

Parsonage  
'At Home'  
Is Planned

An interesting and significant social event is slated today for members of the congregation of the First Baptist Church of Charlottetown when the pastor and his wife, Rev. and Mrs. H. L. Milton, are "At Home" to their people in the new church parsonage located at the corner of Ambrose Street and Churchill Avenue.

The new parsonage, a gift to the congregation by Capt. and Mrs. Carl Burke, was officially opened by a service of dedication on an ambitious program of patient welfare expansion which was placed before those present by committee chairman H.M. Delaney.

Some of the proposed projects include: more frequent visits to

give the members of the whole congregation an opportunity to meet with the parsonage family. The hours for the "At Home" are as follows: in the afternoon from 3 to 6 o'clock, and in the evening from 8 to 10 o'clock.

United Appeal Fund took place but little information was derived as this organization has not completed its board of directors and further action was deferred to the next meeting. The chapter decided to forego its organized financial campaign for this year due to its date coinciding with United Appeal month. It was pointed
