Saint John Beavers In 11-4 Victory Over Moncton

SAINT JOHN, N.B., Dec. 21 (CP) — Five goals without a reply in the first period were good enough to do the trick but Saint John Beavers added six more for an 11-4 score to humble further the lowly Moncton Hawks in a Maritime Senior Hockey League fixture tonight.

Goals were scored by Tommy Brennan, Vic Jackson, Buck Whitlock, Roger Jodoin and Paul Platz as the second place Beavers rose to a spot eight points below second place Halifax St. Mary's and 13 above the trailing Hawks. Ted Watson shot the other Saint John tally. For Moncton, the scorers were Rod McKenzie, Mousie Dowling, Fred Denny and Jesse James.

Boxer Dies Of Injuries After Bout In New York

NEW YORK, Dec. 21 (AP) — Al (Sonny Boy) West, 21-year-old Washington, D.C. boxer, died tonight at St. Clare's Hospital some 22 hours after he was knocked out by Percy Bassett of Philadelphia.

Two delicate brain operations failed to save the life of the Negro lightweight who was knocked out in the seventh round at St. Nicholas Arena Wednesday night. He died at 7:59 p.m. EST after having been kept alive for several hours by artificial respiration.

Dr. Vincent Nardiello, State Athletic Commission physician, said West apparently had died of an intra-cerebral haemorrhage and a cerebral concussion caused when his head hit the floor of the ring in falling.

West died in the operating room, not having been moved after the second operation in mid-afternoon. The stricken fighter received three blood transfusions after the second operation.

Another bulletin at 5 p. m. reported the boxer was being kept alive only by artificial respiration. Bassett, a strong puncher with 30 knockouts and 47 victories in 49 pro fights, came on strong after a slow start and swept the last five rounds.

Sonny Boy, loser of seven fights in 53 previous bouts was making his 15th appearance in 1950. His last fight before Bassett was a victory over Billy Justine at Baltimore, Dec. 4.

Action-Packed Game Expected Here Tonight

Things will be a-popping here tonight at the Forum when the Charlottetown Islanders and Halifax Saint Mary's clash in what is expected to be the top game of the season thus far in Maritime Senior Hockey League competition. Game time is scheduled for 9 o'clock.

Battling to a 5-5 deadlock last night after 10 minutes of overtime play in a terrific game of hockey, the two teams will be carrying on from where they left off at Halifax last night, and the least that can be expected is action galore.

It will be a battle to the finish, and with both teams in high gear the game will be a must for local fans. So follow the crowd to the Forum where the two top teams in the league will be the centre of attraction in Big Four hockey circles tonight.

Small Crowd See Bruins Defeat Chicago

CHICAGO, Dec. 21 (AP) — The smallest Chicago Stadium crowd for a National Hockey League game in 15 years—6,297—saw Boston Bruins beat Chicago Black Hawks 3-1 tonight.

The last time so sparse an assemblage was in the stadium for a Hawk game was Feb. 5, 1935 when only 7,476 turned out.

Tonight's result lifted the revived Bruins to within two points of fourth-place Montreal and only four away from the third place Hawks.

The Chicago team once was tied at 1-1, early in the second period, but otherwise was outskated and out-shot by the ambitious Boston personnel.

First Period
 1—Boston, Horeck (Pelson, Ferguson) 4:48
 Penalties — Fisher.

Second Period
 2—Chicago, Lundy (Bodnar, Brown) 4:41
 Penalty — Henderson.

Third Period
 3—Boston, Lynn (M. Quackenbush) 2:25
 4—Boston, Fisher 19:48
 Penalties — Schmidt, Babando, Coffin.

Say the cut was ten per cent. In their visiting game here Halifax would be entitled to the revenue from about 300 fans on a 3000 gate, while at a return game at Halifax, Islanders take would be 600 on a 6000 crowd which is not unusual at the Halifax Forum during a clash between these two clubs. Certainly would make quite a difference, wouldn't it?

And last but not least, the final solution could rest in the hands of the fans themselves. This can be done by making up their minds to take the bitter with the sweet. In other words support the not-so-attractive games the same as the better clashes. After all, they can't all be top notch encounters, but if the interest in the sport is there and you want to see the good games continuing, then you have to support the other games too. Remember, these teams depend on the patronage of the fans to operate, and if they don't get it —well, you know the answer—no hockey, and it is doubtful if any who have been attending this year's hockey regularly, want to see this happen.

Johnny Black Arrives To Join Islanders

Calgary-born Johnny Black, latest front line player prospect for the Islanders Hockey Club, arrived here in the City yesterday by air from Vancouver, B.C., where he had been performing with the Canucks of the Pacific Coast Professional Hockey League.

Black comes here on a player trade in exchange for former Islanders defenceman, Kevin "Crusher" Conway, who left pro a week or more ago to turn pro with the Canucks, now piloted by ex-coach of the Islanders, Murph Chamberlain.

Johnny plays either left wing or centre ice position, is 27 years of age, five feet ten inches in height and weighs 160 pounds.

Johnny comes here with plenty of hockey experience under his belt. On being discharged from the R.C.A.F. in 1946, he played two years of amateur hockey with Edmonton Flyers and was a member of their top string when they won the Allan Cup in 1947-48. Turning pro with the Cleveland Barons of the American Association in 1948-49, he went to Springfield Indians the following season and later that year returned to the Canadian West, where he performed with Yellowknife in the North West Territories.

Starting out with Vancouver Canucks the first of this season, Black now comes to Charlottetown to add extra strength to the Islanders roster in quest of Maritime Senior Hockey League honors.

In a brief chat with Johnny last night, he conveyed the idea that he is pleased with the prospects of joining the Islanders. "I like the idea very much," he stated, "I've been trying to get back my amateur card for three years now, and don't know why I ever turned pro. I also like the idea of joining a good amateur club, and from all I've heard, that's what you have here."

Johnny is at present a guest at the Charlottetown Hotel with his wife and small baby, who accompanied him on the trip from the West Coast. He is looking for private accommodations, and would appreciate hearing from anyone who might have suitable rooms or apartment to offer.

 2—North Sydney, Medynski (Glover, Gallagher) 8:48
 3—North Sydney, Verrier (Olsen, Medynski) 10:57
 4—North Sydney, Petersen (Beatty) 15:32

Put On Pressure In Last Minutes Of Third Period In Crowd-Thrilling Game

HALIFAX, Dec. 21 (CP) — Charlottetown Islanders pulled their goal-tender twice tonight to gain a 5-5 Maritime Senior Hockey League overtime tie with Halifax St. Mary's.

Trailing by one goal, Islanders pulled their net-minder with close to three minutes of play remaining. The strategy paid off as Weston (Bucko) Trainer shot a goal.

Then Bill Ford sent Saints into the lead again as he beat Hal Gordon, back in the Charlottetown nets at 18:11.

When the play went back into the Halifax zone, Gordon was yanked again and Islanders again put on the pressure to tie the score at 19:43 on a goal by Walter Pawlyshyn.

Danny and Johnny Horeck and Frank Bathgate accounted for the other Islanders goals. Ford notched two for Saints with the others going to Hughie Campbell and Trent Anderson.

Islanders were ahead 1-0 at the end of the first but the game was made a close affair in the second when Saints out-scored the league-leaders 2-1 to make it 2-2.

Saints added two more in the third and Johnny Horeck scored one for Islanders before the bench jockeying began.

The two teams then battled through a scoreless 10-minute overtime period.

Line-ups: Charlottetown: Goal, Gordon; defence, Duchak, McLagan; centre, Bathgate; wings, D. Horeck, J. Horeck; subs, Travis, Vitale, Favero, Pawlyshyn, Trainer, Clements, Beaudry, Beaton, Morrow.

Halifax: Goal, D'Aoust; defence, McLaughlin, Campbell; centre, Watson; wings, Wilkes, Hollett; subs, Grabowski, Power, Thomas, McGregor, Anderson, Ford, Bruce, Diguier.

Officials: Gillis, Copus, Bradshaw.

Pictured above is Leo Lamoureux, coach of the Charlottetown Islanders, who pulled a red-hot game out of the fire last night at Halifax against Saint Mary's with a piece of daring strategy that should go down in hockey history. Pulling out Hal Gordon with two minutes and 45 seconds left in the game, Lamoureux sent on six forwards to turn a 3-4 verdict into a 4-4 tie 23 seconds later on a goal by Wes "Bucko" Trainer. After putting goalie Gordon back into the game, Lamoureux had to repeat the procedure when Halifax ran the score to 5-4 at the 18:11 mark. His strategy paid off the second time when Walter Pawlyshyn denied the twines with only 17 seconds left in regular play. Yes Islanders are a great hockey club—they have a great coach, too.
