their Moncton owners.
"Lloyd MacKinney's stable from Gagetown has Chico Vivian 2.10, Bruce's Sister 2.09, Manuscript 2.10 2-5, Betty's Princess 2.12, and Roman Counsel 2.08—all of them veteran pacers.
TOP PACER
"You will recall that Miss Abner T. was the fastest Maritime-bred pacer mare of 1958 when she took a record of 2:11 4-5. She developed lameness that fall, and the following year her owner, George Woodside, took her to Albion, New York, where she was bred to Parading Adios 2:02 2-5, a son of Adios 1:57 1/4. The foal is now a yearling, and is named Adios Peg. George decided then to train her, and she is doing very well. I believe we will see a lot of her despite the two-year layoff.
"Lucifer, p. 3, 2.14, now a four-year-old, is being trained by owner Ross Millet of Fredericton. Incidentally, George Woodside also owns Linda W., the dam of Lady Lakeburn, and had her bred back to Lakeburn. She foaled twins at George's father's farm on P. E. I., and one died. This is two sets of twins that mares owned by George foaled in the space of about three months—a most unusual happening.
"Herb Chase has two pacers, Cedric Hanover 2.12 and Sea Plant 2.11 2-5. Fred Clark has Esther B. 2.06 3-5. Runnymede Beale 2.06 4-5, that was the fastest trotter in the Maritimes last season, is training very well for Harry Mount. Wilbur McKay is training Bareena Hanover 2.10, John Jollity 2.10, and a five-year-old green mare, Bonnie Federal.
"The veteran trainer-driver, Henry Bishop, has Jo-Ann Castle 2.08 2-5, Golden Fancy 2.14 2-5 and Abbe Hal, a four-year-old by N. D. Hal, also Bobby Lakeburn, a two-year-old, Jerry B., a three-year-old colt by Doc Banks D., dam Just Nellie C.
"Slicker Tass 2.06 3-5, the perennial pacer star owned by Bruce MacDonald of Lincoln, N. B., is training well and should have another fine season. In addition to Walter Rosecroft, Roy Creamer has Johnny Russell 2.07 4-5. The Valley Stables of East Florenceville, N.B., is expected to move in here early in June; they are being trained by Clayton Killam, leading Maritime driver last season.
VALLEY STABLE
The Valley Stable has: Hal's Man, 2.07 2-5; Hal's Mae 2.08; Andrew's Girl, 3, 2.10 2-5; Lola Hal, 3, 2.11 2-5; Ola Hal, 3, 2.14; Hal's Pride, a two-year-old brother to Hal's Man; and the three-year-old Ginger Mite Hal. This fine stable had a tremendous season last year, winning about \$12,000. You will remember that it raced at Rockingham Park, Salem, New Hampshire, after the season finished here last year, and Hal's Man won six out of seven races and finished second in the other by a nose.
"Hal's Man rewarded his owner by winning \$6,427 last season. In 31 starts he was 14 times first, 9 times second and 4 times third. Lola Hal, Andrew's Girl, and Ola Hal are now four-year-olds and everyone expects them to take new records this season.
"Other stables will be moving in shortly from Woodstock, Moncton, St. Stephen and other centers. Three special \$2,000 races are planned for this season: The Walter Dale Memorial on July 9th; The Invitational on July 27th; and the Capital City Invitational on September 10th, plus a special \$1,000 Junior Free-For-All on September 7th. The special events are being staged in cooperation with Saint John Raceway, where they will have the \$2,000 Dr. MacAllister Memorial on July 1st, and the \$2,000 Alexander Memorial on September 16th.
"For these events, we have a fine array of pacer talent in Walter Rosecroft, Slicker Tass, Runnymede Beale, Hal's Man, Hal's Mae, Mr. Miller Abbe, H. Volo, Mighty Conn, Royal Atom, Congressional Boy—all of which are potential free-for-allers this season, plus others which may develop into free-for-all caliber.
"This setup will give Fredericton and Saint John a chance to see some of the best pacers in the Maritimes. The S. Thane Belyea Memorial Award will be presented to the leading driver here this summer. All drivers making 36 or more starts on the Fredericton track will be eligible for the award, which will be determined under the Universal Driver Rating System. Last year's winner was Clayton Killam, who had the good average of .419.
"Our track is in fine condition, and the fastest mile reported to date was 2:24."
Thanks, Dow, for your very fine account of the horses that will be racing at Fredericton this season.

British Prime Minister Harold Macmillan finishes his backswing on the first tee as he begins a round of golf at Glencolles, Perthshire, England, last week. The prime minister and his wife spent a few days at Glencolles before going on to Darnaway Castle in Morayshire for a vacation.

Young Amputee, Showing Courage

By JIM PEACOCK
Canadian Press Staff Writer
VANCOUVER (CP) — Gary Craig is an average, unspectacular baseball player who takes a turn now and then in right field, working his way through his first year as a Little Leaguer and seeking to establish himself as a first-stringer for next year.
That's the normal process in the operations of Daniel Poitevin, who coaches Gary's team.
Just as any other first-year player, Gary hits a few and misses some and at the time of the interview was still trying for his first home run.
But certain traits set him apart from many of his teammates, including the regulars.
COURAGEOUS BOY
He is filled with desire and enthusiasm that rubs off on nearly all who associate with him. Most of all, 11-year-old Gary Craig has courage.
The slightly-built Grade 6 youngster at one time was the youngest amputee in Canada. Today, with a sparkling personality and a seemingly unlimited supply of energy, he is an outstanding example of complete adjustment.
Gary was born in Vancouver, second son of Mr. and Mrs. J.M. Orail. His right foot was deformed and when he was 2½ years old, his doctor recommended amputation of the limb a little below the knee.
Just before his third birthday, Gary walked out of a shop with a specially-fitted artificial limb and he has been walking and running on it ever since.
For the last three or four years he has played some baseball in grade school and with the cub pack to which he belongs. He has also become an accomplished swimmer for his age and shows no fear as he dives from the high tower with ease.
He had a great desire to ice skate but this was forbidden because his mother feared the risk of injury in a fall among a crowd of skaters was too great in Vancouver's two public skating rinks.
This spring Gary registered with the Little League and was chosen as a member of Poitevin's team.
"He made it up his own," said the coach, "and we're pretty sure he'll make it the rest of the way and courage than most boys and on his own. He's got more desire we're glad to have him on the team."
Among his teammates, he's just another boy — no special treatment, no special sympathies or privileges.
"It is so easy to pity these circumstances," Mrs. Craig said. "But we did not want him to be self-conscious about his handicap and we've had to discipline ourselves a great deal. That problem has been the hardest part."
PROUD OF SON
Mrs. Craig told of Gary's swimming and baseball, of his bubbling personality and his determination to accomplish whatever he undertakes.
In his family at the moment, he is the outstanding athlete while his brother Bobby, 12, is an ambitious boy scout and his sister Mary, 5, one of his strongest supporters.
Gary, whose thoughts now are aimed at the immediate rather than the distant future, thinks more of socking a home run out of the Little League park than of ever becoming a big-league ball player.
"He's promised me \$1 for every home run I hit," he says of his father, an electrical contractor who turns up at every practice and every game in which Gary takes part, "and one of these days I'm going to hit one."

Tokyo Gets Olympics In '64; Winter Games To Innsbruck

MUNICH, Germany (CP)—The International Olympic Committee Tuesday awarded the 1964 Olympic Games to Tokyo and the winter games to Innsbruck, Austria, which was selected over bids from Calgary and from Lahti, Finland.
Innsbruck was chosen by an official 49 votes compared with nine for Calgary and none for Lahti.
Detroit, a leading contender for the summer games, was defeated by a large majority. Reliable sources said Tokyo received 34 votes for the first Olympic Games to be held on Asian soil.

BYC Clobbers Garrison 26-0

Junior BYC went on a scoring spree last evening, blanking the winless Garrison team by a score of 26-0.
John Hughes held the losers to 2 hits in notching his first victory of the season. He struck out nine and walked only one.
This third loss in as many starts for Garrison. Quinn, Tooke and Bradley were called upon to do mound duty and they were tagged for a total of 21 hits, and walked four.
The Juniors opened up early in the game, getting two runs in the first frame and one in the third. The fourth inning saw the MacCormack-coached crew come through with ten runs. Four more were scored in the 5th, four in the 6th and five in the 7th.
The Juniors now hold two victories and two losses.
Donnie 'Funnel' MacLean called the balls and strikes, with Frank Bell and Charlie Ryan being on the bases.
Tonight the Shamrocks are at Rollaway with action slated to get underway at 6 o'clock.

Pontiacs Shade Tyne Valley 5-4

Summerside Pontiacs edged the Tyne Valley Tigers 5-4 at Queen Elizabeth Park in Summerside last evening in the second game of the Prince County softball league. Marchant, an RCAF flier, relieved Dick Crozier in the sixth inning and got credit for the win. His mates, down 3-2 to Tyne Valley, scored three runs in the bottom of the sixth, the result of two singles and a three-run homer by Don MacEachern.
Ira Campbell, on the slab for the Tigers, gave up six hits in all. MacEachern had 2 for 3 as did centrefielder Hugh Spicer. Ron MacDougall and Dick Crozier each had a single in three trips.
Harry Williams led the visitors' attack with three singles in 4 appearances at the plate. Elmer Gorrill hit 2 for 4, one of them a fifth inning home run smash, and David Birch's circuit clout in the same frame accounted for two more runs. Jack Gorrill and Ira Campbell collected a single each.
The Pontiacs were steadier in the field, committing only one miscue to five bobbles for Tyne Valley. MacEachern and Johnny Whalen upped a fast keystone combination, accounting for 2 runs.

PRACTICE

Coach Brian Lewis has called a practice for the Junior Legionaires this evening at 5:45 at Memorial Field. All prospective players are asked to attend.

CONNIE SOLD
Sidney Stead has sold his lovely trotting mare, Connie French 2.12 3-5, to a patron of the James MacGregor Stable in Halifax. This mare has been training nicely and is one of the best trotters of her class in the Maritimes.
They were really flying at the Charlottetown track yesterday morning!! Two members of the Joe Hennessey stable were given their heads and came the last quarter in 30 seconds and the last eighth in 14 seconds—the fastest time recorded this year. The horses are Sky Prince 2.03 3-5, owned by Ray MacCallum, Marshfield, and Bertram Hanover 2.03 2-5, winner of \$72,962 in his racing career, now owned by Samuel Johnston of Fortune Bridge, P. E. I.
