

Canadians, Hawks Victors; Leafs, Rangers Deadlock

DETROIT (AP)—Claude Larose scored an easy goal, his 11th of the season, mid-way in the final period Sunday night to give Montreal Canadiens their fifth straight victory, a 5-3 decision over the fading Detroit Red Wings.

Gilles Tremblay scored his second goal of the game into the empty Detroit net with two seconds to play to seal the victory.

The Canadiens wasted a two-goal lead before coming back for their National Hockey League victory, their second at the Olympia after a lengthy dry spell.

Bobby Rousseau and Henri Richard scored the other Montreal goals as the Canadiens won for the 10th time in their last 14 games. They've lost only twice in the span.

WINGS GO ON ROAD

Floyd Smith, Dean Prentice and Bruce MacGregor scored for Detroit which has won only three times in its last 16 games. The team now faces a seven-game trip.

Ralph Backstrom and defenseman Jacques Laperriere set up the winning goal. Laperriere's slap shot from the blue line was steered into the corner and, with three Red Wings, including goalie Roger Crozier, bunched at the side of the net, Backstrom poked the puck through the crowd to Larose, who was all alone and had the whole net open.

Detroit had several good chances to tie the score again, but failed. Andy Bakula's shot, whose scoring streak reached 21 games, was stopped by Montreal goalie Charlie Hodge on a point-blank attempt.

Then Wings pulled Crozier in the last half-minute and Jean Beliveau, who assisted on the first two Montreal goals, picked up the puck at centre ice and relayed it to Tremblay, who skated in alone and scored his 31st goal of the season.

Tremblay also scored the opening Montreal goal and his pair gave him nine for the season against Detroit, as many goals as he scored all last season when he went out mid-way in the campaign with a broken leg.

SECOND PERIOD BEST

It was a fast-moving game, especially in the second period when Detroit rallied from a 3-1 deficit to tie the game before the period was 4½ minutes old. Red Wings manager-coach Sid Abel shook up his lines after the first period and the Wings moved well, but Montreal moved a little better.

Smith gave Detroit a 1-0 lead at 1:51 of the first period, with Tremblay in the penalty box.

Tremblay, who needed six stitches to close a forehead cut after being hit by a wild shot while sitting on the bench, scored on his own rebound to make it 1-1 at 7:15.

Rousseau slipped in his 22nd goal of the season mid-way through the period.

Greene Duncan Winners

By DOUG DULMAGE
COLLINGWOOD, Ont. (CP)—Nancy Greene, 22, of Rossland, B.C., and Peter Duncan, 21, of Mont Tremblant, Que., Sunday won the women's and men's alpine combined championship at the first annual Peter Campbell Memorial ski competition.

Miss Greene, one of the world's top female skiers, defeated eight others in both heats of the slalom Sunday to win the Collingwood Cup. Her Sunday performance, coupled with two first-place runs in the giant slalom Saturday, gave her the Peter Campbell Memorial Trophy in the women's division.

Duncan took both heats of the slalom Sunday by considerable margins to win the Collingwood Cup in the men's division and enable him to overcome a slim lead by Dan Irwin, 19, of Fort William, Ont., who won the giant slalom Saturday.

The combined championships were awarded on the basis of the best times for both runs in the giant slalom Saturday and both runs of the slalom Sunday.

Miss Greene and Duncan both are members of Canada's national ski team.

SDU Varsity Hockeyists Capture Second Place

Saint Dunstan's University hockeyists captured second place in the Maritime intercollegiate hockey loop Saturday night as they shooed the Mt. Allison Mounties 4-3 in a contest at the Saint Dunstan's rink. Gord Whitlock playing his last game in the SDU rink fired two goals while Rick O'Donnell and Blain Jelly had one apiece. For the losers Richardson was the top man with two markers while Doyle had a single.

The Saints, playing with only ten men dressed, opened the scoring at 12:07 of the first period as Whitlock converted pass-

DOAK, PARENT, POST COLLIDE

Richard made it 3-1 at 2:06 of the second period with his 19th goal, cleanly beating Crozier from 20 feet, but Prentice scored his first goal as a Red Wing 19 seconds later when Hodge did not guard the short side.

MacGregor lifted in Paul Henderson's passout at 4:21 for his 17th goal to tie it and set the stage for Larose's winner.

CHICAGO (AP)—Bobby Hull shook loose for his 49th goal of the season and helped power Chicago Black Hawks to a 7-1 victory over Boston Bruins Sunday night in a National Hockey League game.

In addition to his goal, which left him one shy of the season record he already shares with former Montreal star Maurice Richard and Bernie Geoffrion, Hull added four assists to boost his league-leading point total to 84. This is 12 points shy of the league point record set by Dick Moore with Montreal. Hull, who has played in 51 of Chicago's 56 games, has 14 left to play this season.

The victory enabled the Hawks to retain a share of the NHL lead with Montreal, who downed Detroit Red Wings 5-3 Sunday.

Hull's 49th goal came in the final minute of the second period, when he took a drop pass from Phil Esposito and whistled the puck past Bernie Parent, Boston's belated goalie.

TORONTO'S NEW YORK 2
NEW YORK (AP)—Phil Goyette tipped Bill Hicke's pass into the Toronto net with less than eight minutes to play, giving New York Rangers a 2-2 tie with the Maple Leafs Sunday in a National Hockey League game.

The Rangers knotted the score with 7:20 remaining in the final period as Hicke skated from his own blue line all the way to the rear of the Leafs' goal and backhanded the puck to Goyette in front of Johnny Bower. Goyette tapped it in before Bower could make a move.

The tying goal came 10 seconds after Pete Stenkowski of Toronto finished scoring a holding penalty.

Frank Mahovlich's 24th goal of the season gave the Maple Leafs a 2-1 lead mid-way in the second period. Mahovlich, stationed to the right of the Ranger net, slipped in a centering pass from Dave Keen. George Armstrong started the play.

SCORED ON POWERPLAY
Another goalmouth pass from Keen set up the first Toronto goal with the game less than 1½ minutes old. Armstrong scored it after being left uncovered. Mahovlich picked up an assist on the power-play goal, scored 34 seconds after Jim Neilson of New York was sent off for holding.

The Rangers tied it at the eight-minute mark of the first period, taking advantage of a Toronto defensive lapse.

SPORTS FRONT

SDU Varsity Can Be Proud

By CHRIS ANNETT

Saint Dunstan's University put out 150 per cent effort for 60 minutes Saturday and it paid off as they captured second place in the Maritime intercollegiate hockey league. Minus the services of star forward Mike Kelly who has set a league record for number of assists and defensive stalwart Glen Hughes. The hungry Saints managed to slow the pace of the game down at the first and capitalize on most of the opportunities that they had.

The old adage "a team makes its breaks" was applicable to the game as Jack Kane's chargers checked the Mounties crazy from one end of the ice to the other. Time and time again this persistence in forechecking and backchecking paid its dividends as the Mount Allison club was forced into bad passes and sloppy play in front of the Saints goalie MacQuaid. MacQuaid admittedly had a good deal of luck on a few occasions but he came up with a brilliant game all the same.

Vince Mulligan and Art LeClair, the only two regular SDU defencemen to dress played an outstanding game on the blue-line for the Red and White and were given a breather by Times by O'Brien who dropped back from his spot up front. Jack Kane was forced to reshuffle his lines and Rick O'Donnell fitted in well in the place of Kelly along with Roy and Whitlock.

Blain Jelly, Dick Flynn and Ron Gigzey played a regular shift on the second line and that was all the Saints had to offer, two lines and three defencemen. The pattern seemed to be established early in the game as the hitting was a bit more pronounced on the part of the Saints. Mulligan took three penalties in the first period, a rather rare happening, but it seemed to pay off as the Saints controlled the tempo of the game from there on in.

All in all it was a great team effort and if the team should play as good a game this evening they will give St. FX a handful before the night is over.

HAWK FINDS COP

Coach "Hawk" Larter obviously smarting after his Rangers had been outbumped the other evening by the Summerside Junior Legionnaires had big Don Hoss' Chandler (toeing the blue-line yesterday afternoon and it certainly paid off as his new cop asserted his authority throughout the match and the locals hung a 10-4 posting on the Western crew.

Three times Chandler and Legion badman Gerald Smith skated towards one another and three times Smith took the snow off the hind end of his pants as he took the worst of it. More than once spectators observed shifty Summerside forwards take a peep as they crossed the blue-line.

The locals jumped out of a big 7-0 lead in the first period but from then on the game was close as far as the scoring went. The Summerside crew outscored the Rangers 4-3 in the closing two sessions of play.

Cecil MacDonald played the strongest game that he has come up with this year as he looked brilliant on each of his four tallies and checked the whole time he was on the ice. Jamie Kennedy continued his scoring ways as he beat Woodcock three times in the game, Joey Brown had two and Tuppy Rogers one to complete the rout. Rogers played by far his best game of the year and he appeared to be improving every time out. He has the size and has been scoring with consistency in proving to be one of the most improved players of the season.

The Rangers looked to Summerside this evening to meet the Legionnaires in the third game of the series which is now deadlocked at one game apiece. The players will be leaving from the Forum at 6:30 and anyone who would like to take a couple of players up with them are asked to be at the Ice Palace. The Rangers must take at least one victory out of Civic Stadium to win the best of five series.

PWC Club Wins; Peters Sets Mark

The Prince of Wales varsity basketball team, spurred on by the record breaking performance of Ian Peters last night, won their first game in the annual Maritime Small College championships to the eventual champions, Nova Scotia Teachers College but went on to capture two straight wins and the consolation championships.

The PWC crew dropped a heartbreaking 70-61 decision in the Teachers College game and were only three points behind with two minutes remaining. Peters dropped in 20 points this game. The locals then faced Nova Scotia Agricultural College and they came out on the top end of a low 46-30 contest. Ronnie Diamond was the high point-getter for PWC in this contest with 16 points but Peters continued his assault on the record books with 14, his lowest of the three games.

In the finals for the consolation-Peter hit for a fantastic 41 points as PWC swamped Xavier 65-25 and this performance gave the locals their second straight consolation victory at the tourney as well as giving Peters three tourney records. He is now the holder of the mark for the most points in a tourney, (75), the most baskets in a game (19) and the most points in a game (41).

RURAL MINOR HOCKEY

The Rural Minor Hockey association paperweights shaded the CMHA Jays 3-2 Friday evening and then defeated them 4-1 Saturday to give them the right to advance against Morell in their quest for the Island championship.

In Friday's game Kenny MacInnis with two and Boyd MacLean with one paced the winners while Don Murphy and Tom Trainor scored in a losing cause. Saturday evening Garth MacGuigan, Gary Wood, Boyd MacLean and Preston Ellis all scored one each for the rural club while Don Murphy had the Jays only books with 14, his lowest of the three games.

Rangers Trounce S'Side In Second Game Of Series

By FREDDY MACDONALD

Norm "Hawk" Larter Rangers scored seven goals in the first period and coasted to a 10-4 victory over Grant Grady's Summerside Legion in the second game of the Island junior finals played yesterday afternoon at the Charlottetown Forum before 1700 exuberant fans. Charlottetown outskated, outscored, and outbumped Summerside from the opening whistle and Ranger rearguard Don "Hoss" Chandler made his presence felt as he joined Summerside musclemann Gerald "Smelt" Smith to the ice twice during the heavy going in second and third periods. Chandler was not in the Ranger lineup last Monday night when the Summerside team beat the Rangers 4-3 but his presence yesterday made a big difference.

Cecil MacDonald and Jamie Kennedy spearheaded Ranger attack with four and three goals respectively, while Joey Brown with two and Tuppy Rogers with one rounded out the scoring for the winners.

Richard Perry scored twice for the Summerside team while Sammy Wedge and Keir Arsenault scored the other goals.

Cecil MacDonald opened the scoring for the Rangers at the 1:19 mark of the first period when he picked up Joey Brown's rebound at the right face of circle in the Summerside and beat goalie George Woodcock with a low backhand to the left hand corner.

MacDonald gave the Rangers an early 2-0 lead at the 3:26 mark of the opening period when he took Jamie Kennedy's pass at the top of the left face of circle in the Summerside end and again backhanded a low drive past Woodcock.

Cecil MacDonald scored his third goal of the opening period as the Rangers took a big 3-0 lead by the 6:11 mark. MacDonald picked up the puck at centre ice, stickhandled his way through the Summerside defence, and cutting down the left boards, fired a high backhand from a difficult angle that tucked under the top right-hand goalpost.

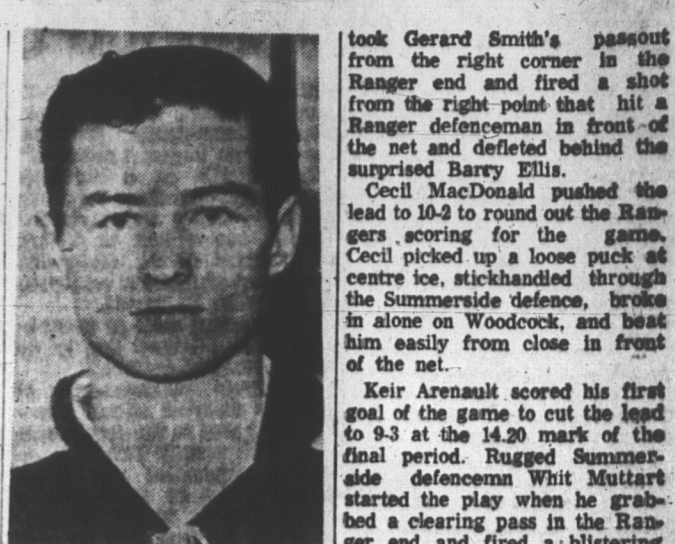

Jamie Kennedy, a scoring threat every time he touches the puck, picked up his first goal of the game at the 12:30 mark to make the score read 4-0, on a beautiful solo effort.

Jamie picked up a loose puck at centre ice stickhandled by four defencemen at the Summerside blue line broke in alone on the Summerside goalie. George Woodcock and pulled him neatly out of position before sliding the disc into the open net.

The Ranger line of Kennedy at right wing, Cecil MacDonald, centre, and Joey Brown on left wing simply dazzled the fans as well as goalie Woodcock with their passing and stickhandling, and by the 15:35 of the first period Kennedy had finished off two passing plays to run the score to 6-0, and turn the game into a rout.

Tuppy Rogers ran the score to 7-0 at the 17:01 mark on a pretty play with diminutive Les Barnes who played a fine two way for the Rangers. Doug Murnaghan started the play when he passed the puck from behind his own net to Barnes at the left point. Les juggled the puck out of his own end and hit Tuppy Rogers with a rink wide pass as the Legion blue-line. Tuppy flying down the right boards broke in alone on Woodcock and beat him cleanly with a low drive to the left-hand corner.

Summerside hit the scoreboard at the 3:05 mark of the second

period to cut the lead to 7-1. Donnie Arsenault started the play when he carried the puck from his own end to the Ranger blue-line where he stopped quickly and hit Richard Perry skating up the middle with a perfect pass. Richard heftily skated around the right defencemen and beat Ranger goalie Barry Ellis with a hard ice-level shot to the left corner.

Joey Brown rounded out the scoring in the second period with his first goal of the game. Cecil MacDonald stopped a passout at the Summerside blue-line and Brown picked up the loose puck. Joey broke in on the lone defenceman and using Jamie Kennedy, skating down the right wing, as a decoy, beat the over-worked Woodcock cleanly with a high drive into the top left hand corner.

Joey Brown scored his second goal of the game at the 3:15 mark of the final period to make the score read 9-1. Brown picked up Cecil MacDonald's goalmouth rebound and flipped it over the prostrate Summerside goalie.

Sammy Wedge cut the lead to 9-2 at the 6:24 mark when he took Gerard Smith's passout from the right corner in the Ranger end and fired a shot from the right point that hit a Ranger defenceman in front of the net and deflected behind the surprised Barry Ellis.

Cecil MacDonald pushed the lead to 10-3 to round out the Rangers scoring for the game. Cecil picked up a loose puck at centre ice, stickhandled through the Summerside defence, broke in alone on Woodcock, and beat him easily from close in front of the net.

Keir Arsenault scored his first goal of the game to cut the lead to 9-3 at the 14:20 mark of the final period. Rugged Summerside defenceman Whit Muttart started the play when he grabbed a clearing pass in the Ranger end and fired a blistering blue-line slap shot that Ellis stopped, but Arsenault standing all alone at the left corner of the net picked up the rebound and fired it into the open corner.

Hard-skating Richard Perry scored his second goal of the game to cut the lead to 10-4 at the 16:35 mark of the final period. Perry picked up a clearing pass behind the Ranger defence at centre ice, and breaking in alone on Ellis from the left board, cut in front of Ellis and tucked it under the sprawling Ellis.

Referee was Red Gravelle and linesmen were Joe Coyle and Moe Goodwin.

Savage Harbour Shades Tracadie

The Savage Harbour Flyers girls hockey team whipped Tracadie St. Bonnies 4-1 in an exhibition game played in Tracadie last evening. A Sullivan had two goals for the winners while L. MacDonald and C. MacIntyre had one each. H. Duggan had one for the losers. M. MacLean goalied for the winners while K. Duggan was in nets for the losers.
