These suits are new, they're stylish, they're well made. There's a big stock to choose from, and now is the time you want a suit.

We advertised thirty-six a few days ago. There's not any thirty-six here now, but perhaps we have yours yet.

OBITUARY.

Mr. William McCabe, of Newton, Lot 26, died on Tuesday evening last, in the 55th year of his age, after an illness extending for several years. He was an honest, upright man, and well respected. He leaves a wife and three children to mourn the loss of a kind husband and father. His funeral took place to Kinkora cemetery Thursday, and was largely attended.

SIR LOUIS DAVIES made a mistake last evening when he depreciated that young man. If Mr. Stewart is young, it is felt by the young men of West Queen's that he will represent them well in Parliament; and the young men are going to vote for him.

A TURF OUTRAGE.

Lina Belle Poisoned by Croton Oil.

[SPECIAL TO THE EXAMINER.]

AMHERST, Nov. 1.—Lina Belle, the well-known Quebec mare, died here yesterday from poisoning. On Monday night, during the temporary absence of her attendants, some persons broke into the stable at the driving park and gave her a dose of croton oil.

In the morning she was discovered to be in a very pitiable condition, and was removed to the Terrace Hotel stable where everything was done to save her life. But the dose administered had gone thoroughly through her. Mr. La Roche, who is in town, valued the mare at \$5,000.

HUMAN DEVICES.

SIR,—The yellow weeds and thistles being all cut down along the railway track, it was thought that the men who were working at this would be sent home. But no! The ingenuity of the Government was equal to the occasion. A switch at Newton, Lot 26, is now being transferred to the other side of the track, and the root pullers are again hard at work. What next.

REWARD OF MERIT.

A New Catarrh Cure Secures National Popularity in Less Than a Year.

Throughout a great nation of eighty millions it is a desperate struggle to secure even a recognition for a new article to say nothing of achieving popular favor, and yet within one year Stuart's Catarrh Tablets, the new catarrh cure, has met with such success that today it can be found in every drug store throughout the United States and Canada.

To be sure, a large amount of advertising was necessary in the first instance to bring the remedy to the attention of the public, but everyone familiar with the subject knows that advertising alone never made any article permanently successful. It must have in addition absolute, undeniable merit, and this the new catarrh cure certainly possesses in a marked degree.

Physicians, who formally depended upon inhalers, sprays and local washes or ointments now use Stuart's Catarrh Tablets because, as one of the most prominent stated, these tablets contain in pleasant, convenient form all the really efficient catarrh remedies, such as red gum, Guaiacal, Eucalyptol, and Sanguinaria.

They contain no cocaine nor opiate, and are given to little children within entire safety and benefit.

Dr. J. J. Keitiger, of Covington, Ky., says: I suffered from catarrh in my head and throat every fall, with stoppage of the nose and irritation in the throat affecting my voice and often extending to the stomach, causing catarrh in the stomach. I bought a fifty cent package of Stuart's Catarrh Tablets at my druggist's, carried them in my pocket and used them faithfully, and the way in which they cleared my head and throat was certainly remarkable. I had no catarrh last winter and spring and consider myself entirely free from any catarrhal trouble.

Mrs. Jerome Ellison, of Wheeling, W. Va., writes: I suffered from catarrh nearly my whole life, and last winter my two children also suffered from catarrhal colds and sore throat so much they were out of school a large portion of the winter. My brother who was cured of catarrhal deafness by using Stuart's Catarrh Tablets urged me to try them so much that I did so and am truly thankful for what they have done for myself and my children. I always keep a box of the tablets in the house and at the first appearance of a cold or sore throat we nip it in the bud and catarrh is no longer a household affliction with us.

Full sized packages of Stuart's Catarrh Tablets are sold for fifty cents at all druggists.

Kerosene Oil...

Kerosene oil is a burning question just now both with politicians and housekeepers. The former want to make political capital out of it, while the latter want to know where to get the best quality of oil for the least money. We have just received part of our fall stock direct by schooner from New York. It is called "PRATT'S ASTFA" and is the highest grade of refined kerosene oil. We are now offering it for sale in four gallon tins for 22c per imperial gallon. Ask for Pratt's Astral, as there is no better. Special low price by the case.
