Hi all you first year people! We, as the student advisors in the the first year advisement centre, would like to welcome all of you to UPEI, and congratulate you on surviving your first few days here! We had a great summer meeting you, and were pleased to see you again at Frosh Week!

We hope that you will have a terrific year at UPEI, and we will see you around campus!

## Fencing Exposition

### Fencing Exposition

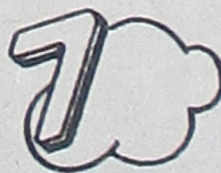

The UPEI Fencing Club is holding a fencing exposition Saturday, September 7 from 10am to 12pm. For experienced fencers this provides an opportunity to get back into the sport after a long summer's absence. For those who have no idea what fencing is or know what it is but have never had the chance to try it, this is your chance. UPEI Fencing Club membership information will be available for anyone who is interested. Everyone, students and non-students alike, are welcome. This is an excellent way to get into shape, try something that is just a bit different, and to meet new and interesting people. For more information, contact Lothar Zimmermann in the Modern Languages department at 566 0603. David MacKinnon, Secretary, PEI Fencing Association.
