The SCOTCH WHISKY chosen by the Red Cross Society, London, for use by the invalided troops and hospitals in South Africa, is the famous WHITE HORSE CELLAR brand of MacKie & Co., Distillers, Limited, Islay and Glasgow, one of the oldest firms in the trade. On intimation of this, Messrs MacKie, with usual generosity, presented 200 cases free of charge, and shipped them by first steamer to the Cape.

One of the family is a volunteer in the Imperial Yeomanry, and on his way now to the Cape. It is hoped that he may give a good account of himself.

**Labor War.**

CHICAGO, March 3.—War is now on between the International association of machinists and the Chicago association of machinery manufacturers. As a result of the failure to reach an agreement, the executive committee of the machinery association decided to call a general strike of machinists in Chicago, and it is expected that practically every union non-union machinists in the city will down his tools, the only exceptions being at the shops which have already signed the agreement.

**UNUSED TO THE CLIMATE**

**A Frenchman Finds Canadian Weather Had a Bad Effect on His Health**

St. ESTACHE, Que., Feb. 12.—A Frenchman landed here from France, a stranger to the western conditions prevailing in this country. The food differed from that to which he had been accustomed, and his heart being weak, he caught a serious cold upon it. He went to a medical man who did him a good deal. He went to others with a similar result in each case.

"I had to go to Montreal," he says, "to work for the Grand Trunk in that city. I met a man who was suffering from the same ailment, but had started to take Dodd's Kidney Pills. He told me they were doing him good. He was kind enough to give me a few of them. I took them. I feel much better. I procured a box, and in fifteen days felt like a different man."

**Almost a Centenarian.**

LONDON, March 3.—Lady Louise Madeline Tighe died at Woodstock county, Kilkeev, yesterday. She was a daughter of the Duke of Richmond and was born in 1803. She danced at the famous ball at Brussels the night before the battle of Waterloo, and grieved on the Duke of Wellington's sword when he started for the field of battle.
