Atlantics Stop Glace Bay 9-5 In Rugged Hockey Game At Halifax

HALIFAX, (CP)—Halifax Atlantics moved into a first-place tie with Sydney Millionaires in the Maritime Major Hockey League Monday night, stopping Glace Bay Miners 9-5 in a rough and ready contest.

Lanky Billy Ford got much of the credit for Atlantics' victory. He scored three goals, the first less than four minutes after the start and one in each following period.

Bobby Brown topped the Miners' scoring list with two.

In shots on goal Glace Bay outdid the winners, but the heavy-checking Halifax defence and superb net-minding of Roy McMeekin made the difference.

The Atlantics led 3-0 at the end of the first period and were never less than three goals ahead from then on.

Art Ehlers Is General Manager Of Orioles

BALTIMORE, (AP)—Art Ehlers, a native of Baltimore and general manager of the Philadelphia Athletics, Monday was named general manager of the new Baltimore Orioles in the American League.

Ehler's appointment with a three-year contract was announced by Clarence W. Miles, president of the syndicate which bought the St. Louis Browns and moved them here.

Miles previously had said that the general manager would be in complete charge of the operation, including the naming of the field manager.

Marty Marion, the St. Louis manager, still has a year to go on his contract with the Browns.

Second Suspended For Saying Fighter Suffering From Flu

NEW YORK, (AP)—George Kanter, a second, was suspended indefinitely by the New York state athletic commission Monday for having said that Pierre Langlois, the French middleweight, was ill with flu when he lost his fight against Garth Panter of Salt Lake City at Madison Square Garden Friday night.

Langlois, whom Kanter seconded in the fight, denied at Monday's hearing that he told anyone he had flu. The Frenchman's purse had been held up pending the outcome of the hearing. It now will be released.

Kanter will be ordered to attend another hearing soon at which the commission will decide whether his second's licence should be revoked. Kanter made the controversial statement to reporters in the dressing room after the bout.

Sport Briefs

SYDNEY, Australia, (AP)—George Barnes, 143 pounds, became Australian welterweight champion Monday night when he outpointed Pran Mikus Pounds at Sydney Stadium. The title had been vacant for some time.

TORONTO, (CP)—Gene (Choo Choo) Roberts, who scored 10 points in Ottawa Rough Riders' 30-15 victory over Montreal Alouettes last Saturday, holds an 11-point lead in the Big Four football scoring race. Only two Canadians are among the first 15.

Roberts, a U. S. import, has scored 77 points in 11 games.

Injuries and sickness have been taking their toll on the Islanders since the opening of the season. Roger Bessette and Roland Pilon will just be returning to the fold tonight when Gus Gustaveson may be bowing out for a game or two. The upper part of Gustaveson's body was covered with a rash at the end of last Friday night's game against Halifax and the big fellow has been unable to get the matter cleared away.

• • •

In order to avenge their 8-0 defeat in Glace Bay on Saturday night the Islanders may have to win without defensemen Gustaveson and Blackburn. However they will have Whitlock back to centre Gray and Saindon and this will make a big difference in the attack. This line accounted for most of the Islanders goals during the first week of the schedule. Saindon, by the way, is searching for an apartment and would appreciate hearing from anyone who could assist him.

When the Charlottetown Abbies parade onto the field this Saturday afternoon to face the Saint John Mariners in the opening game of the N.B.-P.E.I. senior rugby playdowns they should be the best conditioned team to wear the Red and Black colors since the pre-war days. Not for quite a number of years have City players been able to practice as much as the Abegweits have this season and not for a long time has there been as much enthusiasm among the players as there is at the present time.

• • •

There is reason for enthusiasm for this is a good Abbie team. The forwards are big and aggressive and they should outheel any scrum in the Maritimes. They will be flanked by a fast backfield. In their only two games the Abegweits have been impressive. They enjoyed an edge on play in an exhibition game against St. Dunstan's and they had a wide margin over the Glace Bay Caledonias in another exhibition contest which they won 2-0.

• • •

The Abbies big drawback has been the lack of suitable practice opposition. This, however, is a difficulty faced by most senior football teams in the Maritimes and when the Abbies kick-off to the Mariners the count will be pretty well even in this regard. Lack of practice opponents is a serious handicap to a team especially to a backfield who need opponents in order they may perfect passing plays.

• • •

The Mariners played the Mount Allison University team Saturday afternoon and lost by a close 4-3 score. This would indicate that the Saint John boys are on a par with the top ranking Intercollegiate teams. The Abbies, however, reason that they are as good and probably better than their opponents. Glace Bay were highly regarded as a senior club and the Abbies took their measure while St. Dunstan's proved that they were almost the equal of Mount Allison and the Abbies played the local Collegians to a draw.

• • •

It all adds up to an interesting Saturday afternoon. We feel that the Abbies are strong enough to take Saint John provided they play the ball they are capable of. It's a two game, total point series between the clubs with the winner to meet the Nova Scotia winner in two weeks time. At the start of this season the Abbies made it known they had their sights set on the McCurdy Cup. The task of keeping it in the Province now lies in their hands.

• • •

There's another football game on Memorial Field tomorrow afternoon which will draw considerable attention. Its the second game of the Intermediate series between the Second Saints and Prince of Wales College. The teams played to a 10-10 draw in the opener last week. The first game produced loads of broken field running and kicking and was one of the better contests to be seen here this year. As the score of the first game would indicate the two teams are evenly matched and the keen but friendly rivalry between the two should make this second contest a memorable football battle.

Visiting goaltenders at the Sudbury Wolves arena don't like to have goals scored against them for more reasons than one. It appears that every time a Sudbury player scores the rink officials play a record of wolf calls. One goalie claimed it gave him an eerie feeling. Last year in the play-offs against the Kitchener-Waterloo Dutchmen the Wolves tried to have the record played in the Kitchener rink but the Kitchener boys turned hands down on the suggestion. It brings back memories of the play-off game in which the Islanders crushed Sydney into the ice by an 8-1 score. Before the game ended Forum officials were playing "So Long, It's Been Good To Know You."

Penniston, Campbell And Syles Lead Miners Here Tonight Against Locals

The Glace Bay Miners, bitter rivals of the Islanders in the M.M.H.L. semi-final last spring, return to the Charlottetown Forum tonight for the first time this season under the leadership of veteran coach Don Penniston, a stranger to hockey fans in this province.

Many of Penniston's players will also be strangers to local fans but he has a few who won't. Foremost among this group is big Hughie Campbell, the Sydney native who has played for Halifax during the past several seasons.

Campbell, a strong, colorful right winger who took part in many an ice battle here, joined the Miners this summer after the Glace Bay Club beat Sydney to the draw in signing him.

The Islanders, still tasting defeat after their setback at Glace Bay on Saturday, will be shooting the works to humble the Bay squad. To accomplish this feat they will have Roger Bessette back in nets and Buck Whitlock back at centre but they may be playing without Gus Gustaveson and Larry Blackburn.

Gustaveson has been suffering from a rash for the past several days while Blackburn is out with a kidney injury.

Taking their place will be Roland Pilon, a big defenseman who played with the Montreal Junior Canadiens last year. Pilon, who weighs over 200 pounds, was sick last week with the 'flu.

Coach "Bucko" Trainor also stated last night that he will be using Cecil "Bubby" Dowling for tonight's encounter. A sharp man around the opposing net Dowling had been going well in practise with the Islanders. He will play on a line with Merv Towers and Elwood Ritchie.

Penniston, although a stranger in person is no stranger in name to hockey fans. He has coached for years in the American and Quebec Hockey Leagues with success.

Already he has strengthened the Glace Bay team since arriving in the coal city last week. His first addition Boomer Fyles scored three goals against the Islanders on Saturday.

Fires Three

Winger Billy Ford of Halifax (above) fired three goals last night to lead the Halifax Atlantics to a 9-5 win over Glace Bay.

Winnipeg Blue Bombers Regaining Popularity

WINNIPEG, (OP) — Winnipeg Blue Bombers, the pre-season favorites to represent the west in the Canadian football final, are beginning to regain their lost popularity.

The Bombers, who looked like world-beaters in exhibition games against eastern clubs before the Western Interprovincial Football Union schedule opened, finished a disappointing third in regular-season play.

But as they prepared to face the second-place Saskatchewan Roughriders in a two-game, total-point semi-final opening Wednesday night, the experts were impressed by their 17-8 victory over the first-place Edmonton Eskimos in the last game of the schedule Saturday.

Now, despite their loss of four of their six games to the Riders, the Bombers rate a little better than even money.

Over the whole schedule, the Riders won eight, lost seven and tied one and scored 243 points against 239. The Bombers had eight wins and eight losses, and scored 226 points while the same number was scored against them.

Bomber coach George Trafton says the team is in good shape "physically and mentally." Halfback Tommy Ford, who suffered a kidney injury Oct. 10, is the only regular definitely out of action.

Dobbs Still Out

From Regina, coach Frankie Filchock reports that quarterback Glen Dobbs, end Stan Williams and guard Art McEwen are not expected to play. So the aging but still sharp Filchock, with 20 years of football experience behind him, will guide the team both on the field and from the bench.

Dressen Hints Major Baseball For Oakland

LOS ANGELES, (AP) — Chuck Dressen hinted Monday that Oakland may be the site for a major league baseball club.

The ex-manager of Brooklyn Dodgers, who will pilot the Oaks in the Pacific Coast League next season, said: "I think a great opportunity exists at Oakland."

He suggested Oakland may get major league ball. "The weather would be better than at San Francisco."

Wins British Light Heavyweight Title

NOTTINGHAM, England, (AP)—Alex Buxton won the British light heavyweight championship Monday night when the referee stopped his fight with Dennis Powell in the 10th round.

Powell, defending champion, suffered a severe cut over his left eyebrow and was outclassed in practically every round. Buxton weighed 164 1-2 to Powell's 174 1-2.

Mickey Mantle Has Trouble With Knee

SPRINGFIELD, Mo., (AP)—Mickey Mantle, star Yankee centre-fielder came back to home territory Monday to have medics look at what is loosely called a "football knee."

Doctors here agreed with earlier diagnoses that the knee should be operated on. Mantle tore a cartilage in the 1951 world series and reinjured it in July this year.

The doctors said an operation will not hurt Mantle's future as a ball player. Mantle said the Yankee organization will decide when the operation is to be performed.

Harlem Globetrotters In Sparkling Hoop Display At S'side Last Night

—The famous Harlem Globetrotters, one of the world's best basketball teams, mixed sparkling basketball with delightful high jinks and comedy routines at the R.C.A.F. basketball court in Summerside last night, winning over two all-star Island basketball teams, by scores of 57-14 and 60-18. The first half of the first contest, when the Harlemites stuck pretty strictly to basketball, ended with the score 34-10 in their favor. Then they eased up a bit, inserting into their play comedy stunts which delighted a large crowd of fans. The first half of the second contest was pretty much the same, but the home boys broke through for two baskets, one by Windy LePage and one by Funnel MacLean, the score reading 28-4 at the half way mark. Then the fun began again, and a little football, and baseball was inserted into the play. One of the fuuniest comedy routines was when the Globetrotters managed to get into the game a lop sided ball that went through some very odd antics.

Between the halves of both games, the crowd was treated to high class entertainment, first a table tennis match between Bob Anderson and the English star, Ted Bourne, which featured some dazzling play and considerable comedy too. Elimar, the juggler, stole the show with as fine a display of juggling and balancing routines as was ever seen in the Island.

Earl Nicholson and Moe Goodwin refereed both matches. The scores were as follows:

First Match — Globetrotters — Crowe, 4, Jefferson 4, Wheeler 7, Buie (one-armed) 6, Hill 2, King 2, Gates 2, Wilson 8, Coffey 10, Kellogg 4, Moore 2, Holton 66. Total 57.

Island All-Stars — Taylor, Dorais 4, Smith 4, Schemler, Mooney, Howatt, Lefurgey, Whalen, Kyte 4, Schurman 2. Total—14.

Second Game — Globetrotters — Crowe 6, Jefferson 4, Wheeler 7, Buie 6, Hill 4, King 2, Wilson 8, Coffey 14, Kellogg 7, Holton 2. Total—60.

Island All-Stars — MacLean 8, LePage 3, Harris 2, Roth 2, Woodling 2, MacKinnon, Murray. Total—18.

JAMAICA, N. Y., (AP)— The biggest daily double of the New York racing season, $1,969.50, was chalked up Monday at Jamaica when Mrs. Wallace Gilroy's Silly Sara ($26.10) won the first race and George W. Christian's Blast O'Roses ($165.40) took the second race.

The previous high this year in New York was $1,649 June 25 at Aqueduct with the combination of The Straw and High Chief.

New Yorkers Cheer Maj. Gen. W.F. Dean

NEW YORK, (AP)—A half million New Yorkers cheered Maj.-Gen. William F. Dean as he rode up lower Broadway Monday in the city's traditional ticker-tape welcome to heroes.

He drove in an open car from Bowling Green through the financial district to city hall.

Many men along the thronged sidewalks tossed snappy military salutes to the general, who smilingly saluted in return.

The general, freed in the Korean prisoner-of-war exchange, said he was eager to receive another command but "I'll do anything I'm told to do."
