Big Increase In Shipments Via "Eskimo"

Shipments to Newfoundland via the M/V "Eskimo" from this Province from April 29 of this year total nearly 1,130 tons as against not quite 400 tons for the same period last year, it was learned yesterday.

The boat operated by the P.E.I. Industrial Corporation is the only ship with refrigeration running to the south coast of Newfoundland, and a month ago she started operating to Corner Brook on Newfoundland's west coast. It is expected that in the near future she will start calling at Bonne Bay.

So far this year the Eskimo has taken 130 tons of fish meal from Newfoundland, and 350 tons of salt codfish. The codfish is landed in Halifax where it is shipped for general distribution around the West Indies.
