LADNER—In loving memory of John M. Ladner, who departed this life January 9, 1955.

REID—In loving memory of Lawson Reid who died Jan. 10, 1956.

On that morn so very early when the men climbed o'er the hill.

And we often weep when thinking how you were alone to die.

And the comforts of life my brother that you couldn't find here on earth.

And you find them where angels are singing.

God's heavenly kingdom of mirth.

Sadly missed and ever remembered by Dora, Ralph and family.

EARL AND FRANK MCCARVILLE.

Toronto Stocks Toronto (CP) — The stock market reversed its trend Sunday Wednesday in late-afternoon trading following Sir Anthony Eden's resignation.

Base metals, particularly senior issues, led the setback and western oils followed close behind. Prices were generally rising until an hour before the close when Eden's resignation was confirmed.

The base metals index lost more than 1 1/4 points while western oils were down almost 1 1/4 points. El Sol's activity — the stock gained four cents to 45 cents — started at the open when a new financing deal for the company with Federal Trading and Agency Co. Ltd. was announced.

International Nickel featured the declining senior base metals with a 2 1/2-point loss. Hudson Bay was off 1 1/2 and Noranda a point.

There were a few fractional winners. Hoyle advanced 15 cents in Junior base metal and Quebec Chibougamau 15 cents but other gains were limited to 10 cents.

Uranium were strong through out the session but their gains were sliced in half during the decline. Consolidated Denison added 1 1/4 points to a new high of 17 in morning trade but closed with an advance of 78c.

Western oil gains were limited to 10 cents or less although light-trading stocks such as Fargo Oil and Britalia gained up to 30 cents. Losses ranged to 20 cents in general.

Index changes: golds up .16 to 77.16; base metals off 1.20 to 229.56; western oils off 1.20 to 162.22.
