BURNETT'S COCOAINE!

BURNETT'S COCOAINE!!

BURNETT'S COCOAINE!!!

The Human Hair.

HOW many persons abuse this delicate and beautiful ornament, by burning it with alcholic washes and plastering it with grease, which has no affinity for the skin and is not absorbed. BURNETT'S COCOAINE, a compound of Cocoa-nut Oil, &c., is unrivalled as a dressing for the hair—is readily absorbed, and is peculiarly adapted to its various conditions, preventing its falling off, and promoting its healthy growth.

BURNETT'S COCOAINE,

A compound of Cocoa nut Oil, &c., for dressing the hair. For efficacy and agreeableness, it is without an equal.

It prevents the hair from falling off.
It promotes its health and vigorous growth.
It is not greasy or sticky.
It leaves no disagreeable odor.
It softens the hair when hard and dry.
It soothes the irritated scalp skin.
It affords the richest lustre.
It remains longest in effect.
It costs three shillings for a half pint bottle.

TESTIMONIAL.

BOSTON, July 19, 1857.

MESSRS. J BURNETT, & Co.—I cannot refuse to state the salutary effect, in my own aggravated case, of your excellent Hair Oil—(Cocoaine.)
For many months my hair had been falling off, until I was fearful of losing it entirely. The skin upon my head became gradually more and more inflamed, so that I could not touch it without pain. This irritated condition I attributed to the use of various advertised hair washes, which, I have since been told, contain cayphene spirit.
By the advice of my physician, to whom you had shown your process of purifying the oil, I commenced its use the last week in June. The first application allayed the itching and irritation; in three or four days the redness and tenderness disappeared—the hair ceased to fall, and I have now a new growth of new hair. I trust that others, similarly afflicted, will be induced to try the same remedy.
Yours, very truly,
SUSAN B. POPE.

BURNETT'S COCOAINE.

☞ A single application renders the hair (no matter how stiff and dry) soft and glossy for several days. It is conceded by all who have used it to be the *best and cheapest hair dressing in the world.*

NEW ZEALAND.

FREE GRANTS OF GOVERNMENT LAND.

THE Provincial Government of the Province of Auckland, New Zealand, by an Act passed in March 1858, to encourage Emigration, have authorized me, as their Agent for Prince Edward Island, to grant to all persons (male or female) who will emigrate from this Island at their own cost, for the purpose of settling in the Province of Auckland, Free Land, according to the following scale, viz:—
For every person, 18 years and upwards, 40 acres; and for every person upwards of 5 and under 18 years of age, 20 acres. Provided always, that in any case in which a child shall accompany the parent, the grant shall be given to the parent, and not to the child; and in any case in which a servant shall be taken, at the sole expense of the master, the allowance shall be made to the master, and not to the servant.
The parties eligible to these grants are Farmers, Farm Laborers, Mechanics of all kinds, Servants, and some Professional men. None need apply except those of good moral character, and of sober, industrious habits.
Residents of this Colony, intending to emigrate for Auckland, direct or otherwise, will deprive themselves of the benefit of these Grants unless they take their Land Orders from the authorized Agent here, previous to their leaving the Island.
Copies of the Land Act, in pamphlet form, and further information, can be obtained by applying to

Ayer's Sarsaparilla,

A compound remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—
SCROFULA AND SCROFULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOULOUREUX, DEBILITY, DYSPEPSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.
This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.
Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.
During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

DR. J. C. AYER & CO.

Ayer's Cherry Pectoral

has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

THE MIGHTY HEALER.

WORLD KNOWN AND WORLD TRIED.

HOLLOWAY'S OINTMENT.

Its adoption in the most famous public hospitals at home, and in most of our colonies, and the voluntary testimonies of persons in all quarters of the globe, who have given it a fair trial, have established a world-wide reputation for this purifying and healing Ointment. It penetrates, with marvellous power, to the seat of an internal disease; and in all external disorders, its application has a rapidity and completeness of effect that resembles magic.

ERYSIPELAS AND SCROFULOUS SORES

Are two of the most common and virulent disorders prevalent in this country. For these the Ointment is an absolute specific. It first eradicates the venom and then completes the cure, if of 20 years standing.

BAD LEGS, OLD SORES AND ULCERS.

Any of the above class of cases that have pertinaciously refused to yield to any other medicinal application, invariably succumb to this benign yet powerful Unguent, which soon removes Elephantiasis and the worst forms of skin diseases prevailing in this part of the globe.

PILES AND FISTULAS.

Every form of these prevalent and stubborn disorders is eradicated by the use of this emollient; warm fomentations should precede its application. It effects in a short time a certain, thorough and permanent cure. Rheumatism and gout are also instantly relieved.

BRONCHITIS AND ULCERATED SORE THROATS.

Extract of a Letter from Mr. James Downing, of Paris-street, Exeter.

"To Professor Holloway.

Sir,—Your Ointment and Pills have effected upon me a perfect cure of a dreadfully diseased throat, arising from cold, which ultimately terminated in bronchitis. The medical aid I received was unable to combat with the disease, and I was rapidly sinking under its influence. At this stage, I had recourse to your medicines, which, in a few hours relieved me, and I am happy to inform you that in less than a fortnight I was entirely cured by them. In changeable climates, these medicines should be always at hand."

CHARMING FACES FOR LADIES.—A CLEAR SKIN.

A word to the ladies.—Ladies anxious to preserve a brilliant complexion, often go to the perfumer, when they should go to the Chemist, and ask for astringent lotions, when they should take alteratives and aperients. The only genuine and really safe and harmless yet thoroughly efficacious cosmetic now sold in London or elsewhere is Holloway's Ointment. If this inestimable preparation be applied externally to all pimples, blotches and discolourations, while the blood is being purified and the depraved humors corrected by the Pills, not only will the face be beautified, but the whole system be cleansed, improved and strengthened, and the effect will not be temporary and superficial, but thorough and permanent.

CONTRACTED AND STIFF JOINTS.

Extract of a Letter from Mr. Joseph Rogerson, of the Pottery Fields, Hunslet, near Leeds.

"To Professor Holloway.

Sir,—I was afflicted with a very bad knee, and tried every remedy, likely to benefit me, but without success. The joint was quite stiff, and so swollen that I became seriously alarmed as to whether I should ever regain the use of it. However, by the use of your Ointment and Pills the swelling was soon completely reduced, and in two weeks was completely cured, and I was enabled to resume my work. Any one suffering from stiff and swollen joints should do as Mr. Rogerson did—send for Holloway's Pills and Ointment.

Both the Ointment and Pills should be used in the following cases:

Bad Legs	Chigo-foot	Gout	Sore-throats
Bad Breasts	Corns (Soft)	Glandular Swellings	Skin-diseases
Burns	Cancers		Scurvy
Bunions	Contracted and Stiff Joints	Lumbago	Sore-heads
Bite of Moschetoes and Sand-Flies	Elephantiasis	Piles	Tumours
	Fistulas	Rheumatism	Ulcers
Coco-bay		Scalds	Wounds
		Sore Nipples	Yaws

Sold at the Establishment of PROFESSOR HOLLOWAY, 244, Strand (near Temple Bar,) London; also by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices:—
*** There is a considerable saving by taking the larger sizes.
N. B.—Directions for the guidance of patients in every disorder are affixed to each Pot.
