

EMPLOYMENT OPPORTUNITY

POSTES À POURVOIR

Hello! Here we are again - another week gone by. Where have all the days gone ... Gone to Recruiters everyone?!

I had better update everyone on National Recruiters left to come before I begin on other matters. And it looks like that will be it for this fall. HOWEVER, as I indicated last week, we have many more resources available and we can get busy after this semester digging up local recruiters.

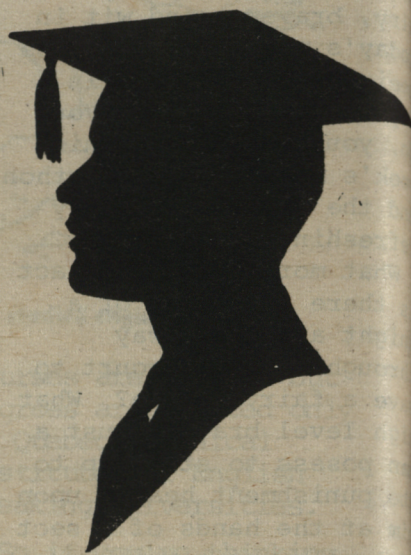

- Nov. 13 - Deadline for applications for Provincial Auditor.
- Nov. 15/16 - Toronto Dominion Bank.
- Nov. 16/17 - Bank of Montreal - Interviewing pre-screened applicants.
- Nov. 16 - Gov't of Canada - Interviewing selected applicants.
- Nov. 22 - Zellers Ltd.
- Nov. 23 - Royal Bank (2nd Interviews).
- Nov. 29/30 - Bank of Montreal (2nd Interviews).
- Nov. 30 - Canada Packers
- Dec. 1 - Deadline for applications for Bank of Canada. Interested in BBA or B.A.(Economics).

Oh yes, now I need some input from all of you. The Provincial Government has extended an invitation to come to UPEI to have an open session covering careers you might be interested in. These will not be interviews but rather information sessions with resource persons from the various departments there. I need to know what you are interested in. I will have a list of the various provincial departments in our office. You might want to drop in, look it over and indicate your choice(s). Then we will do our utmost to have them on campus. On the other hand, if none of you show an interest, then I shall just forget about the whole thing. That would in fact be easier, come to think of it, however I really would prefer to make it available to you. The Royal Canadian Mounted Police and the Armed Forces have extended a similar invitation to come on campus. Please drop in and leave your name if you would like to know more about either of these.

Can you believe I have to mention summer employment already? The National Research Council invites applications from first class honour students in Science and Engineering for summer positions in its laboratories. Deadline for application is November 22, 1978. We have the applications right here at CMC on Campus so please don't leave it until the last minute.

Am really glad to see Seniors dropping in to meet with us. Please continue to do so.

Suzanne deJong.
