### AN EXPLANATION OF THE MANNA OF MOSES

BALTIMORE, June 29.—Manna upon which the Jews fed while wandering in the wilderness with Moses, is explained by D. Paul Haupt, instructor in Semetic languages at Johns Hopkins University. Manna was a nutritive lichen like Iceland moss and the reindeer moss which in times of great drought and famine has served as food for a large number of men in the arid steppes of various countries stretching from Algeria to Tartary, Dr. Haupt declares. The edible lichens, he said, contained not only starchy substances but in some cases a small quantity of saccharine matter. It was prepared by grinding the lichen manna in querns or mortars, mixing it with the honey-like drops which exudes from the punctured bark of the tamarisk and baking this mixture.

BRITAIN TOO CROWDED NOTTINGHAM, June 29.—During a visit to Nottingham Sir James Mitchell, Prime Minister of Western Australia, said that in England there are too many people. Let them go out to Australia he said where there is elbow room for everybody. They will not be tagging great risks there.

### ADDRESS OF APPRECIATION AND PURSE.

A large number of people from Granville, Hunter River and Wheatley River invaded the Methodist Parsonage at Pleasant Valley on July 27th, 1922 to say farewell to Rev. Geo. and Mrs. Ayres. After a social hour Mr. M. Thomas Wignmore was appointed chairman. He called upon the recording Steward of the circuit, Mr. Clifford Carew who read to Mr. and Mrs. Ayres a very kind address of appreciation and Mrs. Donald Andrews presented them with a well filled purse.

Mr. Ayres thanked the kind friends for their words of appreciation and good wishes and well filled purse, and said if any good had been accomplished through them to God be all the glory.

A bounteous lunch was served by the ladies to which all did ample justice, then all joined hands and sang "God be with you till we meet again" after which Rev. Bruce Carew led in prayer.

Following is the address: To Rev. Mr. and Mrs. Geo. Ayres, Dear Brother and Sister,

As your term of service amongst us is fast drawing to a close we, a few of your many friends feel that it would not be proper to let you depart from us without showing some token of our esteem and appreciation for the past. For four years you have faithfully held the office of pastor and friend to us, your people, and we truly say it was well filled. Where there was sorrow you were the first to bring the balm to the broken hearted, and to show us God's will was best. In our success you were ever ready to rejoice when there was need or sorrow, to sup- ply the wants of life. But above and over all you were the good shepherd of God's people ever striving the lead the lost back to the fold.

Your lives have been an inspiration to us to work harder for God's kingdom. Now as you go forth to a new field of labor, we can only pray and wish that God's richest blessings may be upon you both.

Will you kindly accept this gift as a small token of our gratitude and good will.

With best regards for your future prosperity.

Signed in behalf of your friends NELSON CAREW WILLIAM COILEY WELLARD SELLAR
