SPENT ENJOYABLE HOLIDAY —Mr. Percy McCausland, formerly of Charlottetown, has returned to his home in Ottawa after a recent vacation spent in the Maritimes. He writes: "I had a great desire to visit Cape Breton, so this year I motored there before visiting "the Island." The old French fort at Louisburg with its many old relics was most interesting. The Margaree Valley and Bras d'Or Lake regions are both beautiful but the Cabot Trail from Cheticamp of Cape North is the most beautiful panorama I ever gazed on. I motored around the coast of Cape Breton completely and also crossed over via Whycocomough to Port Hood, etc., thence down to Port Hawkesbury and via S. S. Surf to Georgetown, P. E. I. On my return to Ottawa I find my speedometer registered 3,230 miles during my three weeks' trip. Much to my regret I had only one week in the dear little Garden Province but the memory of that week still lingers like the sweet perfume of roses in a vase long after the roses have disappeared. I believe that sooner or later a round trip through the Maritimes will be advertised by the sight-seeing bus lines and that trip will be via Borden to Wood Islands ferry or Georgetown (S. S. Surf) to Port Hawkesbury, thence by way of the Cabot Trail to Halifax, Annapolis Valley, Saint John, etc.
