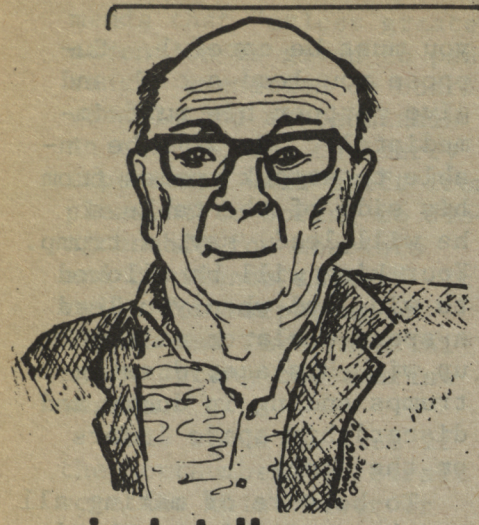
Hockey Team Outbanked by Dalhousie- Weekend Ruined



jock talk

mickey place

Dalhousie 5 Panthers 3 We'd like to suggest to Coach Kane that the next time that Panthers contests are scheduled for the oddly contoured Dalhousie Rink, he should give his goalkeeper and defensemen some time in the nearest poolhall studying bank shots. On Friday night the Tigers beat us with a come-from-behind surge that was featured by three pucks that came bouncing out of a corner or from behind the net to rest momentarily in front of a throughly confused Snags MacInnis before being propelled into the net by a waiting Tiger, obviously aquainted with this phenomenan. This is not intended as an alibi but just as a description of the way things happened. They put the puck into the net on five occasions while we managed this, the object of the game, but three times. We held the territorial advantage throughout and outshot Dal 36-24. Joe Filipponi opened the scoring in the first period and Ray O'Donnell made it 2-1 in the second. In the third period Lornie Carmicheal made it close but another Dal caroom shot (it was someting like table hockey) put the game out of reach. Lornie's goal was a peculiar one which came after Phil Clayborne and Carl Trainor played footsie with the Dal goalposts before it ended up in the net. Dal argued strenously that it should count as 3 in football but they said it was place kicked between the posts and should be 0 in hockey. Ed Hilton please note...this boy MAY be good material next fall. Inasmuch as the team felt this was a game which should have gone into the win "win" column, the trip down to Acadia was Morose. Panther 8 Acadia 3 Grim dtermination was evident in our heros' mien as they took the ice against Acadia on Saturday afternoon (Another odd shaped rink). From the opening face-off it was quite evident that the Axe-men were stressing a hard-hitting (but clean)plan of play in an effort to slow down what should have been a weary opponent. The Panthers however, appeared to thrive on the rough going and led, by periods, 2-1, 7-1, and a final 8-3 while holding a shooting advantage of 48-35. Goal scorers were led by Carl Trainor's two while singles went to Lorne Carmicheal, Lennie Kelly, Gerry McCarron, Wayne Bernard, Dan Lessard and Joe Filipponi (who again got the first one) Terry Devine suffered an injury to his achilles tendon and had to sit this one out and Gerry McCarron had to miss part of the third period due to a recurrence of his old knee injury. Neither is expected to miss practice this week.

The nod for stardom on Saturday went to Joe Filipponi, Ray O'Donnell and Wayne Bernard while Carl Trainor, Gerry McCarron and Daniel Lessard caught the judges' fancy on Friday.

The trip home was jolly, relaxed, and carefree...it is much more fun when you win than when you lose!

We'd like to advise that Student Union will again sponsor a bus to shuttle between the Marion Parking Lot and the Forum between 1:00 and 2:00 next Sunday afternoon for the U.N.B. hovkey game. Last time we got a terrific amount of abuse when something went awry ....we aretold that the bus driver forgot....so we have asked the S.U. Vice-President Tom Hayward to make the arrangements...so we do not expect another mix-up....but IF something should happen go ahead and pick on him.... however we advise you to be careful....he's big.

Somw years ago college students used to stage contests to see how many of them could squeeze into a telephone booth or a Volkwagen. We think for the latter, the record was 20. Something similar to this seemingly senseless fad could concievably be revived this year at U.P.E.I. if the present, or some similar, mwthod of restricting gym packing is not successful. What we mean to point out is that Gary Heald has a team which really has the whole campus interested in basketball....enthusiasm is at an all-time high. Unfortunately, spectator facilities are, to say the least, inadequate. Putting the games into the rink might be an answer. We'd like to see a game with the contestants gamboling about in fur coats. Another U.P.-E.I. first????

Friday night the Panthers had their home opener and made it a successful one with a 76-69 win over a stubborn U.N.B. Red Raider team which refused to give up although trailing by small margins throughout the game. We led 38-32 at the half and with but five minutes left to go had but a two point margin. The stalwarts, Mark Vickers, Bronx Feighery, and Art Laffin pulled away the win for us. Scoring for U.-P,E,I, were hardworking Jamie Ballem with 8, Kevin Feighery with 5, Tom Hibbert 11, Tom Kappos 6, Lloyd Pullen 10, Mark Vickers 9, Gary Young 2, and Art Laffin leading with 25. In rebounds Tom Kappos was the winner with 12 then came Art Laffin with 8 while Kevin Feighery had 6 assists to help us win.

Saturday night the Alumni basketball team played their annual contest with the Panthers and, considering the age and waidtlines, made a very credible showing dropping a close one to the tune of 118-87. In discussion with coach Ron White he claimed that his charges ran out of time, just when they were catching up and wonders if there was any collusion between the timekeeper and the Varsity. He did disclose that there are some players he hopes to spirit away from Gary Heald for the next and succeeding games. We are impressed when he told us this was his first loss...until he inadvertantly let it slip out that it was also his first attempt at the job. Better luck next year Rob... keep up the fair work. High scorers for U.P.E.I. were Gary Young and Mark Vickers with 24 each, for the alumni were John White with 14 and Mike Sullivan with 13.

On Sunday afternoon we outscored the U. de Moncton 97-54 with the regulars spending a lot of time as spectators. We led at the half 59-29. High scorers for U.P.E.I. were Anson McLaughlan with 16 and Lloyd Pullen with 14. These three games should have provided Lloyd with plently of competitive experience for the big game against Saint Mary's on Friday. For anyone who isn't able to get into the gym, Radio 700 will carry the game with lots of information and it will be ALMOST as good as being there.
