TURF TALKS.

The heaviest money winning trotters of the year started out green.

Ladies' races would be more popular if road wagons were used instead of sulkies.

A trotter bearing the pleasing name of Light Lunch is racing in the Keystone State.

Countess Eve, 2:09 1/4, is unquestionably the best trotter ever sold for shipment to Europe.

Joe Wheeler, 2:07 1/4, is the fastest new performer of the year. He stands over 17 hands and is 4 years old.

A new stallion barn, which cost \$10,000, has recently been completed at Patchen Wilkes farm, Lexington, Ky.

The Eagle Bird gelding Eagle Flanagan has trotted to his record of 2:12 1/4 on eight different occasions this season.

Parker S, 2:06 1/4, is the fastest gray pacer on record. Guy and Manager were formerly tied for the honor at 2:06 1/4.

There is a young horse by King Wilkes, out of Naiad, by Belmont, owned at North East, Md., who has 2:20 speed at the trot and can also pace very fast.

Bert Sheldon, the old warhorse, still continues to get a share of the money. At Allentown recently he beat a good field in a five heat race and trotted two of the heats in 2:13 1/4.

One of the greatest young pacers in America is the bay gelding Allen W, now being trained at Woodlawn by Alex McKay. He recently paced three heats in 2:17, 2:12 1/4, 2:12. He is by Young Jim.

Szyzygy, 2:12 1/4, pacing, gets his name from the astronomical terms which designate that the earth, sun and moon are in line. W. R. Carter, Mexico, Mo., developed him and has driven him in all his races.

Jockey Narvaez, who had the mount on Billy Mason in the stake race recently, was hit in the eye with a clod of flying mud and so injured he could not take the mount on Pitfall in the last race. That is why the latter was scratched.

St. Petersburg Society.

Much has been said against the morals of St. Petersburg abroad, the morality of Russians at home being too often judged by certain types of declassés met with in Paris, Rome and the German watering places. Scandals do, of course, occur in the "upper circles" of society, but they are relatively less frequent than in some other capitals. Further, no attempt is made, as in Paris and Berlin, to noise these domestic scandals far and wide. A kind of Freemasonry exists between well bred people in St. Petersburg to hush up affairs of this sort. Among the young women who rank as leaders in society it is rare to find one implicated in a scandal of any kind. What has been said apropos of foreigners in St. Petersburg applies as well to the natives. A man's official position has absolutely no influence on his social position. He may be a general, a minister, a privy counselor or a member of the imperial council, but unless he belongs either by birth or by reason of his personal attainments to the best society he is certain to stumble against closed doors if he attempts to enter this cream of St. Petersburg society. No better idea of how peculiarly constituted St. Petersburg society is in this respect can be given than by saying that Baron Mohrenheim, the retiring Russian ambassador in Paris, has never been able to make his entree into the most exclusive set of the Russian capital. Quartermasters do not go in St. Petersburg. It is necessary and sufficient for a man to be a gentleman and clever to have the doors of the most exclusive set open to him.—San Francisco Argonaut.

Land Tax, 1897

Owners of property are reminded that by the recent amendment to the Assessment Act, the system of valuing property for Land Tax has been changed, and it is necessary that new valuations and declarations be made this year. Such declarations to be made by the owner, occupier or agent, before the Provincial Treasurer or Deputy Receiver of the district.

In valuing property the value of the buildings must be included. The rate of tax for 1897 is one fifth of one per cent, or 20c on every \$100 of valuation.

The tax will be due on the 1st December. A discount of 5 per cent. will be allowed if paid on or before the 15th Nov., 1897.
