PREMIER

Black and White Sale.

For years we have been making new occasions of one kind or another, adding new interest to store life and shopping news right along. White Goods Sales are becoming common ('twas not so when we began them here five or six years ago), and besides, we believe in new ideas, new attractions and new goods of all kinds. We will therefore commence our

Premier Black and White Sale

—ON—

Thursday, Feb. 1st.

We realize the necessity of unusual attractions in these wide-awake days, and have therefore been preparing for this sale for several months. It is not a rehash of old goods and remnants, but a smart stock of NEW GOODS purposely purchased for THE PREMIER SALE. All goods will be marked in plain figures.

St. James' Hall.—Tuesday evening, Jan. 30th.

To-Night.—Gospel temperance in Athenæum by Evangelist McKay.

Remember the mass meeting in the Methodist Church on Sunday evening at 8.15.

Sunday.—Men's meeting in Philharmonic Hall at quarter to 4, conducted by Evangelist McKay.

Conductor McKay has been invited to remain another week and continue the evangelistic meetings in this city.

The Programme of the entertainment to be given in St. James' Hall on Tuesday evening will be published Monday. Look out for it.

Hockey.—The Victoria Hockey Club met last evening and decided to accept the challenge issued by the Charlottetown Hockey Club. The match will be played on February 7th.

The Good Effects.—An exchange says: Already evidences are apparent of the good results following Hon. Mackenzie Bowell's visit to Australia. The last mail from the colonies brought many inquiries respecting Canadian goods as well as orders to manufacturers who sent catalogues to Australia with Hon. Mr. Bowell.

May Want Him Now.—Lynn, Mass., is excited over the death of Minnie Hanspiker, originally from Digby, N. S., who has been working in a shoe factory and who once acquired notoriety by running away with a married man. The man afterwards returned to his family, but kept up his acquaintance with Minnie. The police may want him now, as the girl's death was not due to natural causes.

Another Steamer.—The Summerside Farmer says: Mr. W. G. Schurman, agent for the S. S. Miramichi has received a letter from the secretary of the Quebec Steamship Company stating that they are contemplating the purchase of a steamer for their St. Lawrence route to take the place of the Miramichi. The vessel will be about 250 feet in length and will draw fourteen feet of water.

County Court.—At the sitting of the County Court to-day, a written judgment was given in a suit of Edward Kelly versus Alexander McLean, in which the question at issue was whether the defendant was a yearly or monthly tenant under the facts proved. Judgment was for one month's rent, supporting defendant's contention. Fitzgerald for defendant. Several other suits were also disposed of, and the December sitting of the court closed.

Willed Her a Looking Glass.—John Lawrie Gillie, who died in King Township, has bequeathed a looking-glass, nothing more, to one of his grand-daughters. The late lamented John doubtless believed that a woman who owns a looking-glass is well equipped for strife with the world. His estate, worth $550, is to be divided between fifteen people. There were 19 clauses in his will and in a codicil attached five more, in which he appears to revoke 18 out of the 19. Probate was applied for to-day in the Surrogate Court.—Toronto News.

The End of the World.—Elder Smith, head of the Adventists at Battle Creek, Michigan, has issued a statement showing why his followers believe the world is soon to come to an end. He says the Gospel was intended to do a specific work in the world, to gather out people for the Lord, as stated in Acts xv. 14: "We believe, he says, "that the Gospel has nearly accomplished its work in the world and a change of dispensation is hand. We believe a change is also awaiting the physical world, and that the change is described in Second Peter, iii. 7. We understand that this physical globe is to be renewed and will be the everlasting abode of the redeemed under the title of the 'New Heaven and New Earth.' Revelations, xxi. 1. Then will be fulfilled Christ's saying in Matthew 5, 5."

They Like Rev. Mr. Hinson.—The Montreal Witness says the present membership of Olivet Baptist Church in that city is 473. The amount raised last year was $2,030 for the deficit of other years; $5,924 for salaries and other expenses, besides which $5,000 has been contributed for Grand Ligne, city, home and foreign missions, etc. The church is sustained by voluntary pledges and weekly offerings. They have had the services of their able and devoted pastor (Rev. W. B. Hinson, late of Moncton) for only six months, but already have been greatly blessed, and they look forward that in the future his striking and powerful preaching will result in great good to many. A hopeful feature is that so many young men are attracted by his ministry.

CIVIC ELECTIONS.

It is reported that Messrs. McKay, Horne and Fennell will probably be candidates for the representation of Ward Five.

At the meeting in Mr. Hooper's store, Ward Five, last evening, Mr. John P. Tanton was nominated as a candidate for the Mayoralty, and Messrs. Geo. E. Hughes, D. L. Hooper and Lewis P. Tanton were nominated for Councillors. The names of Hon. D. Farquharson and W. E. Dawson were also submitted in connection with the Mayoralty. Councillor Hooper and Hughes, and several other gentlemen addressed the meeting. The chair was occupied by Mr. McSwain and Mr. Webster was secretary.

A requisition signed by about one hundred and thirty leading citizens was presented to Mayor Haviland this afternoon, asking him to be a candidate for the Mayoralty at the forthcoming election. The requisition asks His Worship to pledge himself that, if elected, he will not take action on the question of providing a system of sewerage until the citizens first decide that matter at the polls. Mr. Haviland has complied with the requisition, and will offer for re-election.

LETTERS TO THE EDITOR

IMPORTANT TO CRICKETERS.

Sir,—If I may be so allowed, I take much pleasure in making, through the columns of your paper, an appeal to the secretaries of the cricket clubs of Canada for reports of the past season's doings, and, in asking them to favor me with lists of officers, records, averages, and features of interest, that would help to make the columns of the American Cricket Annual as complete as it is possible to make them. It is the aim of the editor to constantly improve the work, and any suggestions that are given through me will be thankfully received and acted upon, if found feasible.

Information regarding any club will also be highly appreciated, and I shall be obliged if favored with the addresses of the secretaries of any clubs which have been formed.

I have been asked to collect all the matters relating to Canadian cricket played during the past season of 1893, and take much pleasure in making this appeal to all lovers of that grand old English game, cricket.

Thanking you for publishing this, I am yours, etc.,

B. Van Homrigh.

Millbrooke, Ont., Jan. 24, 1894.

Sir,—I see that the Patriot referring to the explosion in Dr. Strickland's office, says that "a patient who had been in the dental chair at the time of the accident, received a shock, and amidst the din and the blinding smoke, shouted to the doctor, 'Is there any danger?' The doctor, to allay his fears, replied that they were safe; it was only his tooth that had been extracted."

This statement is not in accord with the fact. The tooth had not been extracted when the explosion occurred. It is true that I was in the chair and that I had my overcoat ruined by the fire flying from the stove and was almost stunned by a section of the stove which struck me in the back of the head. But I instantly set about fighting the fire and have reason to believe that I was the least frightened man of the two. After the fire had been stamped out, I sat down again and requested the doctor to go on with his work. He then extracted the tooth. A joke is a good thing; but it should be within the bounds of truth. Yours,

The Patient.

At the Capes.—Boats crossed both ways to-day. The mail arrived in the city about three o'clock.

The balance of our stock of novels on bargain counter will be cleared out to-night at 3 to 15c. Many of them are marked 50c—Bazaar Co.

There will be no address given in the Y. M. C. A. to-morrow afternoon, so that all who desire may attend Conductor McKay's meeting in Philharmonic Hall.

Postponed.—The annual meeting of the Gowan Brae Cheese Factory, owing to stormy weather, has been postponed until January 30th, at 2 p. m., at the Court House, Souris.—A. J. McDonald, Sec'y.

The Stanley left Pictou this morning, but had to return on account of heavy ice.

DISCOUNTS EXTRAORDINARY.

Owing to the death of our senior partner, MR. HENRY MORGAN, and the consequent re-arrangement of the firm, we intend making an extraordinary effort during the month of January to reduce our stock to the lowest possible point, that everything may be in good shape for starting the new business in February. To accomplish this, we have decided to make even greater sacrifices than has been our custom in the Annual January Sale. These sacrifices will be in the form of discounts, and will commence TUESDAY MORNING, 2nd January, and continue till the end of the month.
