British Boxer Wins Flyweight Championship

LONDON, April 25—(CP)—A 24-year-old London fruit peddler, Terry Allen, tonight won the British and European flyweight boxing crowns by outpointing France's Honore Pratesi in a bruising 15-rounder.

Allen held a 1 3/4-pound advantage over the 29-year-old Marseille hospital orderly who weighed 110.

In the early rounds, when he stacked up most of his points, Allen showed superiority. He effectively used his left-hand jab in thwarting Pratesi's efforts to make the fight a close-quarter affair.

The title had been left vacant by the retirement of Rinty Monaghan of Ireland.

Pratesi, who outpointed Allen in a 10-rounder here last May, was warned several times for holding by referee Moss Deyong.

In the fifth, the referee halted the bout, called the Frenchman to the ropes and had an inter-upter go over the rules with him.

The Frenchman didn't show much power. He opened cautiously and hid behind his gloves through most of the first two rounds. When Pratesi did take the offensive, Allen caught most of his punches with his gloves.

Pratesi's best fight was the eighth when he scored with a couple of stiff blows.

On the same card at Harringay Arena, Luis Romero of Spain, European bantamweight champion, retained his title by defeating Danny O'Sullivan of London when the referee stopped the scheduled 15-round bout in the 13th.

Romero floored the hapless Londoner 11 times before the fight was stopped. Romero scored 117-3-4 to O'Sullivan's 117-3-8.

Mr. Sandow, accompanied by his wife, arrived here last Thursday, and has already taken up his duties at the Belvedere Golf Course.

He comes here from the Yarmouth Golf and Country Club, Nova Scotia, where he was club pro last year, and brings with him a vast experience and knowledge as a golfer and instructor. He also gave instruction to several of the golf professionals there through arrangements with a syndicate of Lausanne. During the winter months Mr. Sandow gave broadcasts at Lausanne in French to bring the English element of golf into Switzerland. He also wrote articles on this sport in the Feuille d'avis.

Before going to Switzerland, Mr. Sandow was professional to the City of Newcastle Golf Club, Newcastle-on-Tyne, England, and also at Rhyll and the Caernarvonshire courses in North Wales. During the war he was Sports Officer in the R. A. F.

Brooklyn In 3-0 Shutout Over Braves

(By The Canadian Press)

Joe Hatten Tuesday shut out Boston Braves 3-0 with two hits, retiring 23 men in succession from the second to the ninth, for Brooklyn's fifth straight victory.

After Bob Elliott led off the second with a single, the Dodger left-hander mowed down 23 Boston hitters until he walked Connie Ryan with two gone in the ninth. Sam Jethroe followed with a single but both were stranded on Willard Marshall's roller to Hatten. Marshall collided with Hatten but was ruled out for interference.

Brooklyn ganged up on Vern Bickford for all its runs in the third. It was his first loss to Brooklyn.

The defeat, witnessed by 6,033 Boston fans, was the Braves' third after winning their first four. It was a clean sweep of the series by Brooklyn.

At New York, Leo Durocher's Giants, aided by some Philadelphia batter fingers, registered their first victory of the season, defeating the Phils 8-4. The Giants had lost four straight.

Larry Jansen, 29-year-old right-hand ace, went the distance for New York. He allowed eight hits, including a three-run homer by Dick Sisler in the sixth. Russ Meyer was charged with the loss. Jack Harshman and Alvin Dark chipped in with home runs to help Jansen to his first victory against one loss.

A night game between Chicago and Pittsburgh on the latter's grounds was rained out.

This writer had the pleasure yesterday afternoon of having a friendly and informal chat with Mr. and Mrs. Marc Sandow, the former the newly appointed Club Professional for the Charlottetown Golf Club, who arrived in the Province last Thursday to take up his position at the Belvedere Golf links.

Arriving at the clubhouse late in the afternoon, we found Mr. Sandow busily engaged in getting things in ship-shape for the forthcoming season, but were nevertheless greeted with a cheery welcome and a friendly handshake from the Swiss-born professional golfer. But he wasn't the only one who was busy at the task of putting things in order. His wife, a native of Birmingham, England, was also a willing helper, and extended a warm welcome, characteristic of the Old Country.

Mr. Sandow, a professional golfer since his youth, has a vast knowledge and experience to his credit. He has been a professional golfer in England and Western Europe, and has had the honor of instructing such European nobility as King Leopold of Belgium and his wife the Princess de Rethy as well as many other high dignitaries of Italy and other countries of Europe. Outside her domestic duties, Mrs. Sandow acts as her husband's personal secretary, and on our arrival at the Club yesterday, was seated at a typewriter doing correspondence work.

In addition to his accomplishments as a professional golfer and instructor, Mr. Sandow has had much experience in the repairing of golfing equipment and is skilled in the art of making clubs by hand, and will carry on such work this summer in addition to his other duties.

But what impressed this writer most was the genial welcome extended by the Sandows, who as total strangers to this Province, should have been the guests to such a welcome, rather than the hosts. The keenness and interest that they also show towards their new position, leaves one with no other alternative but to realize that the Charlottetown Golf Club is very fortunate to be able to procure the services of such a competent and friendly couple.

According to general talk in local boxing circles at the moment, local fans are due to see George "Big Boy" Peterson, Island heavyweight champion, and Pat Davis of Halifax, tangle in a challenge match in Charlottetown within the next couple of weeks.

As local fans will remember, the stage for the match was set here a month or so ago when Peterson and Davis became entangled in an unscheduled "fix" at the Whelan Memorial Hall during a card being staged there by promoters Poulton and Lund. The fracas started during the main go between Harry Poulton and Davis, when the latter took a couple of deliberate punches at Peterson who was acting as referee, and was endeavoring at the time to break up a clinch between the two fighters.

The incident caused quite a bit of excitement at the time, and had to be broken up with considerable effort by attending officials before the fight was allowed to be resumed. Poulton took a close, final decision on the bout, but the squabble was the cause of Peterson issuing a challenge to meet Davis in a bout at a later date, which was accepted by Davis.

Now local promoters who are in charge of the bout, tell us that the two boys will meet here in a couple of weeks time, and the forthcoming scrap is apparently creating considerable interest and speculation as to how the match will turn out. As a heavyweight, Peterson will hold a big edge on poundage over Davis who is only a middleweight of 158, but the Halifax scrapper is a hard, aggressive puncher, and can take a lot of punishment, and should be considerably faster than his 200 and some odd pound adversary. But whether this will make up for the lack of weight, it is hard to say, but certainly should make a rugged scrap with all factors considered.

Inter-Service Boxing Meet At Halifax

Marlboros Win Berth In Allan Cup Finals

TORONTO, April 25—(CP)—A Toronto club reached the Allan Cup finals for the first time in 18 years tonight as Toronto Marlboros won the Eastern Canada senior hockey title by defeating Sherbrooke Saints 3-1.

The victory, resulting from two third-period goals after Marlboros had nullified an early Sherbrooke lead in the second frame, gave the Dukes the best-of-seven series four games to two.

Hugh Bolton, a defensive mainstay for Toronto all season, broke the game with a screened shot from the blue line at 16:33 in the last period.

Don Rope and John McLellan assisted on the game-winning by Bolton. Rope passing from the Sherbrooke corner out to the blue line.

With 36 seconds remaining, the Saints pulled their goaler and shoved out six forwards in an effort to get the all-important tie goal. But Marlies held out and splendid work by Red Johnson, Dukes' centre, kept the Quebec senior champs in check.

Bernie Vinet opened the scoring in the late minutes of the first period when he beat Pat Boehmer in the Toronto nets. Norm McAtee and Bill Heindl assisted.

It was 18-year-old Danny Lewwick, much improved tonight after Sherbrooke's two straight wins during the week-end in Montreal, rapped in the tying marker in the middle period. George Armstrong and Rocky Sullivan assisted.

The Toronto club will leave for Western Canada within the next day or two to face Calgary Stampede in the Dominion senior finals.

There are four teams entered this year, namely Charlottetown Bowling Alleys, Rollaway Alleys, Holy Name Alleys from Charlottetown and the Capitol Alleys from Summerside.

A bowling trophy, donated by the Summerside Men's Commercial League, will be awarded to the bowler having the highest single string on the night's play. Reshuffle Finals For Intermediate Hockey Title

MONTREAL, April 25—(CP)—Frank Dillo, registrar of the Quebec Amateur Hockey Association, announced today a rearrangement of playoffs for the Eastern Canada intermediate hockey championship.

Under the reshuffling, brought about because of a successful protest, the Armed Services team of Halifax will meet Bagotville, Que., and Thurso Lumber Kings and Rouyn Flashes will resume a series that produced the protest.

Armed Services and Bagotville will meet Wednesday, Thursday and Friday nights, with Bagotville as the home club, in a best-of-five semi-final.

Meanwhile, Thurso and Rouyn will arrange to continue their series, with Rouyn leading 2-0 in games, in the other best-of-five semi-final.

Thurso had already won 3-2 in games from Rouyn and had played a 1-1 deadlock with Bagotville when Rouyn's protest was upheld by the Canadian Amateur Hockey Association. For using Maurice Gougeon, an ineligible player, Thurso's three victories are wiped out and Rouyn's two victories are left intact.

The two games split by Thurso and Bagotville also go into the discard.

Raschi Goes Route To Give Yankees 6-3 Win

(By The Canadian Press)

Vic Raschi Tuesday became the first New York Yankee pitcher to go the route, staggering home with a 6-3 verdict over his old Philadelphia playmates. The Yank right-hander has a 12-1 lifetime success record against the A's.

Playing without first-baseman Tommy Henrich, who suffered a recurrence of his knee injury in batting practice, the Yanks slammed Lou Brieske for 13 hits, five more than doubles. Shortstop Phil Rizzuto had a perfect four-hit day.

A chilled Philadelphia audience of 4,371 saw the world champs bite off a 4-0 lead in three innings. They had to fight to hold it the rest of the way. Raschi, nicked for 10 hits, was helped out of trouble by three double plays.

National Boxing Ass'n Gives Quarterly Ratings

By JOE IVES
 WASHINGTON, April 25—(AP)—The National Boxing Association said today it will insist that all champions in the future defend their titles within six months against top-flight opponents.

President Fred J. Saddy, in announcing the quarterly ratings, declared the 47-state organization is going "to effectuate a program of enforcing a six-months title defence by all champions with equal insistence that contenders prove their right to title opportunity against each other rather than against inferior opponents."

The N.B.A. then proceeded to list who should fight who, with their ratings.

The ratings contain only 14 logical contenders for the eight crowns. No top contenders are listed in the heavyweight and welterweight divisions.

Montreal's Johnny Greco is given an honorable mention in the latter division.

Only other Canadians in the ratings are Arthur King of Toronto, ranked an outstanding boxer in the lightweight division and Solly Cantor, also of Toronto, given honorable mention in the same division.

The top ratings:

Johnson's Win Bowling Trophy

Last night at the Y. M. C. A. Alleys, Johnson and Johnson's Drug Store won the Druggists and Clerks bowling trophy, emblematic of the city championship, in a hotly contested and highly spirited battle.

It was the thrilling climax of a two-game, total-point-final series between Johnson's and Worthy's, the former winning the round by eight points to two. Plans are now being made to hold the annual banquet, at which the trophies will be presented.

Says People Becoming Conservation-Minded

MONTREAL, April 25—(CP)—R. S. White, past president of the Quebec Federation of Fish and Game Associations, said today the tide of thoughtless destruction of Canada's natural resources of forest and stream has begun to turn.

Addressing the Rotary Club of Montreal, he said there is still a long way to go, if Canada is to conserve successfully its biggest attractions for visitors and residents alike.

He said the Quebec Government is anxious and will co-operate in any measure that has public backing but there is a dangerous trend in Canada to delegate too many responsibilities to the government.

Mr. White said hunters and fishermen are the most lucrative tourists and spend more per capita than any other class of tourists.

Mr. White denounced those who wantonly kill fish and game and do not respect laws. He said the provincial government, in co-operation with the federation, is doing much to check the illegal sale of fish and game.
