### CANADA EMPLOYMENT CENTRE ON CAMPUS

#### Attention Seniors

Again this fall national recruiters will be visiting the campus to interview graduating students. It is important that these students register early and complete a UCPA (University and College Placement Association) registration form. These forms can be picked up at our office. While many of the firms are looking for Business Administration graduates, many welcome students from other disciplines.

A list of recruiters who are coming on campus or accepting applications for consideration is available at the Canada Employment Centre, Main Bldg. Graduates who wish to be considered for these MUST have their UCPA Application form completed and returned to this office by deadline dates. When you return your completed application form, you may sign up for the companies in which you have an interest. Company brochures are available at this office.
