

Rector Of Laval To Give Address

The second annual Robertson Memorial Lecture will be delivered at Prince of Wales College on Monday evening by the Rt. Rev. Monseigneur Ferdinand Vandy, Rector of Laval University, Quebec.

Increase Shown In Recruiting

With four members of the staff absent from their work because of illness, H.M.C.S. "Queen Charlotte" shows a decided increase in recruiting this week with fifteen applications received during the past three days.

Extend Time For Levy Payment

It is understood that several extra days have been given to the potato dealers in which to complete payments of their levy, a Potato Board official stated to The Guardian last night.

BIRTHS, MARRIAGES, DEATHS

BIRTHS
SMITH—At the Prince County Hospital on February 13, 1951, to Mr. and Mrs. Erving Smith, Conway, a son, 9 lbs. 3 oz.

CENTRAL GUARDIAN

This column is reserved for news of local interest, but advertising of a newy nature may be inserted at five cents a word, strictly payable in advance.

REFRIGERATORS, Ranges, Motors and Washer repairs. Storey Electric. Phone 3007.

TODAY 4:30 Valentine Tea and Bazaar 4:30-6:30 p.m. Tickets 75 cents each.

BACK OF CHILDREN'S DRESSES, sizes 7 to 10. Values to \$6.95. Clearing at \$4.95. S. A. MacDonald's.

CORRECTION—In the report in yesterday's Guardian of St. Veronique's Guild the report of the treasurer should have read: "The treasurer reported a bank balance of approximately two hundred dollars."

FUNERAL YESTERDAY—The funeral of the late Frank L. Warren was held from the MacLean Funeral Home yesterday afternoon with service conducted by Rev. H. E. D. Ashford, Interment Middle cemetery. The services at the grave were conducted by Rev. Mr. MacLeod. The pallbearers were Tyler Ching, Martin Dennis, Frank Jay, Jack MacCallum, Ed Quigley.

INSTALLING METER HEADS—For the past two days workmen have been installing parking meter heads on the posts in the uptown sections. About 90 heads are being installed, most of them double parking meters. The posts, put in last fall, are located on Queen, Great George, Kent, and Grafton Streets. They are being installed by the Twin Meter Company of Canada.

DAIRY CATTLE SHIPMENTS—Seventy-seven dairy and purebred cattle were shipped from Prince Edward Island into the United States from the beginning of the year until February 6, according to figures in the current issue of the Livestock and Meat Trade Report. During the same period 46 head were exported from Nova Scotia, 244 from New Brunswick and 5,000 from Ontario into the U.S.A.

ATTENDING MEETING—Mr. C. T. Montgomery, Superintendent of the Island Division, C.N.R. and Mr. L. J. MacDonald, District Passenger Agent are in Moncton attending a meeting of operating and passenger traffic officials of the Atlantic Region of the C.N.R. Passenger time tables for the coming spring and summer services are being discussed and following the discussions time tables will be prepared to take care of spring and summer passenger train schedules. Presiding is Mr. A. E. Robertson, General Superintendent of Transportation.

IN HOSPITAL—Four year old John (Terry) Paquet is a patient in the Prince Edward Island Hospital suffering from severe fractures as the result of being struck by a car at 11:16 yesterday morning. He is reported to have run out onto the street just as a truck going north on Elm Avenue had passed him. He ran into a car driven by Mr. John Vissey, Jr. and suffered a fractured jaw and left collarbone. Hospital authorities early this morning stated he was "resting comfortably." Terry is a son of Mr. and Mrs. Nelson Paquet, 33 1-2 Elm Avenue City.

ZION Y. P. S. MEETING.—On Tuesday evening Zion Young People's Society held the regular weekly meeting under the devotional period under the leadership of Jessie MacNaughton, opened with the "Call To Worship". Scripture lesson, St. John 13:1-17 read by Velma Gillis. The theme "Don't Count on Me" was read by Margaret Cameron. Joan Large led in prayer. The hymns sung were, "I Love to Tell the Story" and "Rise Up, O Men of God." A very interesting debate was held on the subject "Health is More Beneficial Than Wealth," with Norma Kennedy as chairman. The pro debaters were: Roddie Hloxox, leader, Elaine Humphrey and John Trowsdale. The con debaters were: Earle Bruce leader, Betty Hurry and Rena MacNevin. The debaters on the pro side winning by three points. The judges, Miss Marian Hardy, Rev. G.C. Webster, and Mr. Blair MacDonald commended the debaters on their well prepared material. The meeting adjourned to the lower hall for the Valentine Social where lively games and refreshments were enjoyed by all. The meeting closed with the hymn, "Blest Be The Tie That Binds."

PERSONALS
Mrs. William Clarke of Philadelphia visiting her mother, Mrs. Bessie Marshall and sister, Mrs. Harold Clement of East Royalty.

BEAUTIFUL EDIFICE
The early English cathedral at Wells, Somerset is said to have the most beautiful west front of all European cathedrals.

MANILA, Feb. 12 (AP)—Sixteen persons, including three policemen, were killed Friday night in new Communist Hukbalahap outbreaks north of Manila.

THOMAS.—At North Tryon, Feb. 14, 1951, J. Wellington Thomas in his 72nd year. Funeral from his late residence Friday, Feb. 16 at 2 p.m. Interment in Baptist cemetery, Westmoreland.

LIVINGSTON—At Churchill on Wednesday, February 14th, Mrs. Annie Livingston in her 94th year. Resting at her late residence. Funeral notice later.

GILLIS.—At Beach Grove on Wednesday, February 14th, Miss Isabel Gillis in her 87th year. Funeral from Belfast Church tomorrow (Thursday) service starting at 2 o'clock. Interment in Belfast Cemetery. Resting at the MacLean Funeral Home.

MASON'S 49

Holds Junior Farmers

1951 President of the Prince Edward Island Junior Farmers is Keith Moase (above) son of Mr. and Mrs. Stewart Moase, Kensington.

Keith joined the organization in 1949. Recognized as a potential leader, he was appointed a director during the annual meeting held at St. Dunstan's College in 1950 and last month ascended to the presidency.

The new president works with his father on their farm near Kensington and is prominent in Church and Young People's work. He is President of the Prince County Young People's Presbytery.

PEARKE

Continued from page 1

not mean that members had to listen to the Canadian Legion, which was pressing for adoption of conscription.

Ray Thomas (SO—Wetaskiwin), a veteran of the Second World War, said Gen. Pearkes had "stated around" the manpower issue. Defence Minister Glaston, said Mr. Thomas, has stated that the defence of Canada was to be the first consideration.

"I agree with that," he added, "but for goodness sake let us go ahead and do something about it." It was not true that compulsory service for the reserve forces would necessitate the withdrawal of officers and men from the active army to serve as instructors. There were many former officers, unfit for active service, who were ready and willing to train the reserves.

I. Studer (L—Maple Creek) criticized the C. C. F. administration in Saskatchewan and termed C. C. F. adherents as supporters of "Karl Marx and Joseph Stalin, because that's what it leads to in the end."

Gen. Pearkes charged the government with a lack of leadership which would "sell to the people of Canada the gravity of the present situation." Had the issue been put "fairly and squarely" to young Canada, he was sure there would have been a better response to recruiting drives.

TWO CHINESE

Continued from page 1

others broken up on the central front alone.

The Eighth Army count of Communist casualties inflicted by ground action alone since Jan. 25 mounted to 86,201 dead, wounded and captured through Tuesday's action.

AP correspondent William J. Waugh on the central front reported fighting still was in progress at midnight Wednesday.

Waugh said the Chinese launched a big attack late Wednesday toward Wonju, key to vital road networks to South Korea. A U. N. counter-attack inflicted heavy losses on the Reds.

In the Chipyong sector, 20 miles northwest of Wonju, a Communist probing night attack was followed by another Chinese assault on surrounded American and French forces. This battle continued this morning.

AP war correspondent John Randolph, with Allied troops south of Wonju, said the first waves of the Chinese offensive which began Sunday midnight had been broken by overwhelming Allied fire power. Chinese dead by the thousands lay on all sides of surrounded Chipyong and in the river valley eight miles northwest of Wonju, where they ran into withering air strikes and hidden artillery.

However grievous their losses, the Chinese still had five more divisions committed to their central drive. Elements of two North Korean corps also were in the fight.

RECOMMENDATIONS

Continued from page 1

investigate the value of farm equipment designed for the rejuvenation of pasture lands.

In view of the high feeding value of grass silage, it is recommended that the Experimental Station investigate the practicability and economics of trench silos.

S.D.U. Wins Local Debate But Loses Title To Acadia

Two St. Dunstan's University debating teams, defending the Maritime Intercollegiate Debating Championship they won a year ago, obtained a win and a loss last night in debates here and at Wolfville. In Robert Croken and Allan Macdonald, St. Dunstan's successfully upheld the affirmative of "Resolved that Labor should share directly in the profits and management of industry" in the debate against St. Mary's of Halifax held at the local College.

Another debating team of Walter Reid and Cyril MacIsaac of St. Dunstan's were defeated by a team from Acadia University at Wolfville.

An Acadia team also won over Mount Allison University at Sackville and the double win gave the Maritime Intercollegiate Debating League Championship to the Wolfville College.

Although the schedule is not yet completed Acadia has won the title by virtue of their three wins. All other teams have lost at least one.

The judges were unanimous in awarding the decision to the S.D.U. debaters against the St. Mary's team here last night. The debate was held before a packed hall.

St. Mary's were represented here by Don MacIntyre of Halifax and Don Bretz of Saint John, N.B. Rev. Richard Ellsworth, Professor of Biology at St. Dunstan's, was chairman.

Judges at the debate were: Judge H. Palmer, Mr. H. F. MacPhee, K.C. and Mr. Frank MacMillan, Professor of History at Prince of Wales College.

The subject under debate, between S.D.U. and Acadia at Wolfville was "Resolved that there should be compulsory arbitration in all major disputes in Canada."

Horticulture

The appointment is recommended of a qualified provincial horticulturist, who in close cooperation with the Experimental Farms Service, and Science Service, would promote particularly the small fruits industry of the Province and conduct investigations in the control of insects and pests in cultivated and native fruits.

In view of its general importance in improving the nutritional standards of the younger generation of the Province, that assistance be given tending to increase cold storage locker services, and further in this respect, that boys and girls garden clubs be initiated so that a wider variety of vegetables and small fruits be made available for general use.

In view of the potential value of the small fruits, both cultivated and wild within the Province, that studies be made in marketing and processing and in the promotion of a wider use of these products in the home market and investigations into the possibility of a wider export market.

That investigations be undertaken as to the practicability of producing seed peas for canning purposes.

Potatoes

Recommends that the weekly press bulletins issued by the Science Service be continued.

That a study be conducted with a view to improvement of storage conditions for potatoes.

That retail stores conspicuously mark the variety and grade on potatoes, vegetables and fruits for the information of the purchaser.

That turnips come under the control of the Potato Marketing Board, and the advertising campaign of the Potato Promotion Committee be extended to include turnips.

Marketing

That work be instituted at the piers of various ports in the Province to facilitate the movement of potatoes and turnips by water.

That a Poultry Marketing Board be established similar to that of the Potato Marketing Board.

That all marketing of dairy products be under one central marketing board or agency.

Livestock

That a definite plan be established for the development in this Province of the Cheviot breed of sheep recently imported, and that investigational work be conducted on the value of this breed in crossing.

Island Man Was Wartime Inventor

Ewen A. Clark, 79, formerly of Prince Edward Island passed away in West Roxbury, Mass., on January 30.

Mr. Clark was a son of the late Andrew and Margaret Ferguson Clark, and moved to the United States at the age of 21. An American newspaper article refers to the late Mr. Clark's hobby of inventing and of his having obtained several patents on submarine raising devices.

His sister, Mrs. Edna McNab of West Roxbury, Mass., states that one of his inventions was used in saving the lives of 27 men trapped underwater, and that he had also invented a depth bomb during World War I. His family have in their possession letters of appreciation for his efforts from King George V, Prime Ministers of England and several Presidents of the United States.

At the time of his death Mr. Clark was a prominent Boston real estate man and hotel owner, and resided at 22 Berwick Street, West Roxbury.

Surviving are his wife, Flora (Shields) Clark; a sister, Mrs. Edna McNab; a son, Albert B. Clark of Dorchester; five grandchildren and two great grandchildren.

Investigating Wage Rates On Federal Work

Mr. H. R. Pettigrove, senior representative in the Maritime of the conciliation branch of the Federal Department of Labor is in Charlottetown on departmental business. Well-known throughout Eastern Canada, Mr. Pettigrove is investigating wage rates paid to various laborers and tradesmen employed by the Federal Government in this city.

The Federal Government has authority to set wages only for Federal Government jobs; all other wage rates are under the jurisdiction of the Provincial Governments.

The Labor Department official, who resides in Fredericton, N.B., spent two days in Summerside before arriving in Charlottetown on Wednesday afternoon. At the latter town he heard representations made by carpenters and laborers for higher wages, on various Federal Government construction work now underway.

Laborers employed at the R.C.A.F. station at Summerside also made request for an increase in the hourly rate.

It is understood the labor rate being paid at the Summerside airport is 55c per hour, a figure unchanged in the past five years.

The town of Summerside is said to pay its labor employees 60c per hour.

West Kent Home School Ass'n Meets

A meeting of the West Kent Home and School Association took place last evening.

Mr. Roland Taylor occupied the chair. The guest speaker was Miss Hunter, who is now doing work in the province on speech therapy. She outlined the problems of learning for children who had defective hearing and the means used to overcome this handicap.

He also spoke of the methods used to improve the speech of a child who stuttered or has a physical defect of the throat.

It was recommended that the Association advise the school board of its approval in converting the assembly hall into a library and music room.

Brig. Reid spoke on the need for organized physical training among the older girls of the school.

A committee was then appointed to look into this and other matters. The meeting then adjourned.

led with the most modern equipment such as automatic feeders, waterers, etc., to serve as a demonstration to the poultry breeders of the Province.

That investigation of trace elements in poultry nutrition be continued by the Experimental Station.

That the Provincial Department of Agriculture investigate the feasibility of making available sun-dried eggs as Sulmet, etc., at a nominal price.

In view of the value of the poultry industry to the Province, it is recommended to the Exhibition Association that a suitable building be erected for the display of poultry and poultry products at the Provincial Exhibition.

That the revised regulations with respect to dressed poultry be retained for at least a period of one year.

Deny Statement Re Financing Of Campaign

The denial of the statement made last week at the annual meeting of the Potato Dealers to the effect that the Federation's campaign last year for the formation of a Potato Marketing Board was financed by money obtained from the potato levy has been made by Mr. Lincoln Dewar, Secretary of the Federation of Agriculture.

Following is the text of Mr. Dewar's statement: "The statement contained in Colonel Full's presidential address to the potato dealers' organization that a grant obtained by the Federation of Agriculture from the P. E. Island Potato Promotional Committee was used to finance a campaign for the Potato Marketing Board either erroneously or designedly gives a false impression.

"The facts are that the campaign and the plebiscite were conducted in 1949. The amount of that year the Federation had no cash on hand and received no monies that year from the Potato Promotional Committee. There is no mystery as to how the campaign and plebiscite were financed.

"The membership fees paid by the Federation members footed the bill entirely. The potato growers of the Province who were the first to suggest the establishment of a fund through collection of a levy, are well aware of the necessity and realize the advertising and promotion of the industry must be borne by and be a charge on the product.

"Those growers will easily see through the protestations of the dealers that their money was used for subversive purposes.

"Regardless of who actually burned the levy over to the Committee, the wealth was actually produced by some 8,000 amateur economists who grew the potatoes.

"Those amateur economists have now established in a democratic manner a Potato Board to represent them in the marketing of their product. There is no loss to individual freedom other than that inherent in any democratic exercise of the franchise designed to elect representatives to carry on the growers' business and to safeguard their rights."

Fredericton and Vicinity

Mr. J. B. MacDowell was a recent visitor to the city.

Mr. and Mrs. William Hill were visitors to Charlottetown on Monday.

The sympathy of the community is extended to the former Margaret Keir of Granville in the death of her husband, Mr. Walter Wakefield, Charlottetown.

A very enjoyable concert was held in Fredericton Hall on Wednesday evening, February 14, under the auspices of the Fredericton Athletic Club. A large and appreciative audience assembled, and were pleasantly entertained by the Elphinstone dancers with their colorful costumes; included in the programme was music and singing by the Bertrams and Cy Burke. Dick Turpin's jokes and readings caused much merriment. Mrs. Fannie Bertram was accompanist for the evening. The players were brought from Charlottetown by a chartered bus. At the close of the programme a delicious lunch was served the players of the Athletic Club.

Mrs. N. A. Cutcliffe entertained the ladies of the Pleasant Valley Mission Circle on Tuesday evening. Mrs. Hugh MacKinnon was leader of the worship service. Meeting opened by a call to worship by the leader, "Take My Life," and "Jesus Calls Us." were hymns sung. Scripture lesson was read by Mrs. Milton Weeks, followed by prayer by Mrs. Miller Weeks and Mrs. Hugh MacKinnon. A poem, "My Discovery" written by Mrs. Clinton Glydon. The Lords Prayer, was repeated in unison. An interesting study book, "Through Higher Education in Japan" was presented by five members: Anne Glydon, Olive Weeks, Mable MacKinnon, Eudavilla Weeks, and Adelaide Weeks. Minutes of last meeting were read and approved. Offering was taken. Sick committee reported calling on sick and shut-ins. Each member is buying a Missionary book for the travelling library. March meeting is to be held at the home of Mrs. Frank Cutcliffe. Lunch committee: hostesses, Mrs. Milton Weeks, and Mrs. Whitfield Abbott. Mrs. Melville Weeks was appointed leader. Meeting closed by repeating the Missal benediction in unison. A delicious lunch was served by the hostesses assisted by the committee in charge and social hour enjoyed by all.

Talks To Begin On Jap Treaty And Pacific Pact

CANBERRA, Feb. 14 (AP)—John Foster Dulles, special United States Ambassador, starts talks with Australian and New Zealand officials tomorrow on a Japanese peace treaty and the possibility of a Pacific alliance similar to the North Atlantic Pact.

Dulles arrived today from Tokyo, where he announced Saturday that "Provisional security arrangements between the U. S. and Japan" had been discussed.

From carefully-worded statements issued by Dulles and Japanese Premier Shigeru Yoshida at that time, it was apparent the U. S. and Japan had agreed on the basic points of a defence agreement to be guaranteed by American power after a peace treaty is signed.

Australia is expected to press the viewpoint that her security would be threatened again by Japan unless guarantees are given

against a rebirth of Japanese militarism.

Dulles told reporters on his arrival that rearrangement of Japan was not discussed during his talks in Tokyo.

Dulles will confer tomorrow with External Affairs Minister Percy Spender and Frederick W. Dodge, New Zealand's External Affairs Minister. Among others he will see during the next four days are Prime Minister Robert G. Menzies and Sir Esler Dening, Far Eastern expert of the British Foreign Office.

About 100 Communists, whose party recently was outlawed by Parliament, demonstrated outside the U. S. consulate in Sydney today, shouting "Send Dulles Home" and "Do not arm the Japs." Police arrested 30 men and two women on charges of offensive behavior.

Prowler Terrorizes Main Street In Idaho Town

WALLACE, Idaho, Feb. 14 (AP)—A frenzied prowler, apparently a stranger in town, terrorized main street for almost five hours today with rifle fire from a hardware store that killed one man and wounded two others.

Police machine-gun bullets and tear-gas bombs finally silenced him. Officers crept inside and found him lying on the floor unharmed. He made a sudden move, police fired and he died an hour later without giving a motive.

Papers on his body carried the name of John Stoddard, 48, and indicated he once lived in Oakland, Calif. Apart from that, nobody seemed to know anything about him.

The shooting stopped business in this mining town of 3,200, about 85 miles east of Spokane. About 250 spectators stood behind barricades on both ends of the street for a look at the shooting.

But Rollie Bruning, a staff member of the Wallace Press-Times, slipped into his office next door to the store during the height of the shooting, punched a bullet in the wire (the Utah-Idaho Associated Press circuit) and later filed more details as the shooting continued.

Police Chief Mace McCoy said Gordon Hailstone, 33, a miner, was shot and killed as he walked by the store. Mrs. Mary Hinton, a cafe waitress just off shift, was with him. Terrified, she ran to the cafe five doors away, and her daughter, Mrs. Virginia McClung, 23, dashed outside.

"Willis Maitland, 49, another miner, ran down and grabbed hold of the man who did the shooting just as he stepped out of the hardware store door," Mrs. McClung said.

"He pulled away, went back in and shot Maitland who fell beside Gordon's body."

"Then Robert Allen, who had been eating at the cafe, ran out. A bullet grazed his neck." Both Maitland and Allen escaped serious injuries.

Lie Urges Efforts To Control Atomic Weapons

LAKE SUCCESS, Feb. 14 (CP)—Trygve Lie, United Nations secretary-general, today urged East and West to continue efforts towards framing controls over international atomic and other arms despite world tension.

Lie told a 12-member U. N. committee which includes Canada that the U. N. must provide for defenses in the present world state but must not lose sight of the disarmament goal. He said efforts towards political settlement should go hand-in-hand with those towards arms reduction.

The committee, established by the U. N. Assembly last December, met for the first time today to try to work out a plan of coordinating the U. N. Atomic Energy Commission with the U. N. Commission on Conventional (non-atomic) Armaments.

Jakob Malik, head of the Russian delegation to the U. N., appeared for the first time at a U. N. meeting since December. He has been suffering from a heart condition.

Canada has a special place on the new 12-member committee by virtue of her contribution to development of atomic energy uses. The other members are the 11 countries who constitute the U. N. Security Council where Canada completed a two-year term in December, 1949.

The committee today adjourned indefinitely after hearing today a Russian attempt to unsettle T. F. Tsiang, representative of Nationalist China, and replace him with a representative of Communist China. The Committee is expected to meet again in about a week.

The American resolution to postpone consideration of the Russian proposal until a ruling on the case by the General Assembly, was passed by a vote of 9 to 1 (Russia) with India and Yugoslavia abstaining. Canada, represented by R. G. Riddell, head of the permanent delegation to the U. N. voted for the resolution.

Malik repeated the old Soviet arguments that Tsiang does not represent the 475,000,000 people of China whereas a representative of the Peiping regime would.

Adjudicator Meets Players Informally

During an informal meeting with members of the Little Theatre Guild of Charlottetown last evening, Mr. Robert Newton, English adjudicator, complimented the group on the quality of entertainment they were endeavoring to produce.

He stated that Little Theatres throughout the Dominion were quite often the only means by which the public could see live theatre, and as such had a definite place and duty in a community.

Mr. Newton told the group he would finish his adjudications of entries in the Dominion Drama Festival playoffs in April, and it was expected that telegrams would be sent on April 14 to all groups who were requested to compete in the finals in London, Ontario.

He also gave a long list of excellent plays to the local group with the suggestion they be read with the view to future productions.

Mr. Newton left this morning for Halifax where he will adjudicate the next sub-regional entries in the D.D.F.

Howatt and President are named as new sick committee

Red Cross convener, Lolita McVittie gave out sewing and knitting.

A card party and dance was arranged for later in the month. committee in charge, Myrtle MacDonald, Jean Myers, Ruth Simmons, Lolita McVittie and Eunice Waddell. Lunch to be served by committee of ten, at 35 cents.

The February concert was again discussed and plans made for the performance, including a box social.

Meeting adjourned, the lunch committee took charge.
