The Leader Killed.

Gen Greenfel in his official report of yesterday's battle says the Dervishes made repeated and desperate charges upon his men, but were met by the infantry supported by the 20th Hussars and the Egyptian cavalry. The Egyptian horse artillery did excellent service. The Dervishes numbered 3000 fighting men. The British troops will now return to Cairo.

The Queen has sent congratulations to General Grenfell.

Latest advices give the Egyptian loss at 17 killed and 131 wounded. One thousand dervishes were made prisoners.

THE BEHRING SEA SEIZURES.

SOME PARTICULARS.

VICTORIA, B. C., Aug. 4.

The schooner Black Diamond arrived last evening from Behring Sea. She gives the following particulars of her seizure by the American Revenue Cutter: "July 11th got in 53 seals at 4 p. m. We then sighted the Revenue Cutter Rush which came up to us and ordered us to heave to. We did so. The Chief Officer came aboard and demanded our papers. We refused to give them to him. He got a screw driver and screwed off the hinges on the locks in the cabin, took the papers, 105 sealskins, all our Indian spears and ten bags of salt, and put John Hawkins, an able seaman, on board, with instructions to me not to interfere with him, sailing master. As soon as the Rush was lost sight of a south-west course was steered right for Victoria. Hawkins from the first saw it was impossible to attempt to take charge of affairs in his own hands, and consequently lay in his bunk nearly the whole time, not attempting to interfere. Hawkins, an American sailor, says he was treated kindly by everybody. Hammly, Collector of Customs here, said he was of she opinion that when Hawkins was put aboard the Black Diamond the people on the Rush did not care whether she came to Victoria or not, so long as she got out of Behring Sea and stopped destroying seals. Hawkins told everything to the American Consul here who wired the Washington authorities.

For twenty years he fought in the Austrian army, and at different times saw Napoleon, Blucher, and other great generals of the day.
