

Back Stretch

Continued from page 6

E. Small, Hantsport. His time was 2:14 1/5. Gould also won with Hyland's Pride in 2:19 3/5. The trotter Clipper Dale, owned and driven by H. Wisener, Picton, won race No. 2 in 2:17 1/5.

At Presque Isle, Me., last week, Frank Adams, a three-year-old bay gelding by Watchin' 2:06, won the D.D. Trot in 2:20 2/5. . . . At Bangor, Me., Abner Britton won the A. Pace in 2:11. . . . Rosa Budlong, a 10-year-old mare by Calumet Budlong, won the C. Pace in 2:17 and Private George, 2:02, owned by Simonson Bros., won the Classified Pace in 2:09 1/5. Janette Dale, formerly owned by Willard Kelly, was 2. Time, 2:09 1/5. The Two Year Old Trot, purse \$1,000, was won by Watchin's Julia, a bay filly by Watchin' with 1-2, Lusty's Gaiety Girl by John Frisco, owned and driven by Bob Ryan, was 3-1. Time, 2:22 4/5, 2:22 1-5.

At Bay State Raceway, Colonel Dan, owned and driven by Bob Ryan, won the B.B. Pace, purse \$600, time, 2:10 1/5. . . . A three-year-old owned by Bob was third in the B. Pace in 2:09. The C. Trot, purse \$500, was won by Old Orchard, a nine-year-old son of Kalmuck 2:15 1/2, time, 2:10 2/5. . . . Wouldn't we like to have this trotter down in Charlottetown? In the 2:25 Pace, purse \$800, Clara Clegg by Abner T. Clegg, won in 2:15 and Jolity Girl was 2nd in the 2:30 Pace in 2:15. The 2:24 Trot, purse \$500 was won by Arch's Easy Flo, driven by Danny Steele, formerly of Summerside, in 2:14 4/5.

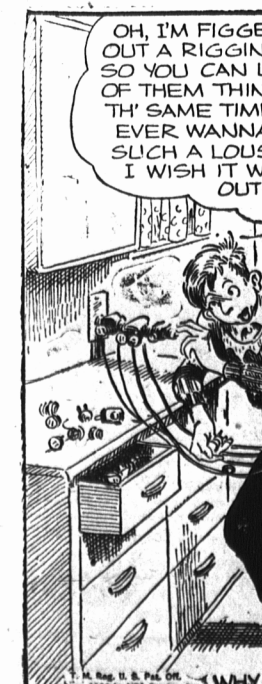

In looking over the summaries of the Truro night races on Thursday evening last week we found that no less than five horses took new records and one horse equalled his mark. Bonnie Clegg in winning the first race lowered her record to 2:22 4/5 and later in the night in winning the 4th race for owner-driver Earle McCulloch, paced in 2:21 2/5 for a further reduction. . . . Shippy Budlong, Calumet Budlong, owned by Dr. McLean of Westville, and driven by Buell, won the 3rd race in 2:13 3/5. His former record was 2:15 1/5. Second to him in that good mile was Mason's 49 and third was that good trotter Luscilia 2:13. It was the fastest mile of the night. Hyland's Pride, owned by W. Gould, Amherst, and driven by A. Gould, won the 5th race in 2:18 4/5, a one second reduction in record. Second was Coal Dale 2:17 by Playdale and third, Baron 2:11, owned by Roy Kidney. Raymond Brewer in winning the race for Frank Kennedy of Truro, lowered his record to 2:20 3/5 and Clipper Dale, a trotter by Playdale, owned and driven by H. Wisener of Picton, in winning the 7th race, equalled his record of 2:16 4/5. Truro track certainly holds the laurels for new and reduced records made this season.

Last Monday night's racing at Woodstock had the following winners:—1st and 5th races were won by Victory Belle, owned and driven by R. E. Hamilton, best time, 2:17 1/5. Sailor Hanover (Beers) was 2nd in the first race and Lucky Spencer (MacArthur) second in the 5th race. Steamboat, owned by Fred Johnson, Easton, Me., won the 2nd and 6th races best time 2:18 2-5, with Laurel Lee (McAiduff) second in the former and Toddlewyn (Savage) second in the latter. The 3rd race was won by

WHY MOTHERS GET GRAY

Dominion D. by Abner T. Clegg, owned by Herb Lindsay of Woodstock, and driven by Myron MacArthur, in 2:15 2/5. He beat a good field which included Marion Budlong, owned by E. A. Grant, Houlton, Me., 2, Morris Direct (Langille) 3. Just Lucky 2:11 3/5, making his first start in the ownership of J. H. DeWitt, Woodstock, was sixth. The 4th race was won by the trotter Card Shark, owned by W. Stiles of Woodstock, and driven by R. E. Hamilton, in 2:14 3/5, his best trotting performance since coming to the Maritimes. Second was Sudden Mary, owned by C. H. McGinley, Houlton, Me., and driven by Myron MacArthur, and third was Arlene's Money by Real Money, time, 2:14 3/5. The 7th race was won by Morris Direct (Langille) in 2:15 3/5, Dominion D. (MacArthur) 2, Marlon Budlong 3.

Ralph McFadyen, Hunter River, has traded Abegweit Milady 2:14 4/5 for the 10-year-old pacer Follow Up Jr., 2:08 4/5 that was a winner at Charlottetown last Saturday night in 2:19 2/5 for owner J. MacLeod of Truro, N.S. He has been in the stable of Frankie Daniels, who will take over Abegweit Milady. . . . The pacer You'll See 2:17 2/5 by Calumet Budlong 2:02 3/4 and out of the famous racing mare Margaret Jean 2:10 2/5, has been sold by Al Cutcliffe to Longworth McMillan of Calgary, Alberta, formerly of this Province, who is visiting here. She will remain in the stable of Blair Andrew, who has made such a good job of developing her. . . . The two-year-old pacer Bell Hop B. will be a starter in the \$1,000 stake for two year old pacers to be raced at Trouro tonight. Len O'Meara left early this morning to drive him.

Fredericton Exhibition races will be held September 1st, 3rd and 4th. All races are on the dash system and classified. Classified races will run from A to L with no cash less than \$200. Entrance a few days ago from money winners only. No more than eight horses to start in any one class. The Fredericton Exhibition track is one of the best in the Maritimes and has the honor of holding the Maritime track pacing record of 2:02 1/2 made by Walter Dale 2:00 3/4, Sept. 15, 1937, driven by Herb Clegg. Those desiring further particulars can write Dr. G. C. McCoy, Race Secretary, Fredericton, N.B.

E. H. Day, one of our enthusiastic harness race fans, has from time to time supplied us with particulars of events raced over the larger tracks in the United States, for which we are grateful. A few days ago he handed us the summary of the fast class at Roosevelt in which the horses finished in this order: Good Time was 1, Solicitor 2, Prince Jay 3, Direct Rhythm 4, Dr. Stanton 5, Vernon Hanover 6. The mile was in 2:03 2/5 with the last quarter in 28 4/5 seconds, certainly a terrific clip over a half mile track.

Secretary W. G. Gillespie, Charlottetown, is sending out notices to owners of colts staked in the Prince Edward Island Harness Racing Club's annual colt stakes stating that these will be raced at the Charlottetown evening Park track on Wednesday evening September 10th, beginning at 7:30 o'clock. The starting fee must be paid on or before August 27. All those who decide to take part in these races should give this matter their earliest attention. These annual colt stakes are among the most interesting races of the season and have resulted in the development of some splendid trotters and pacers. No doubt they will be eagerly looked forward to by the many persons interested in them.

H. B. MacLeod, High River, Alberta, who recently spent some time visiting his home here, has not been idle since his return. In a letter to Bill Burnett of the Guardian, he mentioned having bought two more sections of land (1,280 acres) and has been lucky enough to strike another artisan well of beautiful, soft water fifteen feet from the kitchen door. This, together with one in the corrals which was located three years ago, will enable them to carry 1,000 head of cattle. He mentions that the crops are wonderful, the grazing and hay in the foothills is the best in several seasons. The grain crop is also very promising and should yield more than 40 bushels to the acre with barley running around 70 bushels per acre. John Riley of

Sport Echoes From Prince County

As we write this, the Summerside Intermediates, proud Island champions for five consecutive years, Maritime champs for three of those five years, really have their backs to the wall. To defeat the R.C.A.F. Royals they have to win three games in a row, and that is not as easy as rolling off a log. It's not even as easy as rolling back on the log again. It's a tough assignment, but in the past, the Summerside Intermediates have been tough homes to beat. Their specialty in other years was to get in a hole, and then turn the hole into an excavation to put their victory castle on. They were powerful mean when another team had them cornered.

Like as not, just when you thought their goose was cooked, Les Gaudet would slam a grand-slam home run, or Joe Bernard would throw that high fast one to batters whose shillelghs just couldn't get round fast enough, or wise cracking Bill Allen would take that beautiful cut just when a base hit was needed most, or Gord MacKay or Alan Stewart or Jimmie Grady or Pius Gallant would go into bases like a bazooka going into Hill 70, or Schurman or Delghan would rifle the pill down to second where the fellow with the winning run depending on his flying legs would find Mr. Shortstop or the Little Beaver waiting to welcome him in.

Being on the short end in a game or in a series was just routine business for the old gang. You don't have to take our word for it. Ask the Abbie Intermediates.

Can they do it again? Maybe. And then, again, maybe not. Someone finally sent Joe Louis packing to the canvas. The Cook-Boucher-Cook hockey line had to bow to old Father Time. Right here in our midst such great athletes as Charlie Cahill, Chick Gallant, Jack Schurman, Windy Steele had to watch the old magic bid farewell to them. Maybe this is the year for the Summerside Intermediates to make their baseball fans. Then we shall have to start building again.

Johnny Carroll and his charges are starting to do things in the same way. Behind 7-2 in the seventh inning, and apparently just going through the motions to complete the game, the C. and E. took advantage of a slip in the Abbie defences, and went on to victory. It was worth a dozen ordinary victories.

(Continued on page 12)

Baltic, and Mr. McKelvie are holidaying there with George, Neil and Dan Riley, Jr. and everyone enjoys having them. Duncan MacLeod and son Billy recently returned from visiting Duncan's brother Everett MacLeod, Park Corner, where they spent a pleasant month.

H. B. is a very enthusiastic Rotarian and while here addressed the club, giving them an idea of the west as he sees it. Shortly after returning home Mr. and Mrs. MacLeod invited between 50 and 60 Rotarians and their wives as afternoon guests to their ranch in Happy Valley. For many it was their first glimpse of the beautiful valley which was at its richest and most verdant beauty with masses of wild flowers to add brilliancy to the idyllic scene. A splendid supper was served in the commodious room. Afterwards a rousing fire in the big fireplace of the lodge room added to the homeliness and comfort of the after supper hour. A sing-song by the crackling firelight was greatly enjoyed. Mr. MacLeod, it will be remembered, took back with him two young and well-bred speed prospects. Of course it will be a year or more before they will be ready to show their quality over a race track but we are hopeful that they will do so and perhaps be the means of other westerners sending here for young trotters and pacers, of which we have a very plentiful supply.

Hunters' Corner

Continued from page 6

ional Huns be imported to make up for the gunning take. Contrary to the opinions voiced by some this columnist has long contended that hunting in season is not a factor that governs the Huns increase or decrease as the case may be. In a secluded and lightly hunted area in Kings county that covers approximately two school districts there were, a week before the season closed, six known coveys that totalled 98 birds.

A party of three hunters with two good pointers hunted this area shortly before the season closed. They started the six coveys in question and there were 98 still flying strong at the close of the day. Five was the most bagged out of any one covey and one bunch of 20 eluded the hunters without a shot being fired at it. The total bag was 15. . . . five per hunter. Two school districts cover quite an area and it would be impossible to hunt it close enough in one day to start all the coveys to be found there.

A conservative estimate, based on the number we saw while hunting and the coveys reported by farmers that were not started by the dogs, places the number of Huns in this specific area at the close of the hunting season on November 11th at approximately 300. Allowing for losses due to winter killing, predators, hay mowers, etc., there should be enough pairs left to assure anywhere from 75 to 100 coveys this season. I have observers in this area who are reporting coveys spotted to date and also have checked it myself but so far only six coveys have been spotted in the area under observation. More coveys will undoubtedly be uncovered within the next month but it is a foregone conclusion that the current crop in this sector is

Girl Guide News

Governor-General's Visit

All members of the Guide family in Charlottetown and vicinity—particularly Brownies and Guides—are asked to be at the Experiment-N-Farm next Thursday, August 28th, at 2:15 p.m. in full uniform. This is your opportunity to see our Governor-General who will plant a tree at the Experiment Farm that afternoon. Brownies and Guides should contact their respective Brown Owls and Captains for further instructions and information.

Diploma's Trainer Coming

Prince Edward Island Guiders and prospective Guiders will be delighted to learn that we have been successful in securing the services of Miss Shirley Cameron, Trainer and Blue Cord Diploma'd Guider, Toronto, for the month of October.

Any District wishing to have Miss Cameron conduct a Training Course while she is in P. E. I. should write immediately to our Field Secretary, Miss Phyllis Cutcliffe, setting out the dates for same.

Commissioners, Guiders and prospective Guiders are asked to watch this column for further announcements in regard to training courses which will be held during the month of October.

Esso Oil Burners advertisement with logo and contact information for Palmer Electric, MacLeod & Greene, and E. R. MacNeill.

not up to expectations.

There is an interesting point brought up by the foregoing. Winter killing, predation, etc., may have cut deeply into last fall's potential breeding stock in this district but methinks that during the spring pairing off process the birds travel long distances from where they were raised. Because there is a heavy concentration of Huns in a given area one fall doesn't necessarily mean there will be as many, or more, the following shooting season. We have a lot to learn about the habits, nesting hazards, etc., of our game birds.

CANADA PROVINCE OF PRINCE EDWARD ISLAND IN THE PROBATE COURT

The 22nd day of August, A. D. 1952 In Re Estate of LEAH M. JENKINS late of Charlottetown, in Queens County in the said province. Married Woman, deceased, Intestate. To the Sheriff of the County of Queens County or any Constable or literate person within said County
