CITY COUNCIL—The special meeting of the City Council to be held to-morrow afternoon is called for the purpose of appointing all standing committees, also a city surveyor.
SUMMERSIDE CIVIC ELECTIONS.—Yesterday was nomination day for the Summerside Town Council. Besides the old board, Messrs. W. P. Baker, Ronald Campbell and W. H. Manson nominated. There is no opposition to Chairman Hunt.
SHOULDER DISLOCATED.—On Monday night last, while Mr. Patrick Ayers, of Wellington, was driving from his home to Misouche, the horse took fright, and, turning suddenly, threw Mr. Ayers out on the road, dislocating his shoulder. Dr. McKay is in attendance.
NAVAL.—H. M. S. Canada sailed recently from Funchal, Madeira, to join the British North American squadron. The Canada is commanded by Captain H. W. Dowding. She proceeds from Madeira direct to Bermuda, where she will be docked and overhauled.
A BIG PRICE.—Advises from Montreal state that the David property, corner of St. James and St. Peter Streets, that city, has been sold to the Canada Insurance Company at \$29 per foot, realizing \$180,000. A magnificent brick structure will be erected thereon soon.
THE WRECKED BRIDGE.—The Halifax Herald says: Taylor's wrecked brigantine Edith was sold yesterday as she lies on Egg Island reef for \$180 to Mr. Musgrave, of Morrison & Musgrave. Capt. William Hensberry brought some spars and rigging up in the schooner Belica.
UNION MEETINGS.—The meetings in St. Paul's schoolroom and Zion Church last evening were largely attended. At the first meeting in the schoolroom an address was made by Rev. Mr. Palmer, and the after meetings were led by Rev. W. W. Boyer. Rev. W. Haniya was the speaker in Zion Church.
MOCK PARLIAMENT.—At a meeting held in the Y. M. C. A. last evening, it was decided to organize a Mock Parliament, and a committee was appointed to make arrangements for a formal opening of the House, preparing a constitution and completing other preliminary work.
A PERTINENT QUESTION.—A correspondent of the Halifax Herald asks the following question: Where does the air come from to the chimneys of houses with double windows and perfectly fitting doors? Is it not drawn from the cellar and drains up through the floors? Would this fact account for diphtheria developing in houses with good drainage?
