Compliments of the Season.

"For hope shall brighten days to come
And memory gild the past."

To all our readers - A HAPPY NEW YEAR.

THEY had a green Christmas in St. John.

NO EXAMINER to-morrow—New Years Day.

THE roads generally are blocked from late drifts.

COLORADO described in the Y. M. C. A. Hall this evening.

THE Saskatchewan grain crop was this year a partial failure.

A St. John, N. B., clothier, has absconded with $25,000 liabilities.

REMEMBER J. H. Fletcher's lecture in the Y. M. C. A. Hall this evening.

A mail by the "Northern Light" arrived at ten o'clock this forenoon.

Two children were burned to death at Bridgewater, N. S., on the 26th.

FIVE persons were run over and killed by a train near Lucan, Ont., on Christmas night.

THE Rev. William Mason, A. B., pastor elect of New London, North, and Summerfield, will, (D. V.,) preach in Zion Church on Sabbath.

DIPHTHERIA is prevalent in the vicinity of Somerset. Several children have died of it lately. Four of Mr. Rogerson's family of County Line Road, were carried off by it.

SLOSSON, the American champion billiard player, has been defeated in a match of 3000, by Vignaux, the French champion The victory was by 39 points.

THE collections in the various Catholic churches in Halifax on Christmas day for the maintenance of the clergy amounted to $2556. This is reported to be the largest collection for this purpose ever made in Halifax.

A FEW young ladies of Dr. Murray's congregation called upon their pastor on one of the evenings of Christmas week and presented him with a silver fruit basket and silver napkin ring as a greeting of the season.

A partial eclipse of the sun was clearly visible at Charlottetown this morning. It commenced about fifteen minutes past eight and reached the greatest observation at about ten minutes past nine, when about a third of the face of the sun was covered.

WE learn that a large meeting was held at Somerset Hall, Lot 27, Prince County, on Wednesday, the 29th inst., for the purpose of discussing our winter means of communication. Strong resolutions were enthusiastically passed in favor of testing the Capes Route. A full report will appear in this paper.

MR. FLETCHER ON "LIFE AMONG THE HILLS."—We had omitted mention in our last, of Prof. J. H. Fletcher's fine lecture on "Colorado." The audience was not very large owing to variety of reasons, but those who attended were well repaid by a most entertaining instruction, and well written paper. Mr. Fletcher has been in Colorado for some time, consequently he speaks from experience, a remarkable and varied experience indeed. The descriptions of Leadville, the Gunnison, Gothic City, etc., were really very fine.—*Pictou Standard.*

Mr. Fletcher lectures in the Hall of the Y. M. C. A. this evening. We hope to see a full house.

MR. L. H. DAVIES will spend the solemn closing hours of the dying year in addressing a public meeting at Summerside. It is at this time that men are wont to review their past actions and resolve to do better in the future. We trust that Mr. Davies, in the course of his address, will not fail to make some timely confessions anent the subject in hand. We hope he will explain how it was that he, advertently or inadvertently, deceived his own followers at the last meeting in Market Hall by not reading part of section 11 and by misrepresenting section 4 of the Canadian Pacific Railway Contract; and, above all, we hope he will have the manliness to admit that he wronged THE EXAMINER when he stated that it suppressed material facts in connection with the Syndicate bargain. At an hour when his mind must necessarily be strongly impressed with the changeful nature of mundane things—when the year and all the glory thereof is passing away—we hope that Mr. Davies will resolve not again to triumph by arts calculated to deceive, but will make up his mind to do that which is right, and speak that which is true, for without righteous acts and truthful speech, the grace of manner and the charm of voice are but as "sounding brass and a tinkling cymbal."

WEAK EYES AND HOW TO STRENGTHEN THEM.—Use the Lazarus & Morris' Perfected Spectacles and Eye Glasses, which are very justly pronounced superior to any other Glasses offered for sale, and in favor of which hundreds of testimonials can be procured. Those afflicted from weak or inflamed eyes (occasioned from over-study or any other cause) will find great relief in using these Glasses, and will verify the above statement after they have fairly tested those wonderfully pure ground Glasses.—W. R. WATSON, Chemist and Druggist, Charlottetown, is sole Agent for Queen's County. Prices reduced. [de 30 6i
