

**YOU'RE DOING FINE!**

A reader has sent in the above sketch, signed Norman Rockwell, though we are inclined to doubt that it was produced by the famous Post artist. As is apparent, it is a scene following Exhibition Week in Charlottetown, showing one of our women forsaking the glamour of art painting for the more mundane but essential business of barn painting. We hope, when chores are done, she will return to the easel and her "old love" with a fresh zeal and vigour.
