Injuries Prove Fatal To Alberton Fire Chief

ALBERTON — Stephen M. Burke of Alberton passed away in the Prince County Hospital yesterday afternoon as a result of serious injuries sustained Wednesday afternoon while he was helping to launch a boat at Alberton South.

The younger son of the late Mr. and Mrs. S.R. Burke was born at Alberton 45 years ago and was a lifelong resident of the town. He took an active interest in civic affairs and was generous of his time and abilities to the welfare of the community.

He had served as a member of the town council for six consecutive years. At the time of his death he was serving a second term as chief of the fire department and under his guidance it functioned most efficiently. He was also chairman of the elementary school board.

Some years ago he engaged in fishing. More recently he operated a garage and was well known as an expert mechanic. Last year he started a small plant for the manufacture of concrete blocks. He had the contract for building Alberton's new fire hall which he is at present under construction.

Stephen Burke was a man of deep thought and sound judgment. He was also a lover of nature, having a keen interest in his wood lot and his garden. He was instrumental in having the town's first small flower bed planted in a public place and also in erecting the first Christmas trees to be placed on the streets.

He had many friends and the entire community of Alberton is saddened by his death.

He is survived by his wife, the former Margaret McNeill to whom he was married in 1944, and three children, Mary, 10; Anne, 5; and Stephen, 2. His only brother, Milo, preceded him a number of years ago.

Funeral arrangements will be announced later.
