Many of our readers will regret to learn that there has been a split among the Brighton Heroes—a section of the club having withdrawn to form another club to be known as "The Warriors." But it is reported that the Heroes will make a call for new men and soon be prepared as in the past to withstand the assaults of all those who may have the temerity to challenge them.

A match took place at the Park last evening between teams from the Y. M. C. A. and Prince of Wales College. Both were well matched and the play was about even during the first half. In the second half the Y. M. C. A. forwards played well together and worked the ball up to within a few yards of the college goal-line. Here some fierce scrumming took place. One of the college halfbacks, J. McLean, secured the ball and made a fine dash down the field and reached centre-field before he was "downed." The Prince of Wales forwards seemed to get new life and "rushed" their opponents. In a line out the ball was kicked over the Y. M. C. A. goal-line and J. McLean secured a try. No goal was kicked. The game thus resulted in victory for the college by 2 to 0. The game was a big surprise; the Y. M. C. A. made the best all-round play and should have secured a touch-down. But the unexpected happens in football as in anything else.

Charlottetown Athletic Association.

The annual general meeting of the Charlottetown Athletic Association was held last evening in the lecture room of the Y. M. C. A. The official reports for the expiring year having been read and adopted and other business attended to, the following officers were elected for the incoming year:

President—A. E. Ings. Vice-President—Dr. S. R. Jenkins. Treasurer—J. B. Dawson. Secretary—W. J. Stair. Executive Committee—Dr. H. D. Johnson, Lt. Col. J. D. Irving, J. McCarey, W. A. Weeks, Jr., L. M. D. nald.

The association commences the present year in a flourishing condition. It is purposed, now that the season is becoming unfit for "gym" work, to have out door sports such as football, baseball and cricket, besides work with heavy and light hammer, hurdle racing, flat races, etc., for some of which sports the material has already been procured.

The members will thus be enabled to further enjoy the benefit of being in the good "condition" which the past winter's association work has put them. The Athletic Association is a most worthy institution and we wish it continued prosperity.

Court of Chancery.

BEFORE THE MASTER OF THE ROLLS.

JUNE 1. The case of John Angus Macdonald against Ronald McKay and others, was resumed before the Master of the Rolls this morning. After some witnesses were examined on behalf of the defendants, Mr. Macdonald asked for a postponement of the further hearing in order to obtain the evidence of Mr. Ronald McKay who was too ill to be present. Mr. Stewart for the complainant asked whether any other witnesses were to be examined, if so he would oppose the application. Mr. Macdonald stated it was Mr. McKay's evidence alone which he required. The Court then allowed the application and the further hearing stands until Monday, the 27th of June, instant, for the purpose of hearing Mr. McKay's testimony.

TO FARMERS And Others!

Competitors Becoming Desperate!

COMPETITORS ARE BECOMING DESPERATE because we are doing the Clothing Business of Prince Edward Island and Charlottetown. They have our heartfelt sympathy. We would write them a letter of condolence, but we are too busy selling those Wonderful Cheap Suits to attend to them just now, but if they can keep up their courage till the first holidays, we will see what we can do for them. In the meantime, if they want to see us they will find us with a crowd of customers amongst the biggest pile of Clothing on Prince Edward Island, selling good honest goods cheaper than they can.

It is a Sad Thing that we sell Too Cheap for Competitors.

but we are bound to keep the people of this our native Province happy if selling goods cheaper than any white man will do it. We used to ask bigger profits than we do now, because we had to pay an unpopular firm half of our profits. We don't do it now, as we divide amongst Farmers and others. That accounts for us selling Clothing so cheap now. We have always tried to do the best we could for our customers, and we want no better evidence that the people are thankful than to know that our trade is increasing every day.

MEN'S, BOYS' & CHILDREN'S CLOTHING IS OUR SPECIALTY,

and we can knock spots off anyone, small or large, whose imagination runs high like his prices. We are boys from the country, but we get there all the same; and so will you, if you patronize

The Wonderful Cheap Men.

JUNE'S SALE WILL BE A GREAT ONE. We have not been imported to deceive an innocent people, but we stand in the front rank and call a halt to Shoddy and Misrepresentation. Our determination is to stand by Farmers and others, and give them the best value obtainable in Clothing and Hats. The firm who claim to stand by Farmers and others outrageously for years took 50 per cent. of the hard-earned profits of one of the farmer's boys. They are

No Game of Bluff

CAN KEEP US FROM DOING

THE CARPET BUSINESS!

SINCE WE HAVE OPENED OUR CARPET DEPARTMENT our trade has far exceeded our expectations. Our object in going into the Carpet business was to give people FAIR, SQUARE TREATMENT, and goods at the right prices. Now we claim, as our right, your patronage. You may ask WHY.

READ BELOW.

While our competitors for years were asking and getting \$1.55 and \$1.65 for 5-frame Brussels Carpet, and 36 cents for cheap Tapestry, we have sold our best Brussels for \$1.15, and cheap Tapestry for 25 cents per yard—never asking more—which goes to show that our competitors have been making an enormous profit out of the people. This cannot be denied. We don't believe in monopolies, and have been the means of breaking the Carpet business in two, and taking the largest half ourselves. Competitors may feel sore, but we can assure the public it is not from overwork. We wish our competitors well, but we think this explanation necessary. WE CUT YOUR CARPET FOR NOTHING, but charge for waste, and do all work in connection with HOUSE FURNISHING.
