

Mobile Red Cross Blood Donor Team Arrives

The mobile Red Cross blood donor team from Halifax arrived in Summerside last evening on its second visit to P. E. I. for 1953. Most of the week's clinics are to be held in Prince County where the objective is 650 of the 900 donors required in the Province. This afternoon's clinic will be held at 7:30 p.m. and this evening's at 8:00 p.m. On Tuesday the team moves on to Tignish for a clinic there in the afternoon and to Wellington for the evening. On Wednesday there will be clinics at the R. C. A. F. Station in the morning and afternoon and the team will have its "first" clinic in Summerside this evening. The four days of clinics will finish up with another "first" at Eldon on Thursday afternoon and at Montague in the evening where an objective of 150 has been set. It is to be hoped that in excess of the minimum 950 donors will be registered by 10 o'clock on the Friday evening so that Prince Edward Islanders will have the satisfaction of knowing that they have provided the means of taking care of the province's blood transfusion needs for the next three months.

Won Highest Points In Gladiolus Show

The highest number of points awarded in the Moncton Gladiolus show last week went to Mr. W. C. Cadmore, Charlottetown, when his blooms won 49 points. He had 10 first places, 6 second places and five thirds. In the single spike class he had four firsts, three seconds and one third. In the three spike class he again had four firsts, one second and two thirds. Mr. Cadmore had a first, second and third in the Double Class, and got third place in the Vase Class. His other points came from a first place in the seven spike class and a second in the 13 spike class. The show was described in Moncton as an outstanding example of the art of growing gladioli.

SAD NEWS RECEIVED—Mrs. Vincent Leonard, 10 Haviland St., Charlottetown, has received the sad news of the sudden passing of her sister Margaret's husband, Richard Shanks, Cuyahoga Falls, Ohio. This is the second bereavement in the family. Her sister Mary, Mrs. Gabelman, died about 10 days ago.

RETURN TO HOME—Dr. and Mrs. U. J. McNally of Superior, Wisconsin, left the Island Sunday morning for the return trip home after spending the past month visiting friends and relatives in Hope River and Kinkora. During their stay on the Island they were the house guests of Mr. and Mrs. W. J. Roberts of Middleton.

I.O.O.F. MEETING—The regular meeting of Wilsey Lodge No. 27 I.O.O.F. was held on Friday 28th August, 1953. Brother Paul Hanson, Noble Grand presiding. The newly elected Grand Master of Grand Lodge, Brother C. D. Keenan, and the Grand Guardian of Grand Lodge, Brother R. Matheson were present. Also Brother M. MacKenzie, D. D. G. M. from Hillside Lodge, Montague, who had some very pertinent observations to make. The Grand Master, Brother Keenan outlined the responsibilities of new members, and was supported by Brother A. O. F. Gill, P.G.M. Brother W. Henderson was installed as recording secretary.

Personals

Dr. W. Ernest Parker and Mrs. Parker of Toronto, are visiting the former's parents, Mr. and Mrs. George H. Parker, 202 Buxton St.

Mr. and Mrs. Herbert Yanke and children Glen and Carol of Millford, Conn., are holidaying on P.E.I. guests of Mr. and Mrs. Cecil Stetson, Marshfield.

Miss Lena McLure has returned to Nucleo Centre, London. While on holiday Miss McLure visited Scotland, the English Lakes, and Shakespear country.

Mr. Stewart Vickerson, North River, has returned to his home after spending a short vacation as a guest of Mr. Arnold Hubley, Park Hill Tourist Resort, Stanhope Beach.

Miss Dawn Messer left for Halifax Wednesday accompanied by her parents, Mr. and Mrs. Don Messer and Mr. and Mrs. Cleaveland McLane. She has entered the Nurses Training School at Victoria General Hospital, Halifax.

Mrs. P. J. Landrigan and daughter, and Mrs. F. G. Hoskin, of Saskatoon, left Saturday morning for St. John's, Newfoundland. While there they will attend the wedding of Mr. and Mrs. Landrigan's son, Lieut. D. K. Landrigan.

P.E.I. Medical

Continued from page 1. Iakson, Surgeon, Winnipeg, Man., on "Surgery of the Gall Bladder." "Recent Advances in the Treatment of Peptic Ulcer" will be the subject of an address by Dr. Gerald W. Halpeny which will conclude the addresses by clinical speakers.

Dr. J. A. MacMillan will preside over the round table discussion with questions from the audience. At nine p.m. medical ball informal—will be held at Dalvay-by-the-Sea.

Doctors Burns and Thorlakson from Winnipeg are accompanied by their wives, as are also Dr. A. D. Kelly of Toronto and Dr. F. L. Whitehead, secretary of the Island Medical Association, from East Riverdale, N. B.

BUSY HELICOPTERS

SINGAPORE, (CP)—The British Navy's first operational helicopter squadron carried more than 4,000 troops on operational flights in Malaysia in the first five months of this year. It also moved 100,000 pounds of cargo and evacuated 96 sick and wounded to hospitals.

IN MEMORIAM

In loving memory of Mrs. John P. McNally, who died one year ago today, August 31st, 1952.

She was such a very dear Mother. So patient, so kind, and so true. There was never a cloud so heavy on her dark But she saw the sunlight through. Ever Remembered by Leo, Forence and Family.

IN MEMORIAM

In loving memory of HARRY W. MILL who passed to higher service August 31st, 1951. Sadly Missed by Wife and Family.

IN MEMORIAM

In fond and loving memory of a dear husband and father, Mr. Peter A. Morrison, who was called home August 31st, 1941. We miss him because we loved him. He was dearer than silver and gold. No treasure on earth can replace him. Remembrance will never grow old. Lovingly Remembered by His Wife and Family.

Take Time Off For Tea On Ferry

Taking time off for a cup of tea aboard the ferry enroute to Prince Edward Island are these members of a Maritime tour: ACWW delegates left to right, Mrs. Ode Irminger of Bergen, Norway; Mrs. E. A. Gilchrist of Fife, Scotland; Mrs. A. G. English, Northern Ireland; Mrs. E. Knight, Llandudno Jct., North Wales; Mrs. John Playfair, Fife, Scotland; and Mrs. D. Moser, southern Rhodesia. (Barter's Film Lab.)

Area Purchased For New Sea Cadets Back From Camp Ewing Spencer Drive-In Theatre

Following a careful survey of the location for the new modern drive-in theatre to be erected by The F. G. Spencer Company near Charlottetown, an area of fifteen acres has been purchased on the Royalty Road just west of the intersection of the lower Malpeque Road, popularly known as "the Queen's Arms." A driveway, 150 feet wide, will lead into the waiting area where the ticket office and attendants will be located. The show area is regarded as a lovely setting being located on gently sloping ground with trees on three sides. Provision will be made for a through drive towards the Beach Grove road so that patrons may continue on towards town without back-tracking the entrance road. Mr. George A. Walters, manager of the F. G. Spencer Company here is enthusiastic about the development which is one of four which the Company has under construction in the Maritimes, the others being at Campbellton, Truro, and on the Kenville-Wolfville highway. Work on the local project will probably be commenced within the next two or three weeks when ground will be broken and the layout put in proper shape for an early start next spring for the completion of the theatre. The new drive-in theatre will make provision for an unobstructed view of the screen from every angle and individual sound reception to each car.

Canadians Want

Continued from page 1. contingent of Canadians was sent to the Far East.

Looked Fit

The soldiers, six from Ontario, looked fit and indulged in horseplay, especially Pte. George Griffiths of Brighton, Ont.

An eye-catching souvenir of his prison days was the tooth of a comb protruding from his left earlobe—but it wasn't evidence of torture. He told reporters of the prison camp "fad" of punching earlobes.

Griffiths laughingly said he had substituted the comb for a ring. Cpl. Donald Orson of Ridgeway, Ont., and Pte. Donald Watson, Toronto, met in a cheerful exchange of the welcoming group, soldiers' reporters milled about on a lawn before the Sea Island airport reception building.

Routine Checkups

All the soldiers must spend two to three days in hospital here for routine checkups before being flown to their homes across the country.

Pte. Joseph Allain of Rexton, N. B., Royal 22nd Regiment, said "things were pretty good except that there wasn't good food. There was enough, but it was not good, just poor rice. I lost 50 pounds."

Allain and Pte. Joseph Bellefeuille also of the 22nd, a native of Hull, Que., appeared weary of reporters' questions and declined to pose repeatedly for photographs.

Correspondent Boss said reluctance of the soldiers to submit to publicity resulted in part from their experience in prison camps. Their Communist captors had photographed them at intervals, for propaganda purposes, leaving an unpleasant association with the men.

Hot Weather

Continued from page 1. nipes, in near-perfect style to run up 1,118 points of a possible 1,200 three more than the Americans, commanded by cadet Maj. James Allred, 18, of Salt Lake City.

Nearly 25,000 persons watched the intricate 12-minute manoeuvres performed before four expert air force judges, two each from the RCAF and the USAF.

Other Events

Elsewhere at the ONE Saturday, United States entries took 30 of the 22 top awards in the 47th annual CNE cat show; swimming coach Bert Corkett of the Pergus Ont. swimming club saw two more titles added by his competitors; Charlottesville, Va., Hamilton and Toronto shared the honors in the military unit judging; and sailing, canoe and rowing races.

Hazel Hill of Toronto, with Cuddies, and Mr. and Mrs. C. O. O'Reilly, Brampton, Ont., with Chirns-Sa-Hai Tom of Donnybrook, won two titles for Canada. Joan Campbell, 16, of Fergus,

Harris Expected

Continued from page 1. assisted Mr. Fournier and did the job almost single-handed during the dying days of the final session. The House leadership post requires a thorough knowledge of Commons rules and procedure.

The House leader must also be able to get along with the leaders of the opposition parties and their whips so that the work of the Commons may be conducted with maximum speed and efficiency.

Mr. Fournier was one of the most successful House leaders of recent years. On many occasions he was able to smooth a contentious point with his keen sense of humor.

Appointment of a House leader is one of several that must be made before or shortly after the opening of the new session. The other important points that must be filled are speaker and deputy speaker of the House.

Louis Rene Beaudoin, Liberal member of the Commons for Vandreuil-Soulanges since 1945, is expected to be named speaker, succeeding Hon. W. Ross Macdonald, who was named to the Senate before the Aug. 10 general election.

Hand Mirror

Continued from page 1. ies; co-pilot, FO. J. A. Murray, Warrington, Eng.; W. G. Martin, Lethbridge, Alta.; FO. G. W. Durgin, Lillooet, B.C.; flight engineer, Lac. D. H. Wentzell, Bridgewater, N. S., and Lac. F. M. Debaie, Halifax.

Food And Shelter

A tent from survival equipment in the plane provided shelter, and similar kits contained enough food to keep the men alive. The signal that brought about the rescue was made with a heliograph-type hand mirror.

The crew was returned to Churchill in a float-equipped Otter which made a hazardous landing in the shallow lake. None of the crew was interviewed immediately.

Search planes covered more than 65,000 square miles in a week of searching before the downed bomber was spotted by FO. W. C. Judd, navigator in a searching Dakota.

The Lancaster belonged to the RCAF's 403 reconnaissance squadron based at Greenwood, N. S.

won the junior women's one-mile Canadian amateur swimming championship; teammate, Dorreen Howatt, 16, capped the one-mile senior women's Canadian amateur swim title; Mike McLaughlin, 16, Hamilton, won the junior men's mile; and George Park, 21, Hamilton, took the senior men's two-mile.

Coach Crockett's third champion was Shirley Campbell, 17, sister of Joan, who won the women's three-mile professional swim Friday.

Monticello Guards of Charlottesville, topped the U. S. entrants in the Warriors' Day military judging while the Royal Hamilton Light Infantry bugle band led the senior bands. Other awards were taken by Toronto units.

Monday is children's day. Water skiing championship, Olympic training camp athletic workouts, farm and field crop judging and the many, many exhibitions go on.

Memorial Service Held Yesterday At Cornwall

A large crowd was present yesterday to attend the memorial service at Cornwall. Chairman for the occasion was Mr. Daniel MacArthur. The guest speakers for the service were Rev. Stewart Merriam, of Zion Presbyterian Church, and Rev. Father Enright, C.S.R., Holy Redeemer Church. Both speakers reminded their listeners of the reason for the gathering and spoke feelingly of the sacrifices made for freedom.

Historic Relics Being Stored In Law Courts Bldg.

The P. E. Island Historical Society having recently concluded a highly successful display of interesting articles and documents in the Y. M. C. A., now have the valuable records of early days in this Province carefully packed, crated and housed in space assigned in the Law Courts Building.

Mrs. Mary Brehaut, who has given leadership to the movement to conserve and preserve the great variety of interesting mementos of former days on the Island, said last evening that the exhibit was very successful and quite worthwhile. "During the six weeks period in which we were able to accumulate a great many interesting articles, upwards of fifteen hundred visitors spent considerable time in looking over the exhibits, and many of them expressed their pleasure at being able to see and examine so many historical pieces." "We are grateful to the Y. M. C. A. for the use of the spacious gymnasium which made the exhibition possible and are looking forward with confidence to a permanent location for this highly interesting collection in the near future."

Rededication Service At Marshfield

The need for rededication of self to the principles of Christianity was stressed by Rev. Stewart Merriam as he preached the sermon at the rededication service at Marshfield Presbyterian Church yesterday morning.

There was an overflow congregation present for the service. The minister, Rev. L. M. MacNaughton was in charge and special music was supplied by the Zion Male Quartet.

Charlottetown Hotel, at an Island lobster dinner.

Guests at the head table included Lieut. Governor T. W. L. Prowse and Mrs. Prowse; Premier James W. Matheson and Mrs. Matheson, Lady Bride Binney, Lady de Soya and Mrs. Doyle.

Messages of welcome were given by the Lieutenant Governor, Premier Matheson, and Hon. C. C. Baker.

Replies were made by Lady Binney, Lady de Soya and Mrs. Irminger.

In the evening the group was taken from the hotel to Prince of Wales College where a reception was tendered them by the Women's Institutes of this Province. Catering for the reception was done by Institutes from Southport, Highfield, North River and Parkdale.

The tables placed in the second floor library were centred with beautiful bouquets of mixed flowers flanked by gleaming silver candelabra. Pouring tea at the tea tables were Mrs. Warren Burns, Parkdale; Mrs. Lemuel MacKinnon, Highfield; Mrs. Hope Mutch and Mrs. R. S. MacDonald, Southport.

The visiting delegates met Island women in an informal manner as the nearly 300 present milled around the library and wide hallway. They commented on the excellence and variety of the cakes and sandwiches and one visitor was heard to remark "from the time we got to Edmondston, N. B., I have never seen so much food. There seems to be tons of it everywhere we go."

Each visitor was the guest last night of a member of nearby Institutes, and were housed in typical Island farm homes near the city. This morning they will gather together in order to meet members of the Provincial Executive Council in Confederation Chamber at 9:15. Later they will be guests of Lieutenant Governor T. W. L. Prowse and Mrs. Prowse at Government House for tea.

They will proceed to Murray Harbour where the district W. I. will serve dinner, after which they will go to Montague until time for departure for Wood Islands to embark a ferry for Caribou. They will continue their tour in Nova Scotia.

Earliest fragments of Scottish minstrel songs date back to the 13th century.

look for Perfection for wonderful ICE CREAM

Employment Situation In City & Province Reviewed

In spite of the suspension of ship repair work at Bruce Stewart & Company, and the gradual closing out of operations at Maritime Central Airways Maintenance and a noticeable drop in construction work in Charlottetown, unemployment in the city is not as widespread as might be expected. Workers from the ship-repair plant and the Airways Maintenance shop, are obtaining employment either locally or in other centres. Unfortunately, far too many men are obliged to move to other provinces and the financial loss is bound to be felt by local merchants.

There will be little loss to city merchants in the case of those who have accepted employment in Saint John, N. B., at the drydocks, but have not moved their families to the mainland. These latter are hopeful of returning if and when their skills are needed again in Charlottetown. They are not planning permanent residence in Saint John.

The town and rural districts also have a large number of men employed on various defence jobs in Goose Bay, and at other northern points.

A short time ago it was announced that no more men would be needed for work in the North Country this year, but recently the American Companies which have the contracts for these mammoth projects have been running short of certain types of workers. Because of this shortage a number of skilled men will likely be recruited from Charlottetown and the rural sections shortly after Labor Day. A representative of one of the companies is expected at the National Employment Office, Charlottetown, following the holiday.

Construction Work Construction work locally will be boosted considerably when the building of the new High School commences, and by some new construction at Falconwood Hospital. The extent of the Falconwood

work has not yet been announced. Since the new school will be underway during the autumn and winter months, the lift to local carpenters, plumbers and electricians should be helpful during the months when many are seasonally out of work.

Though potato prices are down for the present at least, there is evidence of one of the finest all-around crops in many years. The grain looks excellent and only unfavorable weather will hinder the harvest of a fine crop.

Because of the better than average growing season farm work is plentiful and a few farmers have been unable to obtain all the help they need.

Dairies At Capacity Dairies in the Province have been working to capacity because of the exceptionally good pasturage all summer. There will likely be an increase of butter production for the year. In Charlottetown the Central Creameries is employing more men than ever before in its more than thirty years history.

Fishing by the druggers working out of Souris, and by small boats sailing out of small centres all along the Island's coast, is employing a large number of men.

In King's and Queen's Counties, quantities of cod, haddock and flounders are being taken and some mackerel. Mackerel are plentiful but have not been hooking well. The price of mackerel is good and other fish are bringing fair returns.

Lobster fishermen are reported as doing fairly well in Prince County, where the season is open at this time of year.

Retail and wholesale trade is reported to be on a par in volume with the same period a year ago.

Tractor dealers report that fewer tractors are being sold to farmers than a year ago.

Car dealers on the other hand, state that sales have held up well throughout the spring and summer.

Tension Mounts Between Italy And Yugoslavia

LONDON, (AP)—Tension built up during the week-end between Italy and Yugoslavia over the old issue of Trieste, Belgrade radio said Sunday that two Italian divisions had moved in overnight to patrol the Italian-Yugoslav frontier.

Each government accused the other of planning a grab at part of the free territory of Trieste.

Both Rome and Belgrade claim the strategic port area at the head of the Adriatic which was Italian before the Second World War but was made a separate territory under the Italian peace treaty.

The Belgrade radio, quoting dispatches from Trieste, said Italian tanks were patrolling the Gorizia area, about 20 miles north of disputed Trieste. The broadcast said the two Italian divisions had been transferred to Gorizia from Udine, about 20 miles farther west. This could mean that between 20,000 and 30,000 men were involved.

The broadcast declared the purpose of "Rome's latest anti-Yugoslav campaign is to foment war psychosis." Earlier, Yugoslav officials had termed Italian actions and statements concerning Trieste "deliberate provocations."

HALIFAX MAN DROWNED

HALIFAX, (CP)—James William Laverty, 24, of Halifax drowned while swimming in Target lake on the western outskirts of the city Sunday.

HOLMAN STORE NEWS

G. H. M.

WE'RE enthralled with the modern simplicity of design that is demonstrated so very beautifully in the new "TWINTONE" EARTHENWARE now on display in the China Departments of Holman's in Charlottetown and in Summerside. Personally, I find the dinnerware, the breakfast or tea sets in the interesting odd pieces, quite irresistible. There are several soft color combinations from which to choose—Magnolia white and sepia—mushroom and ice green—mushroom and sepia—mist blue and petal bloom. The prices of "Twintone" are reasonable—for instance a cup and saucer in the lovely classic shape is just 1.25 and the other prices are in comparable proportion to that. . . . Please do come and see the "Twintone" Earthenware. It's most enthusiastic about it! You'll find it in the China Departments of Both Holman Stores.

TO GIVE your tresses that desired professional look of "not a hair out of place" you will want and need the wonderful HELENE CURTIS "SPRAY NET"—a magic mist that sprays on easily and quickly, that is absolutely harmless to the hair and scalp and that gives a perfectly natural looking control for loose ends and whisps. It is available in the Cosmetic Section at Holman's and the price for the spray container (it will last for ages and ages) is only just 1.75. More and more professional hairdressers use Helen Curtis "Spray Net" for their most fastidious customers—now you can use it yourself in your own home. Treat yourself to this wonderful hair controller—you'll be truly delighted with the effect and the appearance of your hair after using it. Helene Curtis "Spray Net" is available in the Cosmetic Section at Holman's.

THE golden days of Autumn are just around the corner BUT right through this lovely season are plenty of rainy days too. . . . That's why you do need an ALL PURPOSE COAT to serve you whether the day be shiny or dull! Maybe you've strained your clothing budget to the point of bursting—if this be the case, you'll be interested in the new ALL PURPOSE COATS that have arrived in the 5 and 10 Department. They're priced 19.95 but they look much, much more! Smartly made in a full lined, raglan style with convertible cuffs and a neat one-button neck closing; you may choose gray, wine, navy or green in such fine fabrics as rayon cord, woven bar checked rayon, tweed effect rayon or material with a close nubby dot. Be smart for Fall in one of these reasonably priced but ultra smart All Purpose Coats from the 5 and 10 Department at Holman's.

Medical Convention

A special telephone has been installed, for the convenience of the public at Prince of Wales College, during the session of Prince Edward Island Medical Convention. If you wish a doctor Monday or Tuesday, August 31 or Sept. 1st, Dial 9413.
