Archbishop Ireland, of St. Paul, Minn., has gone to Liege, Belgium, to attend the International Catholic Congress.

The late Dom Pedro, of Brazil, visited Alessandro Manzoni, the Italian poet, in 1872. After a half-hour conversation His Majesty told the author farewell and repeated to Manzoni's thanks with the words: "It is I who am honored. Future centuries will still recall Alessandro Manzoni, but the memory of Dom Pedro, Emperor of Brazil, will be forgotten in a few years."

A Pleasing Sense

Of health and strength renewed and of ease and comfort follows the use of Syrup of Figs, as it acts in harmony with nature to effectually cleanse the system when constive or bilious. For sale in 25c bottles by all leading druggists.

The originator of Ecod's Emulsion spent several years of his life in perfecting this preparation. Not a bottle of it was put on the market until he was satisfied that it was the best ever introduced for the cure of coughs, colds, bronchitis and all wasting diseases. Thousands of bottles have been sold, and he has never heard a complaint regarding it.

An old smoker declares that he has been using "Myrtle Navy" tobacco ever since the second year of its manufacture and that during that time he has never suffered from a hiccup, tongue or parched tonsils or any other of the unpleasant effects which most tobacco will leave behind them. His experience, he says, is that no other tobacco which he has ever tried is quite equal and that he will give for the money "no other come any nearer it."

FOR OVER FIFTY YEARS Mrs. Winslow's Soothing Syrup has been used by millions of mothers for their children while cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best-known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind. Lyr

INCREASE YOUR WEIGHT.—If you are losing flesh and blood, commence at once taking Miller's Emulsion of Cod Liver Oil, which is far ahead of all other preparations of the kind in existence. By taking Miller's Emulsion people gain from 5 to 10 lbs. by the time the first bottle is consumed. It is the greatest blessing of the century to all in delicate health, or who suffer with coughs, colds and ailments that tend to consumption. Remember, Miller's Emulsion contains all the constituents found in wheat. It is used in the hospitals and asylums of the country. In big bottles, 50c, and \$1 at Charlotetown drug stores.

THE NEW TOILET GEN.—Philodermis owes its immense success to the fact that it is radically different from any preparation in the market. It is a bland and soothing liquid, nicely perfumed, and when applied to the hands and face produces a delicious sense of coolness and comfort, exercising also a direct curative action. It is entirely free from the sticky quality of glycerine and the greasy nature of camphor ice or cold cream. To those who are unable to use glycerine, from its irritating effect, Philodermis is a necessity. Those who use it have a beautiful complexion. It is harmless as milk. Sold by druggists everywhere. Price 25 cents.
