

No. Ontario Only Rink Undeclared In 'Spiel

Northern Ontario, living up to the expectations of many of the old timers along the boards, last night crushed favored Alberta 9-4 to remain undefeated after six rounds of play in the Dominion School Boy Curling Bonspiel. The loss, coupled with a Prince Edward Island win, dropped Alberta into a three-way tie for second place with the Islanders and Idle Ontario.

In other evening matches, Art Burke skipped his Prince of Wales quartette to a 9-7 win over winless Newfoundland. It was the fourth win in five starts for the Bob LeClair coached crew who lost their first of the spiel during the afternoon round. The boys from Newfoundland suffered their sixth defeat in as many outings; Manitoba had a little too much scoring power in

their match with British Columbia as they thumped the far westeners 12-3 while Nova Scotia dropped Saskatchewan 14-8 and New Brunswick hung up a 12-3 verdict over Quebec.

The heavy day of the bonspiel will get underway this morning at nine o'clock. Play will continue this afternoon and tonight with the eighth and ninth rounds.

The big game of the night was the battle of the "giants" featuring highly regarded Alberta and a crew from Northern Ontario skipped by Tom Tod. After three fairly close ends the winners dropped in three stones in the fourth for a 4-2 lead. From there on the Ontario boys just kept building up that lead until they held a commanding 8-2 margin after seven ends. Al-

berta scored once in the eighth and again in the tenth but were never threats in the latter stages of the game.

Prince Edward Island, bouncing back from their afternoon setback at the hands of Manitoba, found the going rough in the early part of their game with Newfoundland. The local boys came back strong in the middle sessions however to gain a hard-earned 9-7 win.

Sees Afternoon Games As Most Exciting Up To Now

DUCK ACORN
Wednesday afternoon's games in the Canadian School Curling Championships were on the whole the most exciting of the meet so far and every game was keenly contested. The one flaw as far as the local fans were concerned was the set back suffered by P. E.I. at the hands of Manitoba to the tune of 11-8.

The big turning point in the game was the big five ender chalked up by Pete MacLeod. Manitoba skip who soundly outskipped the Island ice general in that particular end. The local team actually never recovered from this setback.

In our opinion one loss will not upset any team in winning the Pepsi Cola trophy.

The Alberta-Ontario game was another great thriller which was decided on the last end. N.S. in their afternoon by pick up a big

two on the tenth to edge B. C. 7-6. N. Ont. and Que. battled the way down the line and Freddy Fowler could have forced it into an extra end but he was a shade heavy leaving his rock staying on the outside and just drifting by, and the score of that game was 7-4.

N. B. had too much on the ball for Nfld. and beat them 13-8. Nfld. seemed to be in the early stages of every game and when you're down 8 or 9 points it's hard to recover, but on the whole these youngsters are putting up a good

Boxer Wins Bout With Newspaper

LONDON (Reuters)—A British boxer Wednesday won a bout with a London newspaper that called him a "horizontal lie about" after he had been knocked out in a prizefight.

Don Cockell, former British heavyweight champion, was awarded £7,500 libel damages from the London Daily Mail.

The Daily Mail said C. k. ell was "flabby and well above fighting weight" when he met Kiltone Lave in 1956. The Tonga Terror flattened Cockell in the second round.

Cockell fought Rocky Marciano for the heavyweight championship in 1955. He lost by a knockout.

Souris Defeats Milton Hornets

The Souris Eastpicks defeated the Milton Hornets 4-2 last night at the North River rink to even their best-of-three Intermediate C series at one game each. The Hornets won the first game at Souris. Jenkins and Harvis scored for Souris to put the Eastern team ahead 2-0 in the first period. Landry and Jenkins were Souris marksmen in the second while Hughes was the lone Milton marksman to be successful.

Jenkins scored the only goal of the final period for the Hornets.

Rangers Defeat Chicago 3-2

NEW YORK (AP)—Red Sullivan set up a pair of goals with some dandy stickwork Wednesday night as New York Rangers stood off a late Chicago attack for a 3-2 victory over the Black Hawks that strengthened their hold on second place.

It was the third straight success for the Rangers, who now have a three-point edge over idle third-place Detroit, while climbing past .500 for the first time since Jan. 24.

Sullivan was in on all but the middle Ranger goal. He set up the first by dogging the Black Hawks all over the ice. Parker MacDonald scored it at 6:44 of the first period, slapping home a rebound of Harry Howell's shot off the pads of Chicago goalie Glenn Hall.

The clincher came at 4:3 of the third period for a 3-0 Ranger lead. Sullivan, skating in alone, passed back to Andy Heberton near the blue line. Heberton whisked the puck back into the middle and defenceman Bill Gadsby chopped it home on a short screened shot.

East Royalty Team Wins 3-1

The East Royalty Royals defeated Mt. Stewart 3-1 in Mt. Stewart last night in the first game of the Intermediate C series. It is a best-out-of-three game affair.

The fast and closely contested game drew a large attendance. Referees Dee Arsenault and Willard Barrett of Charlottetown called three minor penalties.

Goalie Butch Ward played a terrific game for the Royals and contributed greatly to their win.

Ashley, Worth and Robertson scored for the Royals. McIntyre got the Mt. Stewart counter.

Campanella Still Paralyzed

GLEN COVE, N.Y. (AP)—Roy Campanella's legs still are paralyzed and hospital officials say no specific predictions can be made about his future.

The latest word on the condition of the Los Angeles Dodger catcher, who suffered a broken neck in an auto accident Jan. 28, came from Harry C. F. Gifford, administrator of the community hospital at Glen Cove.

The bulletin warned "the longer the paralysis remains unchanged the less one can expect for the future."

Campanella's general medical condition was described as "satisfactory."

"The patient's muscle strength has not as yet shown an improvement since his admission three weeks ago," the bulletin read.

Canadian Empire Games Entry May Be Curtailed

MONTREAL (CP)—Jack Davies, president of the British Empire and Commonwealth Games Association of Canada, said Wednesday Canada's team for the 1958 games may have to be curtailed "unless there is a big upswing" in results from the financial campaign.

Davies said the situation will be considered at the association's meeting here next Saturday. The 1958 Empire Games will be held in Cardiff, Wales, in July.

As of Feb. 13, less than 26 per cent of the association's objective of \$100,000 had been received or pledged, said Davies.

The association has aimed at sending about 100 athletes to compete in all nine sports that comprise the games. At Vancouver for the 1954 games 186 Canadian athletes competed, 126

of whom were within the first six placings. For the long and expensive trip to New Zealand in 1950 the Canadian team was 72, including a minimum of officials who had to double and triple their usual work.

"With less than five months before the team sails from Montreal, the association will be faced with a serious decision at our meeting," said Davies.

FACE DECISION
"We will have to decide whether to continue hoping the financial objective will be reached in time or planning at once for a reduced team."

The team will sail from Montreal July 2.

Leading the campaign in the Quebec-Maritimes zone is Lt.-Col. George Machum.

Davies said all Canadian trials for the team will be concluded by June 21.

Tiger Jones Wins Decision

MIAMI BEACH, Fla. (AP)—Ralph (Tiger) Jones of Brooklyn scored a split decision over Kid Gavilan of Cuba in a 10-round slugfest Wednesday night that had the crowd roaring at the finish.

Gavilan, the former welterweight champion attempting a comeback, had to use all his ring generalship to match the vicious attack of the rugged Jones, a 30-year-old veteran who has had 68 fights but never attained the prominence of the kid from Cuba.
