Midgell; David Younker, North Winsloe, and Kenneth Mellish, New Perth.

The three judges were S. C. Wright, deputy minister of agriculture; Reid Sangster, director of marketing, and Miss Ishigenie Arsenault, provincial Red Cross commissioner.

EASTERN BRIEFS

CANADIAN WARSHIPS VISIT GERMANY

Three Canadian destroyers escorts pass through the Brunsbuettel lock during passage of the Kiel Canal enroute to Kiel, West Germany. Six destroyer escorts of the Fifth Canadian Escort Squadron were on an eight-week training cruise that took them to Plymouth, England; Kiel; Copenhagen, Denmark, and Londonderry, Northern Ireland. They will return to Halifax, August 5. (National Defence Photo)

Clair MacDonald. Interment was in the church cemetery.

FARMS EARNED MORE

The gross value of rural agriculture in Australia in 1962 was a record $3,348,800,000—a nine-per-cent rise over 1961.

DAILY MARKET QUOTATIONS

SUMMARY

By THE CANADIAN PRESS

Toronto: Market lower; quiet trading.

New York: Market mixed; dull trading.

Montreal: Market lower; extremely light trading.

NEW YORK

NEW YORK (AP)—Late buying by Friday enabled the stock market to post its second advance in 13 sessions as trading shrank to the lightest pace of 1963.

Volume dropped to 2,520,000 shares from Thursday's 3,700,000 and was the lowest since the Oct. 12, 1962, session when 2,020,000 changed hands.

The dull trading reflected extreme caution, brokers said, and this was heightened by the uncertainties of the weekend ahead and the fact that there have been 14 successive "blue Mondays" in the Dow Jones Industrial average.

Steady investment demand for oils was the outstanding feature of the day. The big oil companies remained in favor due to record profits for Standard Oil (New Jersey) and a bright earnings picture for many others.

Doubts about the economy, due to the overhanging rail strike threat—nterely postponed but not yet settled—was increased early in the day by an eight per cent decline in machine tool orders from May to June.

Later in the day, however, came news that living costs in the United States for June took their longest leap forward in nine months. Rising prices are always bullish for the stock market.

The Dow Jones industrials advanced 1.67to 689.38. The Associated Press average of 60 stocks rose .8 to 264.8.

The volatile office equipment, photographic and electronic issues came to life in the final hour, some of them making substantial gains in active dealings.

Among Canadian issues, Aluminium Ltd., Granby Mining and International Nickel each lost 1/8, Canadian Pacific 1/4 and McIntyre Porcupine 3/8. Dome Mines was up 1/4.

MONTREAL

MONTREAL (CP)—The stock market slumped Friday in the slowest trading in many months. At the close of the Montreal and Canadian exchanges, prices were lower in every sector.

Senior base metals were mixed. Hollinger and Hudson Bay Mining were better by 1/8 and Consolidated Mining added 1/4. Falconbridge fell a full point, International Nickel was off 1/8 and Aluminium was down 3/8.

In utilities, B.C. Power and B.C. Phone both gained 1/4. Quebec Phone lost 3/8 and Bell Telephone dropped 1/4.

Canada Steamship Lines was ahead 1¼. Imperial Oil was up 3/8 and Distillers Corp. added 1/4.

Steels were weaker. Standard Structural fell 1/8 and Dominion Foundries was off 1/4.

Banks were mixed, staging a slight rally late in the day. Royal added 3/8 and Provincials and Montreal both gained 1/4. Nova Scotia and Imperial were down 1/2 and Toronto Dominion dropped 1/4.

Dominion Tar was off 1/8 and Foundation fell 1/4.

In mining issues, South Dufault was most active, climbing four cents and Dumagami was ahead 10 cents.
