REQUEST!

It is urged, especially in this Centennial Year, that citizens do not park their cars otherwise than in their own gangways, or on parking places covered with gravel or hard surface.

It is illegal to park anywhere there is a curb with any wheel or wheels of a vehicle over the curb, and between it and the sidewalk. Such parking not only destroys lawns and turf, but carries much dirt onto the asphalt surface of paved streets. The police have been instructed to take action against all offenders.

Citizens who plant grass in front of their homes between the curb and the sidewalk will receive the co-operation of the City in seeing that their efforts are protected.

Please help in making and keeping our city the cleanest in the Maritimes!

THANK YOU!
