

THE SEAT IN THE CABINET.

Who is to Blame for Depriving P. E. Island of her Minister?

If Mr. Perry speaks the truth, the Premier is not so much to be blamed for depriving Prince Edward Island of representation in the Cabinet as her own representatives in Parliament. It appears, from what Mr. Perry said, that not one of them would take the seat. Their private interests, their ambitions, their inclinations did not lie in the direction of a seat in the Cabinet of Canada; and so Prince Edward Island was robbed of an important privilege!!

The Attorney General of England on Reciprocity.

At a public meeting held in Preston, England, on the 2nd inst., the Attorney General of England said:—

"He hoped that before long better times would return, that the glut of the old markets would be removed, and new markets opened. He knew not whether the evil having any political source, but he could not help saying, even at the risk of being pronounced for his declaration a stupid old Tory, that much mischief had been occasioned by the firm determination which had in recent years been evinced to BIND THIS COUNTRY TO A POLICY OF FREE TRADE, WITHOUT TAKING CARE THAT THE PRINCIPLE OF FREE TRADE SHOULD BE EMBRACED ALSO BY OTHER COUNTRIES WITH WHICH WE HAD TRADE TRANSACTIONS."

It seems that Old England wants Reciprocity. How, then, can young Canada live without it?

REV. M. R. PARADIS and lady, of Grand Falls, N. B., arrived in this city on Saturday last.

THE witness William Cumings, is not the person of the same name who is employed as an engineer in one of the Steam Navigation Coy's steamers.

THE brig, Marshal S., Cameron, master, owned by Mr. P. Foley, arrived at Boston from Barbadoes on the 24th inst., with a cargo of molasses.

AT McKenzie's lecture, on Wednesday evening, an original Poem, written by a member of the Temperance Reform Club, will be recited by Mr. G. W. Millner.

LET it be remembered that McKenzie gave his "heartly support" to Workman, who wants a 30 per cent. tariff and prohibitory duties levied on United States goods.

THE steamer Venezia arrived from Montreal this morning, with a cargo of 950 lbs. flour, 10 rolls leather, 60 bales paper, 20 crates crockery, 11 cases hardware, and sundry other goods.

THE Patriot's statement that Liberal Conservatives want Protection as applied and carried out in the United States, is untrue. So is the statement that the Grits are all Free Traders.

THE Island Organ of the "Organized Hypocrisy" boasts in the "success" of the "Grit meeting" in Summerside. May we ask why an attempt was not made to nominate the Grit candidates?

THE quarterly meeting of the Caledonia Club will be held in St. Lawrence Hotel on to-morrow (Tuesday) evening, at half past seven o'clock. As there is important business to be transacted at this meeting, a full attendance of members is respectfully requested.

WE have been informed, on good authority, that the witness Cummings did not escape from the custody of Deputy Sheriff Sweeney. The person from whom we derive this information saw the witness on board of the steamer on her departure from Summerside on Saturday morning.

A CORRESPONDENT of the Patriot writes: "It is said that the School Board have sent Mr. T. Alley on a mission to the States to purchase heating apparatus for the new school. Before doing so I think it was their duty to ascertain what they could do in that way at home, as I believe they can save money and get all they want here. I am a thorough Free Trader, but want to see our own men patronized when money can be saved by doing so. But the moment our manufacturers are more for their goods and cry out protect us, then I say 'No, we will deal with you and give you the preference so long as you sell as low as others.'"

AN altercation occurred on Queen street, on Tuesday last, between two young females. Apparently it did not end satisfactorily, and they appeared before the Stipendiary this morning for a final settlement. The altercation originated as follows: No. 1 met No. 2—the defendant—at the Orange Hall, where No. 2 called No. 1 "Hairy Boo." No. 1 did not like this, and she retorted, "Your mamma's demise was caused by the use of strong beverages." This was rather much for No. 2 to bear. She became enraged, and with one blow, upset No. 1 on a doorstep. The blow was returned amid a shower of nasty names, after which No. 1 made a dash for the Police Station. The case was dismissed.

THE majority of our citizens were yesterday asleep while the Patriot's staff was attending courts, cricket matches, "set-to's," fires, and

witnessing larcenies. Doubtless the morality of our flourishing little city is fast decreasing: Courts of law sitting on the Sabbath; most respectable citizens playing cricket on Victoria Park; young men fighting, bellowing, and causing disorder on our public thoroughfares, and dusty denizens of the West robbed while fitting on their Sunday vests. A frightful state of affairs, and the citizens paying taxes for sixteen police! This morning's issue of the Patriot contains an account of a cricket match, a larceny and a "set-to," all of which took place yesterday, Sunday. It leaves no doubt that the Stipendiary Magistrate's Court was sitting, as it publishes a report of yesterday's proceedings in this morning's issue. It also contains a gushing description of a fire which took place this morning (poor Mr. Power must have lost two houses), and winds up with the astounding statement that the mare "Fairy" only took one heat at Upon Park races on Friday, while the "Princess" took three and won the race. Notwithstanding, the Editor and three of the Patriot's reporters were present at the race.

MR. A. B. MCKENZIE acknowledges the following sums collected by young Ladies of Zion Church Congregation for the Home and Foreign Mission of the Presbyterian Church in Canada, viz:—

Table with 2 columns: Name and Amount. Includes Misses Annie Campbell and Manie McLeod (\$3 94), Misses Maggie Lawson and Eliza Webster (23 65), Misses Alice McRae and Adelaide Tanton (13 85), Misses Adeline Fowle and Janie Shaw (12 45), Mrs. Wm. Mutch (7 00), Total (\$99 89).

BOWLING MATCH.—The match game of Ten Pins, between eight of the Charlottetown Reform Club and a Summerside eight, came off on Friday last, and resulted in an easy victory for the Summerside men—they winning three straight games. Two single and one double-hand games were played. The score stood:—

Table with 2 columns: Game and Score. FIRST GAME: Charlottetown 324, Summerside 324. SECOND GAME: Charlottetown 280, Summerside 344. THIRD GAME: Charlottetown 287, Summerside 341.

THE plankways throughout the City are at present very "holey"—not sacred—and numerous accidents are daily occurring. Yesterday morning, as the children of the Convent de Notre Dame were proceeding from early Mass, a little girl inadvertently thrust her foot into a hole in the platform, a short distance from the corner of Great George and Sydney Streets. Her boot was size three-and-a-half; the hole was size three of the same measurement; and she was thus fettered by the foot to the platform. Numerous attempts were made to release her; but for twenty minutes she remained a prisoner to civic neglect, after which time the boot was loosed, and the foot, with much difficulty, worked out of it. If new planks are not obtainable, we suggest that such dangerous places be filled with clay.

VICTORIA PARK is becoming a place of popular resort. Thousands of citizens enjoyed the fresh air there yesterday. Among the various parties who celebrated the Queen's Birthday on the grounds, not the least interesting were the two classes in the Public Schools, under the teachership of the Misses Lawson. A group of children enjoying themselves is one of the most pleasing sights. The Park affords facilities for such enjoyment, which, we are sure, will be appreciated by parents. There seems to be a general agreement in the opinion that too many trees have been cut away. Perhaps, however, it is yet rather too soon to criticise the work of the Park Committee. We suggest that a Policeman be detailed to keep rude, gawking young men—old enough to have more respect for themselves—from sitting upon the fences and calling out "Isn't she pretty," etc., as young women pass by.

The matter was so complicated that they were all dismissed; Jno. Goodnough, James Haffey, Christopher Owen, and Michael McAdam, were fined \$2 and costs or 8 days, for being drunk and incapable; Jno. Brogan; drunk and disorderly, was fined \$6 and costs, or 1 month.
