Charlottetown, October 25, 1888.

Rich and Poor,

Prince and Peasant, the Millionaire and Day Laborer, by their common use of this remedy, attest the world-wide reputation of Ayer's Pills. Leading physicians recommend these pills for Stomach and Liver Troubles, Costiveness, Biliousness, and Sick Headache; also, for Rheumatism, Jaundice, and Neuralgia. They are sugar-coated; contain no calomel; are prompt, but mild, in operation; and, therefore, the very best medicine for Family Use, as well as for Travelers and Tourists.

"I have derived great relief from Ayer's Pills. Five years ago I was taken so ill with

Rheumatism

that I was unable to do any work. I took three boxes of Ayer's Pills and was entirely cured. Since that time I am never without a box of these pills." Peter Christensen, Sherwood, Wis.

"Ayer's Pills have been in use in my family upwards of twenty years and have completely verified all that is claimed for them. In attacks of piles, from which I suffered many years, they afford greater relief than any other medicine I ever tried."—T. F. Adams, Holly Springs, Texas.

"I have used Ayer's Pills for a number of years, and have never found anything equal to them for giving me an appetite and imparting energy and strength to the system. I always keep them in the house."—R. D. Jackson, Wilmington, Del.

"Two boxes of Ayer's Pills cured me of severe

Headache,

from which I was long a sufferer. — Emma Keyes, Hubbardston, Mass.

"Whenever I am troubled with constipation, or suffer from loss of appetite, Ayer's Pills set me right again."—A. J. Kiser, Jr., Rock House, Va.

"Ayer's Pills are in general demand among our customers. Our sales of them exceed those of all other pills combined. We have never known them fail to give entire satisfaction."—Wright & Hannelly, San Diego, Texas.

THE FAIR GOD.

BOOK TWO.

CHAPTER IV.

(Continued.)

He paced the floor to and fro, speaking vehemently.

"The ingrate charges me with aspiring to the throne. Judge me, holy gods! Judge how willingly I would lay down my life to keep the crown where it is! He says my palace has been open to men of the army. It was always so—I am a warrior. I have consulted them about the Empire, but always as a subject, never for its ill. Such charges laugh at; but that I sought to slay the king is too horrible for endurance. On the day of the combat, about the time of assemblage, I went to the Cu of Quetzal for blessing. I saw no smoke or other sign of fire upon the tower. Mualox was gone, and I trembled lest the fire should be dead. I climbed up, and found only a few living embers. There were no fagots on the roof, nor in the courtyard; the shrine was abandoned, Mualox old. The deatation appealed to me. The god seemed to claim my service. I broke my spear and shield, and flung the fragments into the urn, then hastened to the palace, loaded some tannans with wood, and went back to the Cu. I was not too late there; but, hurrying to the tianquez, I found myself almost dishonored. So was I kept from the arena; that service to the god is now helping my enemy as proof that I was waiting on a house-top to murder my king and kinsman! Alas! I have only slaves to bear witness to the holy work that kept me on the temple. Much I fear the gods are making the king blind for his ruin and the ruin of us all. He believes the strangers on the coast are from the Sun, when they are but men. Instead of war against them, he is thinking of embassies an presents. Now, more than ever, he needs the support of friends; but he divides his family against itself, and confers favors on enemies. I see the danger. Unfriendly gods are moving against us, not in the strangers, but in our own divisions. Remember the prophecy of Mualox, 'The race of Aztalan is ended for ever.'

The speaker stopped his walking, and his voice became low and tremulous.

"Yet I love him; he has been kind; he gave me command; through his graciousness I have dwelt unmolested in this palace of my father. I am bound to him by love and law. As he has been my friend, I will be his; when his peril is greatest, I will be truest. Nothing but him from him to Anahuac can make me his enemy. So, so—let it pass. I trust the future to the gods."

Then, as if seeking to rid himself of the bitter subject, he turned to Io. "Did not some one come with you?"

"The boy told what he knew of Hualpa."

"I take
