STARTLING UPSETS IN U.S. TRIALS

By Alan Gould, Associated Press Sports Editor (By Quartz's Special Wire)
NEW YORK, July 12.—Everbearing trials that stunned 21,000 onlookers and eliminated some of America's fondest Olympic hopes, the final United States track and field trials came to a record-shattering conclusion today at Randall's Island Stadium.
A famed trio of record-holders, comprising Ben Eastman in the 800, Bill Bontrou in the 1500 and George Varoff in the pole vault, passed abruptly from the Olympic picture in a sudden series of upsets, while the negro contingent, led by Ohio State's renowned Jesse Owens, turned in a dazzling display of athletic prowess.

Owens, victorious yesterday in the 100 metre dash and broad jump, climaxed his triple qualifying job by running off with the 200 metre final in 21 seconds flat, world record time for the distance, around one turn, after two dusky high jumpers, Cornelius Johnson of Los Angeles and Dave Abriton of Ohio State cleared 6 feet, 9 1/2 inches for a new world mark.

Johnson, the favorite, and Abriton, 24 year old Alabama negro, surpassed the two-year-old mark of 6 feet, 9 1/2 inches.

With the first three place-winners in each event qualifying for the Olympic team, which sails Wednesday for Berlin, only six athletes accounted for 51 individual places on the team, apart from the shake-up of the two relay squads. Owens, the only performer to gain more than a single place, led the U.S. Olympic "triple" since Paavo Nurmi of Finland turned the trick in 1924 at Paris.

Two successful athletes, India's Don Lash, who won the 5,000 metres, and San Francisco's Bob Clark, who finished third in the broad-jump, previously clinched berths in other events. Lash won the 10,000 metre final by a weak ago while Clark qualified for the decathlon.

Stalwarts Fail to Place
Such stalwarts as Glenn Cunningham in the 1500, Forrest (Spec) Towns in the high hurdles, Glenn Harlan in the 400 metre low hurdles and Jack Torrance in the shot put all came through triumphantly in their decisive tests.

The 800 metre final, won by long-striding John Woodruff, 21-year-old University of Pittsburgh negro runner, produced the most shocking upsets. Experts were amazed by Ben Eastman's inability to do better than sixth in an eight-man field.

Scarcely less shocking to onlookers was the failure of Varoff, the 22-year-old San Francisco janitor, to make the pole vault grade level, after soaring to a new world record of 14 feet, 6 1/2 inches in the national championships at Princeton. The westerner yielded at 14-3 to a trio of Southern California rivals, the veteran Bill Graber, Earle Meadows and Bill Sefton.

Bontrou came to the end of the come-back trail by finishing fourth in a 1500 metre final that saw a tugging pair of Kansans, Glenn Cunningham and Archie San Romani, race shoulder-to-shoulder to the tape. Gene Venke, was a well beaten third but made the team.

Broad Jump and Hop, Step and Jump—Sammy Richardson, Toronto.
High Jump—Gee Haley, Trail, B. C.
Pole Vault—Sylvanus Apps, Hamilton.

Women
100 Metre Dash—Alleen Meagher Halifax, Hilda Cameron and Jeanette Dolson, Toronto; Dorothy Brookshaw, Toronto, will be added for relay team.
80 Metre Hurdles—Betty Taylor, Hamilton.
High Jump—Margaret Bell, Vancouver.
To be added to team if all or part of their expenses paid privately—Lee Orr, Vancouver, sprinter; Bill Fritz, Toronto, 400 metre dash; Jim Worrell, Toronto, 110 and 400 metre hurdles; Robert Rankine, Preston, Ont., 10,000 metres, and Milton Wallace, Toronto, 5,000 metres.

Eyston Breaks Two World Records

(A.P. By Guardian's Special Wire)
BONNEVILLE SALT FLATS, Utah, July 12.—Two world records for motor cars fell today beneath the spinning wheels of Capt. George Eyston's roaring "Speed of the Winds."
As the steel-nerved Londoner completed the first three hours of his projected 48 hour run, it was announced he had averaged 152 miles an hour for the first 500 kilometers and about the same for the first 500 miles.
The established world record for 500 kilometers, set by Salt Lake City's Al Jenkins, was 151.32 m.p.h. John Cobb of Great Britain held the 500 mile record of 147.66 m.p.h.
There was no doubt Eyston broke the old marks—both set last year on this same table-smooth surface of salt.

FIVE EVENTS FIRED AT BISLEY

By Thomas T. Champion, BISLEY CAMP, Surrey, July 12.—(C.P. Cable)—Sergt. J. Kier of Vancouver, a newcomer at the National Rifle Association's Bisley meeting registered the outstanding performance amongst the Canadian team in a busy weekend program.
Kier scored a possible 35 Saturday in the Wimbledon Service Rifle event on the Century Range and followed that up by firing three more bull's eyes in the shoot-off. This left him tied with Lieut. Widdington of the Inniskilling Rifles and Trooper R. Hedley of the Northumberland Hussars. The tie will probably be decided Tuesday.
All 18 active members of the Canadian team fired in five events on Saturday—the Wimbledon, the Duke of Cambridge, the Stock Exchange, the Times and the Daily Mail, all service rifle events.
Best of the Canadians in the Daily Mail, calling for seven shots at 500 yards, were Sergt. Parnell and Sergt. J. W. A. Sharpe of Montreal, with 34 1/2, one short of possible.
Five Canadians had 33 1/2, two short of possible figures, in the Wimbledon, fired at 600 yards. They were: Lance-Sergt. N. K. Martin, Ottawa; Sergt. Farnell, Staff Q. M. S. F. V. Shepherd, Stevenson Place, Ont.; Capt. L. J. Silver, Ottawa, and Lieut. Storrar.
Other Canadian scores in the Wimbledon included: Sergt. J. S. Douglas, Verdun, Que.; Guardsman J. S. Fraser, Ottawa, Major Harrison, Lieut. H. Parkes, Vancouver, N.S., Sergt. R. S. Potter, Hamilton, Sergt. Sharpe, 32.
Sergt. Parnell topped the Canadian scores in the Stock Exchange with 101, four short of possible. This is fired at 200, 500 and 600 yards, with seven shots at each distance.
Other Canadian scores in the Stock Exchange: Staff Q.M.S. Shepherd, 100; Sergt. Sharpe, Lieut. Storrar, 99; Lieut. Parker, 98.
Lieut. Storrar's 48, two short of possible, was the best Canadian mark in the Duke of Cambridge, 100 shots at the long distance of 600 yards.
Following him with 47 was Lieut. M. Kiddie and Sergt. Kier, Lieut. Parker, 46.

Four Ball Games Scheduled For S'ide This Week

This week promises to be a big baseball week providing weather conditions remain favorable and nothing unforeseen occurs. There are four games scheduled and there may possibly be a fifth.
On Monday evening Jack's Juniors and the Presbyterian Tuxis will open the second section. The Tuxis finished in the cellar of the first section but were minus valuable players most every game. With these back in the line-up they may be expected to go places. Jack's Juniors on the other hand will be right out to pile up all the runs they can.
On Tuesday evening Summerside hooks up with the Dodgers in a return game for the one in Charlottetown on Tuesday last. It will be remembered that the locals walked the plank to the tune of 7-0 in Charlottetown, but with added strength expect a win tomorrow evening. The probable line-up is as follows: Dadds and Phillips, C.; Sheen, Durant and Wilson, P.; Durbin, Crossman, B.; C. Ward 2b; Phillips, Dods or Wilson, S.; MacCauley 3b; Larkin If.; Millman cf.; H. Clow rf.
On Wednesday Jack's Juniors take on a junior team from Charlottetown which promises to be of more than ordinary interest. It will be the locals' first attempt with outside competition, but it is expected to be good, after the brilliant way in which the C.Y.M.L. have performed. Jim Dadds will start his ace hurler "Schoolboy" Sheen against the Charlottetown invaders.
On Thursday evening C.Y.M.L. and Tuxis will provide the competition in the second game of the second section, while on Friday if the fans have not had enough for the week the Pioneers and Red Wings may stage the opener of a series to determine the town championship.
