A Good Thing.

German Syrup is the special prescription of Dr. A. Boschee, a celebrated German Physician, and is acknowledged to be one of the most fortunate discoveries in Medicine. It quickly cures Coughs, Colds and all lung troubles of the severest nature, removing, as it does, the cause of the affection and leaving the parts in a strong and healthy condition. It is not an experimental medicine, but has stood the test of years, giving satisfaction in every case, which its rapidly increasing sale every season confirms. Two million bottles sold annually. Beware of medicines of similar names, lately introduced. Boschee's German Syrup was introduced in the United States in 1868, and is now sold in every town and village in the civilized world. Three doses will relieve any ordinary cough. Price 75 cents. Sample bottle, 10 cents.

Final Warning.

ALL PERSONS indebted to the undersigned, who have not paid their accounts which were DUE and rendered TWELVE MONTHS AGO—will please take notice that PAYMENT must be made IMMEDIATELY. All accounts remaining unpaid on the 15th inst., will be SUED for without further notice. Remember, this is positively the Last Warning.

SEMINARY FOR YOUNG LADIES.

VISITOR:

The Lord Bishop of Nova Scotia

PRINCIPAL:

The Rev. John Padfield.

THIS SCHOOL offers, at very moderate cost, the advantages of a comfortable and pleasant home together with a thorough and refined education.

The course of instruction is the same as that of the best Schools in England and is founded upon the University Examinations for Women. Eight young ladies from this School passed the Local Examination of the University of King's College in June last. This is the only School in Canada that has passed pupils at a University Examination.

The number of pupils is limited, rendering the School select, and while it possesses all the educational advantages of a large public school, each pupil is enabled to receive that individual care and oversight which is so important, and which cannot be given in a large establishment.

Mr. and Mrs. Padfield are assisted by a staff of four resident governesses, besides visiting masters.

Parisienne French is taught conversationally. There are two resident French Governesses.

References given to parents of pupils. For further particulars address the Principal.

Cutting promptly executed. Good fits guaranteed.

REPORT on the LORNE HIGHLAND WHISKY:

"We have visited the bottling stores of Greenlees Brothers, and have selected from the vats, samples of their Lorne Highland Whisky, and have subjected them to careful examination and analysis. The samples were very fragrant, mellow, and of pleasant flavor, and possessed all the characteristics of pure and well-matured Scotch Whisky of the first quality."
