Miss Joan Johnston, Montague, intend to more practical buyings?

However, our debts must be our first consideration... our board, which if it was no more than we have since on occasion paid for a meal, was nevertheless a formidable sum to be reckoned with in the face of our pay. We smile now when we overhear a teacher complain about the smallness of her grant or supplement not that we would have her receive less, but to compare it with the hire paid in those bygone years.

And did we earn a watch of our own? Certainly — but it was not among our immediate buyings, though we acquired one that year. What was it like? ... Buildings, deletions and adjustments there is rain on the roof, and against the windows with the darkness, and James has been calling in a voice a bit lonely "Come and talk to me, Ellen!"

Until tomorrow — Diary — Good-night...

The first cheque? How fondly it was anticipated! And, "what shall we buy with it" was the engrossing question. How many reckonings, deletions and adjustments must be made in mind to have revenue and expenditure meet! Should we or not purchase this or that item long hoped for to bring about the fulfillment of some precious dream? Or must we at-

month, although occasional storms provided spells of sleighing. But if it lacked the drifts we expected in those years, it had its share of frost. In fact among our lasting recollections, we can still feel the thud of our rubbers on the hard surface of the road as on a bright hard but invigorating Friday afternoon we pit-pattered off on foot to meet the team somewhere along the route, which bore us over vale and hill to home.

Souris Branch Plans Clinic

Mr. Bruce Stewart, Chairman of the Blood Donor Committee of the Souris Red Cross Branch, is making all the arrangements in connection with the Blood Donor Clinic to be held in the new St. Mary's Parish Hall on Friday evening, August 31st, between 8 and 10 P.M. The objective for this clinic is at least 100 donors from Souris and the surrounding districts. Mr. Stewart expressed the hope that this objective would be reached, and perhaps surpassed if everyone in the locality who is in good health and between the ages of 18-45 would take this serious matter of providing blood as a personal one.

Murray Harbor North and Vicinity

The Murray Harbour North Women's Missionary Society held their annual meeting, Sunday evening. The service which was very largely attended, was conducted by Mr. Hugh Nugent, student minister, with Dr. James D. Robertson, of Wilmore, Ky., as guest speaker. Dr. Robertson, preached an inspiring sermon, taking as his text, "And seeing the multitude, He was moved with compassion." The hymns were "The Lord's My Shepherd", "Father in High Heaven Dwelling", "From Greenland's Icy Mountains", and "God Be With You." Solos "Calvary", and "The Stranger of Galilee" were beautifully rendered by Mrs. Robertson.

Friends are sorry to learn that Mr. Benjamin Clow is a patient in the King's County Hospital. Mr. Clow had the misfortune of falling and fracturing several ribs. All join in wishing him a speedy recovery.
