Doctor F. C., Joppa Maid, New Idea, Ruthie's First and Just Betty's Mark topped honors in the colt futurities held at the Driving Park last night and witnessed by a good crowd.

Doctor F. C. captured all three heats of the three-year-old pace and clocked the fastest time of the evening at 2:14.4 in the second heat. The Doctor won the first two rounds handily but had to come from well back to overtake and beat Jiny Budlong at the wire in the finals.

Jolly George placed in the first heat and showed in the second and third while Jolly Leigh showed in the first.

Joppa Maid and New Idea were also triple-heat winners. Sara J. finished second behind Joppa Maid in each heat of the four-year-old trot event and Jim Hooper showed on all three occasions.

New Idea had no competition at all in winning the three-year-old trot, coming home at least ten lengths in front of A. R. Mac in all three heats. A. R. Mac broke at the wire in the first heat and his place position was given to the fast horse My Heroine.

Ruthie's First was also an easy victory in the two-year-old trot taking honors each time over Cheeky Dude and Colonel Argot.

Ann McGee and Just Betty's Mark staged two great battles in the two-year-old pace with the McGee filly taking the first and Just Betty's Mark being awarded the second when Ann McGee broke under the wire.

Silver Trays were awarded to the winning horses by Justamer Stables, presented by Mrs. Don

Seaman: The Victoria Driving Club presented by Mrs. Rita MacNeil; The Rendezvous Restaurant presented by Doug Hill and Col. D. A. MacKinnon and presented by the Colonel.

Each of the young victorious horses was draped in beautiful green rugs donated for the occasion by the P. E. I. Harness Racing Club.

The daily double on Joppa Maid and Doctor F. C. paid \$4.50.

Dairy Edge Air Force To Tie Softball Series

The Sunshine Island Dairy, champions of the City Softball League, swept right back into contention for Island softball honors last night by edging the B. C. A. F. from Summerside 3-2 in a brilliantly played game on the Parkdale Diamond. The best of five series for the Island Championship is tied at one game each with the third game scheduled for Friday evening.

Veteran hurlers Art Ballem of the Dairy and Vern Cottrell of the Air Force hooked up in a tremendous pitching duel and Ballem, always a leading pitcher in City League circles, was never in better form as he set the airmen down on only five singles.

The chips were big and blue for the Dairy but Big Art came through in the clutch to win one of the biggest games of his career. In addition to his fine pitching he cracked out a hit during the Dairy's three-run rally in the fourth.

Cottrell was every bit as effective as Ballem. His fast ball was almost hopping and he had the batters eating out of his hand until the fateful fourth with Apps Arsenalault broke the game wide open with a slow infield single that eventually scored three runs. Cottrell allowed only four hits.

There were two away in the fourth when the Dairy started their game winning rally. Angie Carroll drew a walk, Art Ballem

while Reggie Hughes and Len Arsenalault also stood out in defeat.

For the airmen Dion also made the best play of the game as he made a smart pick out of the dirt and threw to first in time to retire the runner.

The game was watched by an exceptionally large crowd of fans. Brian Lewis capably handled the contest with Merle Longphie on third and an Air Force official at first.

Junior Baseball Finals Begin Here Saturday Aft.

The N. S.-P.E.I. Junior baseball finals will get underway at Memorial Field on Saturday afternoon at 5:30.

Local club officials were in contact with officials of the Canning club, Nova Scotia titlists, yesterday and reached an agreement to play all games at Charlottetown.

The series will be the best two of three affair and a doubleheader will be played on Sunday afternoon if necessary.

In order to get the Canning club to play all games here the Abbies were required to guarantee the Nova Scotia nine a considerable sum of money and because attendances at the games during the season were not at all good it is necessary to raise the amount required by canvassing.

Members of the Junior Abbies team and club officials will contact the public today, tomorrow and on Saturday morning in an effort to raise the funds and will ask the season were not at all good it is necessary to raise the amount required by canvassing.

Dodgers & Flyers Resume Baseball Series Tonight

The Dodgers and the Flyers will have another go at each other tonight in the fourth game of the city baseball league finals.

The Flyers took a one game lead on Tuesday evening when they downed the Dodgers 7-1 behind the three-hit pitching of Donnie MacLean. Charlie Ryan's nine had an unusually bad night and allowed undisciplined Johnny Squarebriggs' stout-hearted pitching with seven batters, but bad games can happen to even the best teams and the

Dodgers are not likely to come up with such a performance tonight.

Fiddler MacDonald will be starting his other right-handed ace Ronnie Stanley, who tossed a six-hitter at the Dodgers Sunday afternoon for a 4-2 victory.

Charlie Ryan's smart right-hander Paul Jay is ready to go again after winning the first and losing the second games of the series.

Game time is 5.45.

U. S. Leads Tuna Tournament

By GERRY MARTIN
Canadian Press Staff Writer
WEDGEPORT, N. S. (CP)—A huge shark invaded the famed tuna waters of Soldier's Rip Wednesday to upset the scoring in the opening day of the 12th international tournament for the battling blues.

The United States slipped into the lead and Venezuela was second as their boats came out of a thick fog with the black "catch" flag hoisted to the spar. An Argentine boat hooked the biggest tuna of the day but was disqualified when the shark bit the fish.

The Americans topped the lead as Al Whinsant, Jr. of New York dragged a 585-pound bluefin into his boat after an hour and 20 minutes. Carlos Behrens of Caracas, made the catch for Venezuela with a 277-pounder in 30 minutes.

Cards Swamp Liverpool 11-1

HALIFAX (CP)—Halifax Cardinals got strong pitching from Jim Kaykand on Wednesday and backed him up with solid hitting to swamp Liverpool Larrupers 11-1 in the fourth game of the Halifax and District Senior Baseball League finals.

Larrupers, winners of the regular schedule, won the first three games of the best-of-nine series. The fifth game is in Liverpool today.

Homebrew Jackie Rudderham took the loss. He got only two batters out in the first inning and three runs were charged against him. Another local, Jony Jerd Kaulback relieved and went the rest of the way.

Cardinals had 12 hits and put them together with four costly Liverpool errors. Larrupers had only four hits.

Asks To Have Islanders Suspended

MONCTON (CP)—The Atlantic Coast Senior Hockey League has asked the Maritime Amateur Hockey Association to suspend the Charlottetown Islanders club, its management and the forum for failure to pay fines due the league.

League president T. Babitt Arlee made the announcement Wednesday.

The Charlottetown team and two of its players, Bob Gray and Danny O'Connor, were fined a total of \$250 for their part in a Donnybrook in Moncton last season and were given until Sept. 1, 1955, to settle with the circuit.

Mr. Arlee also said that Charlottetown's 5,111 owes Moncton Hawks the cut of the fifth game of last season's final series.

The matter is expected to be dealt with at Sunday's league meeting in Moncton. The matter is then expected to be turned over to the MAHA annual meeting Sept. 24 in New Glasgow.

For actions in a game in Moncton last season, the Charlottetown team was fined \$125, O'Connor \$100 and Gray \$25.

Province's primary industries, farming and fishing, "I am sure the Government realizes the importance of continuing these grants which help to promote our primary industries," continued Mousignor Murphy, "for if fishing and farming fall the economy of the Province is lost."

The opening ceremonies were presided over by Mr. Brenton St. John, M. L. A.

The cattle show featured some excellent animals in both the beef and dairy breeds with the Ayrshires having the largest number of entries.

Mr. L. W. Roper of the Dominion livestock production branch, who judged the breed said that the quality was extremely good and in his opinion, the "red and whites" stole the show. Competition between two of the top exhibitors in the Ayrshire class, Ed Reid and Son from Rollo Bay, and Brent Stead from Souris, was very keen. William White and Son had some strong exhibits and John J. Somers of St. Georges, a new exhibitor came into the win column taking first with his junior yearling bull.

Island Gunners Do Well At Halifax Shoot

Ron Atkinson of Charlottetown and Glydon Willis of Kensington made a very fine showing at the Maritime skeet shoot championship held on Labor day at the Halifax Gun Club.

Ron won the class C 410 gauge, the class B 20 gauge and combined with Willis to take honors in the two man skeet. Willis placed second in the class B open.

Vic Wertz Is Recovering

CLEVELAND (AP)—Vic Wertz, now recovering from a mild attack of polio, said Wednesday he hopes to get back into a Cleveland Indians uniform for the last 10 days of the season.

"I'm getting stronger every day, and I may be able to do some pinch-hitting before the end of the season," he said in a press conference at University Hospital.

The first baseman and outfielder is out of the isolation ward now, and has had no paralysis.
