We join in heartfelt tribute to
A Gracious and
Beloved Sovereign

Today, we as a Province in the great and growing Country of Canada pause to take part in the impressive and moving Coronation ceremony of the Queen.

Its deep religious significance cannot be adequately expressed in words — a young woman accepts the tremendous responsibilities of the future conduct of her Commonwealth and Peoples and it is with joy in our hearts, proud of the past, confident of the present, and hopeful of the future, that we greet her.
