## Protestant Orphanage Holds Annual Meeting

The Annual Meeting of the Protestant Orphanage was held last evening with the chairman, K. M. Martin, Q.C., presiding. Other members of the Trustee Board present, were Mrs. H. S. Henderson, vice-chairman, Mrs. R. W. Beck, Montague Mrs. R. R. Bell, Mrs. F. A. Horne, C. S. Burleigh, Ellerslie, and Percy Dawson, Craupad.

The following trustees were re-elected for a period of three years: E. S. Burleigh, Ellerslie and Mrs. H. S. Henderson, city, to replace Mrs. W. G. Bruce who Mrs. R. R. Bell, city, was elected has taken up residence in another province, and Judge W. E. Darby, Summerside was elected to replace P. G. Clarke, who advised the board he was unable to continue. An expression of appreciation was expressed by the chairman for the valuable work contributed by the two members who recently resigned.

Mrs. H. S. Henderson, chairman of the finance committee, tabled her 32nd annual statement. Maintenance receipts for the year totalled \$28,456.85, and \$16,746.56 for the Endowment Fund. The surplus on hand at the end of the year was comparatively small due to the high cost of all necessities and extensive repairs to the building.

At a meeting of the Trustee Board held immediately after the annual meeting, the following officers were elected: Chairman, Mr. K. M. Martin; Vice-chairman Mrs. H. S. Henderson, and Mrs. Evelyn Henry was re-appointed secretary-treasurer.

"I find it has been customary at this time of year for the Chairman of the Board of Trustees to review Orphanage activities for the previous twelve-month period. As I was not elected to serve as Chairman until June, 1958, my remarks will be brief and confined almost entirely to happenings in the latter part of the year. First, I would like to say, for myself and all other members of the Trustee Board and with the certain approval of all who

know him, that the retired Chairman, Mr. W. Alan Stewart, merits the warmest appreciation and thanks for the many years he devoted to the burdens of office, with his usual quiet efficiency. It is regretted that preservation of health made it necessary for him to curtail his activities.

The Finance Committee, under the notable and accustomed chairmanship of Mrs. H. S. Henderson, organized and active ladies Auxiliary has again met the challenge of finding sufficient funds to enable us to function efficiently for another year. Mrs. Henderson has been chairman of this Committee for thirty-two years.

Her experience is of great value to us, particularly when we make our annual appeal for cash contributions. The Endowment Fund has reached a very substantial amount and continues to be augmented by numerous bequests. It is comforting to have this money available against unforeseen contingencies, although we have as yet managed to pay as we go without making use of the capital of the Fund.

Over the short term of office and service on the Board I have been greatly impressed with the dedication and efficiency of the staff hitherto been extremely for various Committees. The Board is in the quality of its members.

We have obtained the services last part of the school term, of Mr. Weston Carmody for the He comes to us well recommended and with considerable teaching experience, despite his youth. He has been doing a satisfactory job.

Our friends and helpers are so many and the scope of their assistance so varied, that it is difficult to accord to each one the individual mention he or she deserves. I therefore thank all persons, service groups, organizations, business establishments, Trustee Board members, and ask for their continued loyal sup-

## Inquest Set Into Fatality

The inquest into the death of William Moore, 41 of Wood Islands, whose body was found floating in shallow water near the railway wharf yesterday was adjourned by Coroner Dr. L. E. Browne until Wednesday, June 24th at 7 p.m. at City Hall.

The finding of the body was reported to the City Police by Tom Bolger about 9.25 yesterday morning and the identification was made by Frank Hansen, manager of the A. Pickard and Company coal yard with whom Mr. Moore had been employed at the time of his death.

Mr. Moore was drowned on March 18th of this year when the company truck in which he was a passenger plunged through the harbor ice.

The driver of the vehicle Dirk Bakker, 36, of Union Road, escaped from the truck after it was below the surface and clinging his way to the ice surface he suffered nothing more than a wetting and chills.

The vehicle broke through the ice at a point some 400 feet off the Paoli Wharf, at the time the truck was being used to transport coke to the ferry wharf. At the spot where the truck went down the depth of water was approximately 40 feet.

CNR divers from Charlottetown and Borden worked for several days following the accident attempting to locate the body, but their efforts were unsuccessful. The truck was found with its load of coke intact, one door of the cab was wide open and there was no sign of the body of Mr. Moore. The vehicle was finally hauled from the harbor bed earlier this month.

Members of the corner's jury are: Michael Connolly, (foreman) Roy Hood; Abraham Doyle; George MacDonald; Earl Rafuse; Douglas Williams, and Louis MacLeod; all of Charlottetown.

## OIL REFINERIES

Canada's oil refining capacity at the start of 1959 was 852,000 barrels daily, an 11-per-cent increase in 12 months.

Reports at the 40th annual meeting of the provincial Auxiliary of the Protestant Orphanage showed the net receipts for the year were \$14,797.57 according to auxiliary president, Mrs. H.S. Henderson. This total was the highest in the orphanage's history. In addition, boxes of useful clothing and valuable gifts were forwarded to the children.

The meeting was held yesterday afternoon at the orphanage, with the president, Mrs. H. S. Henderson presiding.

Major T.E. MacNutt expressed the sincere appreciation of the trustee board for the magnificent work carried on by the auxiliary. The president noted with regret that three of the auxiliary officers, Mrs. Colin Dixon, East Baitic; Mrs. Howard Callbeck, Tryon, and Mrs. W.G. Bruce, city, have taken up residence elsewhere, and were unable to continue auxiliary work.

A highlight of the meeting was the fine musical entertainment presented by the children, under the direction of Mrs. Lea-Morgan. A resolution of thanks for the delicious luncheon was extended to the matron, staff and to all assisting.

Officers were elected as follows: President: Mrs. H.S. Henderson.

Vice-presidents: Prince County: Mrs. Sterling Lord, North Tryon; Mrs. Walter Bowness, Bedeque; Mrs. Edward MacAusland, Bloomfield.

Queens County: Mrs. Edgar Harty, East Royalty; Mrs. James Munn, Mt. Herbert; Mrs. Roland Buntain, Mt. Herbert.

Kings County: Mrs. H.H. Cox, Morell; Mrs. Harry Dixon, East Baitic; Mrs. R.P. Brooks, Murray Harbour.

The recording secretary is Mrs. J.C.A. Gordon, Charlottetown.

In the president's report Mrs. Henderson said that the auxiliary has completed another very successful year. This success

MAJOR General Hayaud-Bin of Pakistan is shown chatting with Cmdr. D. M. MacDonald, staff officer of HMCS Queen Charlotte. Last evening the naval and military advisor to Pakistan's High Commissioner to Canada was entertained at a reception and lobster supper at the Militia Group's Officers' Mess.

## Pakistani Adviser Stresses Canada's Aid In Development

A soldier, a scholar and a gentleman in the person of Major General Hayaud-Bin, military and naval attaché to the High Commissioner to Canada from Pakistan, arrived in Charlottetown yesterday.

For all of his soldierly bearing, the Major General appeared to be more of a scholar, and from a quick run-down on his hobbies and other interests, it was obvious that he is a scholar.

He explained his visit to Prince Edward Island as one he has longed wanted to make as he has visited at the other provinces of Canada since his appointment to the office four years ago. On this present trip he also wants to see Newfoundland, another previously unvisited province. In addition to meeting members of the military and naval forces stationed in Prince Edward Island, he explained he thought perhaps these same people might like to meet a Pakistani.

"My country owes much to the other members of the British Commonwealth and her debt to Canada is extremely great." He held of Canada's help in building power and irrigation projects and giving a great deal of technical and financial assistance to other projects in Pakistan through the Colombo Plan.

"I wish more Canadians really understood what this help has meant to my country," he said. He told of plans for a new capital of Pakistan, several hundred miles north of Karachi which he said had grown from a seaport of about 150,000 population ten years ago to more than two million today. The rapid growth of population, the hot, humid climate and the not-always-helpful pressure of business men in Karachi were some of the reasons for moving the centre of government to a new city farther north where conditions are much better.

Getting back to his own career, the Major General explained that he had been educated in what is now West Pakistan and later at Sandhurst, England. He was commissioned in the Royal Scots, with which two Canadian regiments are affiliated - the Canadian Scottish and the Royal Newfoundland.

In the matter of interests, he is an ornithologist (a student of birds), an historian (he has compiled and written the histories of several Pakistani regiments), a numismatist (a student of coins and a collector) and he is also a philatelist (stamp collector). He believes he has seen more of Canada than most Canadians are privileged to do and he likes the Dominion very much.

Yesterday afternoon he was taken on a motor tour of the Island by Col. A. W. Rogers, commander of No. 2 Militia Group, and Lt. Cmdr. D. M. MacDonald, staff officer of HMCS Queen Charlotte. The major-general fills the same position of adviser to the Ambassador in Washington as he does in Ottawa with the Pakistan High Commissioner.

## Stay Away From Fires Chiefs Issue Warning

An appeal to all citizens to stay away from the immediate vicinity of fires in Charlottetown has been made jointly by Fire Chief H. H. Jewell and Chief of Police

C. W. MacArthur. Citizens rushing to fires in their cars not only cause traffic jams on the roadways and streets but hamper the efforts of the firemen and decrease the mobility of the fire fighting equipment.

Chief Jewell and Chief MacArthur suggest to citizens that if they are not immediately connected with the fire or the results thereof, to co-operate with the fire department by remaining away from the scene. Citizens, they said, will be surprised how much their absence from fires will be appreciated.

## Actress Dies In Hollywood

HOLLYWOOD (AP) — Ethel Barrymore, famed stage and screen actress, died Thursday as she slept in her home in Beverly Hills. She suffered from a chronic heart condition.

She was 79. Miss Barrymore long was known as the queen of America's royal family of the theatre. Her two equally famous brothers, John and Lionel Barrymore, preceded her in death.

She had been relatively inactive in recent years, but still took an occasional film role. FAMOUS BEAUTY She started on the stage at the age of 14 and went on to become a great Broadway leading lady and one of the most famous beauties of her time.

Hollywood paid her its top tribute, a movie Academy Oscar, in 1944 for her supporting role as the Cockney mother in *None but the Lonely Heart*.

On her 70th birthday, Aug. 15, 1949, she was honored for half a century of achievement.

## Island Man Held In Toronto Case

A Prince Edward Island man is in the toils of the law in Toronto. Willard McLenaghan, 22, is charged with careless driving, failure to report an accident and leaving the scene of an accident. McLenaghan surrendered to the police three hours after the accident in which a little girl was knocked down by the car. McLenaghan allegedly was driving. She was treated for cuts and bruises.

According to witnesses, McLenaghan stopped after striking the girl, got out of his car and looked at her, and then drove away.

Bail has been set at \$300 and the case has been adjourned for a week.

## Juvenile Pinball Players Cost Two Operators Fines

Two Charlottetown businessmen who had earlier pleaded guilty to contributing to juvenile delinquency, were fined \$20 or 30 days in City police court yesterday. The charges arose from

allowing juveniles to play pinball machines in their place of business for each prizes. Magistrate K.M. Martin also instructed the Chief of Police to take the necessary steps to have the pinball machine licences of the two accused men cancelled for a period of six months.

The magistrate also ordered two Charlottetown dog owners to find suitable homes for their pets in rural areas. They have until next Wednesday to comply.

A case of common assault drew a \$25 fine and two cases of intoxication drew a fine and a suspended sentence. A young man from Free-town had his case adjourned until Saturday. He is charged with willful destruction of property by driving his bicycle across a newly seeded lawn in the Brighton area.

Arrangements for the painting and decoration of the building for the visit of the Queen and her Consort were reported to be well in order.

Donations to the Catholic Social Welfare Bureau and the P.E.I. Association for Retarded Children were approved by the meeting.

Entertainment committee chairman, Preston Curley informed the meeting that the two lobster parties held had proved to be an outstanding success and he thanked all who had helped to make it so. The society expects to hold more of these enjoyable occasions in the near future.
