The Jews in Russia.

EXHIBITION prize lists can be had at my office to-morrow, Friday.—A. McNeill, Sec'y.

MEETING.—There will be a special meeting of the Caledonian Club of P. E. Island this evening at 8 o'clock.

VERY PLEASANT.—The railway officials picnic at Midgell yesterday was thoroughly enjoyed by those who attended.

EPWORTH LEAGUE.—A full attendance is requested of Epworth League to-morrow evening, at 8.30. Important business.

VALUABLE SHEEP KILLED.—Thirteen of fourteen pure-bred sheep were killed by dogs at the Government Stock Farm last night.

MUSIC IN THE GARDENS.—St. Peter's Boys Band played to a large audience in the Gardens last evening. The Citizens Band will be on hand this evening.

FOUR HOURS.—From Sackville to Charlottetown. This was the actual running time of the Excursion Party by way of the Capes, yesterday. Make a note of it.

L. O. G. T.—Charlottetown Lodge, No. 1, meets to-night at 8 o'clock for installation of officers and other important business. Full attendance requested.—D. A. McRae, Secy.

SABBATH SCHOOL PICNIC.—The Baptist Sabbath School Picnic Committee will meet at the Sabbath Schoolroom to-morrow (Friday) evening at 8 o'clock sharp. A full attendance is requested.

LEFT POINT DUCHENE.—The steamer Princess of Wales left Point DuChene to-day at 2 o'clock, p. m., local time, and arrived at Summerside at ten minutes past 5. Sir John and Lady Macdonald were among the passengers.

CIVIC.—At an informal meeting of the City Council this morning, a committee was appointed to draft an address to Sir John Macdonald. The address will be passed at a meeting of the Board, to be held this evening, and will likely be presented to-morrow.

LEGISLATIVE COUNCIL ELECTION.—In the returns for the first electoral district of Queen's County, published in THE EXAMINER, recently, the vote polled at Westville (Campbell 85 and McLean 29) should be Collett's Mills, Campbell 88 and McLean 29. Good for Collett's Mills!

SIR JOHN'S VISIT.—Sir John Macdonald and Mrs. Macdonald, with Mr. Joseph Pope and others, will arrive this evening by special train from Summerside. If the steamer arrives at Summerside at the usual hour the train will probably be here by 7.30 o'clock. We understand that the special meeting of the Caledonia Club this evening is called for the purpose of presenting an address to their fellow-clansman Sir John A. Macdonald.

THE EXCURSION.—A special train left this city at 12.30 standard, this afternoon, for Cape Traverse, with the excursionists who arrived in this city yesterday. They will cross by steamer to Tormentine, and will take the N. B. and P. E. I. regular train to Sackville. At Sackville they will connect with fast trains to Montreal and Halifax. The run from Sackville to Charlottetown yesterday was made in four hours actual running time.

THE MONCTON SCOTT ACT CASE.—An application was made Tuesday to Mr. Justice Palmer for a rule nisi to set aside the conviction of William Armstrong, who has been fined \$50 by a Moncton court for buying liquor contrary to the Scott Act. The rule was granted, returnable next term, but Judge Palmer took occasion to express his personal opinion that the conviction was sound.

CALEDONIAN GATHERING.—The Caledonian Gathering at Dundas yesterday passed off very pleasantly. The weather was excellent and the attendance large. In the pole-vaulting, Mr. James McEachern, of this city, came off victorious, defeating six competitors; and the hammer-throwing, hat and hurdle races, etc., also were well contested. We must congratulate the Caledonian Club of Dundas on the success of their first gathering, and trust that they will see their way clear to make it an annual occurrence.

SHOT AT A CHARIOT.—Mr. Mark LeBlanc, of the Paisley settlement, parish of Moncton, was married recently, and on Monday night some of the spirits of the neighborhood assembled to charivari the newly married couple. It appears, also, that some of the serenaders were animated by something more than fun, as they were on hand with loaded guns. When Napoleon LeBlanc, son of the groom, went out to protest against the vigor displayed by the serenaders he was set upon by the crowd and roughly used and beaten, and while standing near the door of his home, was met by a musket bullet which ploughed a piece out of the upper part of one ear, the bullet going out through his hat. He had the ear repaired in Moncton.

NARROW ESCAPE FROM DROWNING.—Although yesterday was so very warm there was a fresh breeze blowing in the harbor all day, rendering sailing a risky matter. As an old man named Dan McEachern was sailing up the West River about four o'clock his boat capsized off McGee's Point, the first prominence west of Rocky Point Wharf. Robert Mutch and his brother Wallace, who happened to be swimming their horses near by at the time, seeing the accident, made all speed, manned a boat, and in a short time had the unfortunate man safe on shore. Thanks to their prompt action and other assistance rendered by people brought to the shore by news of the accident, the old man was soon on his way to Rocky Point looking for his boat ready to venture again on his journey homeward.

THE COLOR LINE.—Rev. A. W. Jordan, the pastor of Cornwallis St. Baptist Church, Halifax, has called at the Amherst Press office and made the following statement: On July 26th, he was on his way home from Boston travelling by the I. C. R. as a first class passenger. Reaching Amherst he went into the Railway Dining Saloon and sat down to his dinner with his fellow travellers. Some one in charge of the restaurant ordered him to leave the table and offered him his dinner in another part of the room. Refusing to do this the reverend gentleman was ordered out of the restaurant and was compelled to go without his dinner. To-day again he took a friendly witness and seated himself with the other passengers at the table and was again refused his dinner but was told that if he would take another table apart from the other guests he would be served. Mr. Jordan states that he will at once bring an action against the

The Jews driven out of Russia did not enjoy either freedom or toleration. One of the worst features of their persecution was the restriction put upon education. Jewish students in Russia could form three per cent. of the total number, even in places where the Jews formed only seventy-five per cent. of the total population, while the number of children allowed by law to receive elementary education in schools was only five per cent. of the total number attending such schools. The Jews were prohibited from holding arms or acting as agricultural administrators, and those who inhabited villages were not permitted to migrate to rural districts.

THEMOMETER READINGS.—The mercury in the thermometer at A. S. Johnson's Drug Store stood at 78° in the shade this afternoon at half-past three o'clock. The same thermometer recorded 84° in the shade yesterday.

FATAL ACCIDENT.—The Moncton Times says: A fatal accident occurred on the Intercolonial Railway at St. Simon, on Saturday. It appears that near the latter place a boy about twelve years of age got on the rear platform of the Pullman car of the up express evidently to steal a ride, and remained there until about a mile and a half west of the station, when he jumped off. The train was going at the rate of thirty miles an hour, and the unfortunate youth was pitched headlong to the ground, rebounding into the air, and falling back a corpse.

A depression has been discovered in the Egyptian desert, which is all that remains of a reservoir constructed by the patriarch Joseph for irrigation purposes when he was Pharaoh's Prime Minister. It is proposed to re-open it, and it has been estimated that this would add 3,200,000 acres to the 6,000,000 now under cultivation in Egypt. The reservoir originally covered 250 square miles, and was 250 feet deep.

"I have had a delightful evening," he said, as he took his hat and rose to go. "May I call again?" "I shall be glad to see you," she replied with a blush. As he walked out into the hall, he saw in the mirror of the hat-rack a reflection of the roughish girl slyly throwing a kiss at him, and he turned back. "I must have that in the original package," he whispered. He was a Kansas man and he got it.

Mrs. Wellesley Vassar—"Why are you so dejected, Miranda? You have every reason to be elated after having taken the senior prize in classics; and your essay on deductive philosophy won the admiration of all the faculty. So well equipped a girl should—" Miranda Vassar—"That's just the trouble. How—how can I find a husband who is able to sew buttons on, and cook, and mind the the—oh!"—[Weeps.]

Fine Spectacles!

FROM ONE OF THE LARGEST AND BEST MANUFACTORIES IN THE WORLD, with accurately cut and polished Lenses of both Crystal and Pebble. We fit when desired the new ALUMINUM FRAME, being the lightest and strongest metal frame known, besides being non-tarnishable. Each eye tested separately when required, and the correct lense properly adjusted. Should your glasses, after a trial, be found to require some modification, as is possible even when fitted by the best known scientists—not through any defect in the Glasses but from some change in the eye itself—we shall always be glad to give prompt attention at our Old Stand, CAMERON BLOCK.

N. B.—Don't buy Spectacles of parties who promise their Glasses will cure all diseases that the eye is heir to. The material the lense is made of, if free from flaws and specks, is not so important a matter as the perfection of shape and polish. This we supply. june28
