

King's County Ball League Providing Great Excitement

By ED CLINTON
Souris Bureau of The Guardian

What things first. In last week's column we stated that Mount Stewart defeated Peakes Bombers. This was incorrect. The Bombers walloped the Rovers 12-4. This change in the results left Peakes undefeated in their first two starts, and left Mount Stewart winless in their first two games.

On Sunday afternoon, the Souris B. Mary's edged Georgetown 11-10 in an exciting game. The game was played mostly in drizzling rain, resulting in more balls than usual number of walks, wild pitches, passed balls, etc. When they had a dry ball, the pitchers showed good control, and quite possibly might have cut the scoring in half under better conditions.

The defensive star of the game was a fifteen year old third baseman of the Georgetown team. He played a swifty game throughout, but in the fourth inning came up with two sensational catches to end a Souris rally. He also looked exceptionally good taking the catcher's throw in mob runners trying to steal third.

ARE STANDOUTS

Two other players that stood out were Eugene Dugas and Dutch Chevere of Souris. Eugene played a strong game behind the plate, but was in his glory beside the plate. He picked up three hits, in six trips, scored one run and had five RBI's. Dutch had a good day at the plate, getting two hits in three trips, scored two runs, picked up two walks and had one RBI. He relieved as a pitcher in the fifth inning, pitched steady ball, and with two in the bottom of the ninth, two runners on base, he struck out the final batter to end the game.

Teams have one advantage this year that they never had before. A meeting of the league executive is set for the 15th of this month, which is also the registration day. In past years, there was usually at least one game that was late in registration. This year, there will be no excuse for that to happen. Meet at 8:30 p.m.

EAT CROW

Anyone ever eat crow? If you didn't, then don't. It does not taste good. It is horrible, etc., etc.

Last week we stated that the Beantles wouldn't have any trouble beating the Spauldies for the Souris Mixed League Bowling title. They didn't have any trouble, LOSING. We are not going to attempt any alibi. Alibi wouldn't believe them anyway. After losing the first game, the Spauldies came roaring back to take the next three and the championship. Members of the new champs are: Orelia Walsh, Donnie LaBreech, Katherine Lavin, Melvin LaBreech, Mr. and Mrs. Cyril MacDonald. Congratulations champs, and yes Alibi, it hurts.

One major issue that will come up at the meeting this month of the King's County Baseball

Belmont Stakes Goes Saturday

NEW YORK (AP) — Nine horses are considered certain starters Saturday in the 94th Belmont Stakes, with two trainers scouting around for riders and Roman Line still a questionable factor.

The \$125,000 added event at Belmont Park, run once-around the 1 1/2-mile oval, has the best balanced field in many years and will go far toward pinpointing the three-year-old champion.

For the first time since 1956 squid will not have seen all the players in action. It should be quite an interesting prospect.

a Kentucky Derby and Preakness winner will clash. El Pezo Ranch's decidedly, the grey California colt, was the Derby at Louisville May 5 in record time and will try to repeat at Belmont Park. Brandywine Stable's Greek Money, winner of the May 19 Preakness in Baltimore, tries to make it two straight in the final of the triple crown classic.

David K., owned by Louis Wolfson's Harbor View Farm, is without a rider. Jockey Ismael Valenzuela drew a 10-day suspension Monday from Delaware Park stewards. David K. is a \$5,000 supplementary non-linee in the race.
