

CAMPUS COMMENT

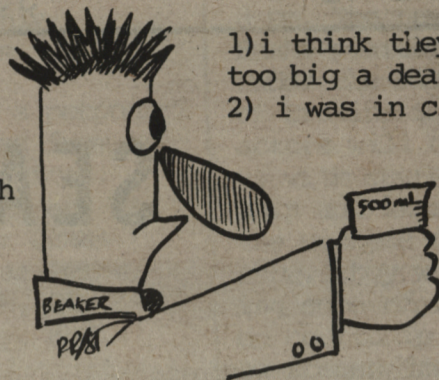

Questions:

- 1) What do you think of the seal hunt this year on PEI?
- 2) What did you think of the Student Union general meeting?

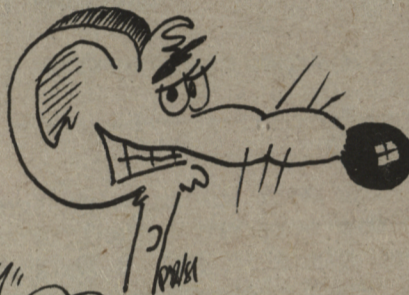

Muco Armitage - Sr. Bio.
 1) i'm not against the seal hunt but it doesn't seem to be well organized because the Island is not a natural sealing ground.
 2) it was extremely apathetic. i don't imagine most of the people there were involved in the discussion.

Liane Dockendorff - Jr. Home Ec.
 1) i think they're making too big a deal out of it.
 2) i was in class.

Terry Jackson - Soph Bus.
 1) i think it's really good. i'm in favour of the hunt.
 2) i didn't get to it.

Judy MacDonald - Soph. Arts
 1) how would you like it if you were hit over the head and then skinned alive?
 2) i was only there for awhile. it was a good sign that the student body showed some concern.

Dean Johnston - Frosh Arts
 1) no comment.
 2) what?
