

A Great American Magazine.

THE SUCCESS OF "THE CENTURY" AND ITS PLACE FOR 1891.

The Century Magazine is now so well-known that to tell of its past success seems almost an old story.

A few years ago the Century about doubled its circulation with the famous War Papers, by General Grant and others.

"THE GOLD HUNTERS OF CALIFORNIA," describing that remarkable movement to the gold fields in '49, in a series of richly illustrated articles written by survivors.

"MANY OTHER GOOD THINGS ARE COMING," the narrative of an American's travels through that unknown land Tibet (for 700 miles over ground never before trod by a white man).

"The November Century begins the volume, and new subscribers should commence with that issue.
