STOCK QUOTATIONS

Morning Stock Letter

(Received over Pitfield and Co's Private Wire)

NEW YORK, April 20—Foreign exchanges remain unchanged from the narrow fluctuations of last week. The Italian Ethiopian has for the time being overshadowed the Rhineland situation. About the only unfavorable factor over the week end was the decision of the I. C. C. after the close Saturday denying the eastern roads request for 18 months delay in reduction of passenger fares to two cents a mile. The decision was close and the railroads are expected to appeal. In adition to a better report on steel operations, it is expected the automobile report will be favorable but whether the market will respond to it is a question. However, the fact that Saturday was the third successive day of decline, the chances would seem to favor a higher closing today or tomorrow. Consequently, if stocks are weak today, but we doubt that they will be, we would chance buying market leaders, at least for a short term.

Currencies

MONTREAL, April 20—Pound sterling and the United States dollar weakened sharply to lead a decline on Montreal foreign exchanges today. Sterling was off 3-4 cent at $4.96 5-16 and slipped 5-32 cent to 15-32 premium. The French franc was .01 cent lower at 6.62 cents.

NEW YORK, April 20—The Canadian dollar gained 1-8 cent at 99 1-2 cents on the foreign exchange market today while the pound sterling advanced 1-8 cent at $4.94 1-8.

The French gold franc finished at 6.59 1-8, down .00 1-4.

LIVESTOCK

MONTREAL, April 20—Cattle division found little support in early dealings today on Montreal livestock markets while calf prices, influenced by heavy offerings, sank close to $1. Sheep and hogs were about steady.

Receipts, cattle 1458; calves, 1483; sheep 176; hogs 2083.

Butcher cows were sold at $2.50 to $4.25 with medium grade off about 50 cents. A few heifers were weighed in around $4.75 to $5.10 for good kinds and $4.50 to $4.75 for medium good. Steers of medium to medium good quality brought $4.75 to $5.25 and a few bulls ranged from $3 to $4.

Heaviest offering of calves this year had an adverse effect on prices. Medium good to good quality veals traded at around $5.75. Bulk of calves were sold in mixed lots at $4 to $4.50. Very common thin light calves sold down to $3.-75 while a few grassers brought $3 to $3.75.

Spring lambs sold from $5 to $6 with one common light going at $2. Sheep were from $3.50 to $5.50 while buck lambs were from $5.50 to $6.50 per hundredweight.

Bacon hogs, fed and watered, sold at $9 with $1 premium on selects. Butchers, heavies and lights were $8.50 and extra heavies $8. Sows were from $6 to $7.

MINING

(Canadian Press)

TORONTO, April 20—Depressed by selling sentiment on the industrial markets and a curtailment of the buying urge, mining stocks worked lower today following a fair display of stability in the opening stage.

At the close the gold share index dropped .1.46 to 129.20 and the miscellaneous mines index two points to 134.91. Volume reached 1,2789,000 shares.

Dome was one of the early risers and it sold at 47 1-2 in light trading. The close at 47 involved a gain of 1 1-4. Lake Shore and Hollinger registered minimum gains while McIntyre declined 1-2 and Wright Hargreaves dropped 25 cents.

Further losses were registered for the base metal stocks. Noranda drifted back to 53 1-4, down 1 1-2, Falconbridge lost 30 cents, Sudbury Basin 10, Ventures 7, Waite-Amulet 2 and Sherritt 4.

War Situation Turn Trend Of N.Y. Mart

By Frank MacMillen,

Associated Press Financial Writer
(By Guardian's Special Wire)

NEW YORK, April 20. — Stocks ran for cover in today's market, leaving casualties of fractions to 3 points, generally, and 8 or so in scattered instances.

The break was the most severe in about six weeks. It came in the face of another upturn in steel mill operations to the highest level since 1930. Other good industrial news was also ignored.

Brokers attributed the relapse partly to a renewal of European war tension, with Mussolini demanding virtually all of Ethiopia as a peace settlement, and Great Britain threatening to go it alone if the League of Nations does not act to curb Italy.

The Associated Press average of 60 issues was off 1.4 points, the most sizable day's drop for this index since March 12. The industrial composite lost 1.9 points, that for the rails yielded 1.2 and the utilities gave up .8 of a point. Transfers totalled 1,771.140 shares.

The breadth of the reversal was indicated by the fact that out of 882 stocks traded there were 692 declines against 85 advances, with 105 issues ending unchanged.

Du Pont stiffened on an improved first uarter earnings statement, but fell back later to close off 2¾ points at 142¾. Several ended with a fractional gain at 19⅜ following a boost in the dividend rate.

Principal losers included Allied Chemical, off 8¼ at 188; Columbian Carbon, off 7 at 120; International Harvester, off 5¼ at 80½; Case, off 3½ at 159½; Chrysler, off 2⅜ at 96⅛; General Motors, off 1⅛ at 66⅛; Santa Fe, off 2 at 77; American Telephone, off 2¼ at 162¾; American Smelting, off 3¾ at 75¾; Deere, off 4 at 78¼ and U. S. Steel, off 1⅜ at 67⅛.

Dome Mines and Lakeshore showed the only gains in the Canadian list, being ahead fractionally. International Nickel at 47⅛ was off a full point, heading Canadian stocks on the downside. Elsewhere in the list fractional losses predominated with a few stocks unchanged.

WOMAN NOW MAKING CHINA AIR-MINDED

(By The Canadian Press)

NANKING, April 20—Active head of China's military air bureau is a Wellesley College graduate, Soong Mei-Ling, better known to the world as the wife of Generalissimo Chiang Kai-Shek, premier and virtual dictator of China.

As directator of the bureau Mme. Chiang Kai-Shek is directly responsible for building an air force worthy of the name, purchasing airplanes and fighting equipment, mapping out and constructing a system of military air fields and directing the propaganda which seeks to make every good Chinese citizen air-minded.

She has flown from one end of the country to the other transacting political business for her husband. When he has been occupied in the interior fighting communist-bandits, she has kept an eye on affairs of state at the capital.

CANADIANS AND THEIR INDUSTRIES—AND THEIR BANK

· LIVE STOCK RAISING ·

JOHN SR.: "Well, son, I'm glad you are doing so well with the outfit. You are going through my old experiences of hard but satisfying work. We are happy now to rest."

JOHN JR.: "You deserve to rest after all your years of hard work and I realize I owe all this opportunity to you and mother. I have often heard you say how successful she was with the poultry and dairying end of the business."

JOHN SR.: "Thank you, son, but we don't deserve *all* the credit. In 1900 when we had only a homestead and preemption, with shack and barn, and had to haul water five miles and drive 20 miles to market, the Bank of Montreal made me the seasonal loans I needed to carry on. In five years we had clear title to the 320 acres and three years later owned 640, with good buildings and equipment. The bank kept on lending for harvesting and feeding, because I carried out my contracts and kept my credit good. You remember, son, we sold out in 1919 for—cash, and were able to retire. You were lucky to rent the old place, for it's a good one."

JOHN JR.: "I *am* lucky, father, and I am trying to live up to your reputation."

MODERN, EFFICIENT BANKING SERVICE ..... THE OUTCOME OF 118 YEARS' SUCCESSFUL OPERATION

Mt'l. Follows N.Y. Trend

MONTREAL, April 20. — Traders with an eye on Wall Street where liquidation depressed prices as much as eight points unloaded holdings on Montreal Stock Exchange late today.

Losses of a point or more predominated at the close with yielding tendencies exhibited by metals, liquors, papers and constructions. Banks were quiet and steady.

Utilities made a half-hearted attempt to get back on their feet, but Montreal Power, Shawinigan and Power Corporation finished slightly lower. Canada Northern and Brazilian were even.

Metals were to the fore of the reverse action with nickel and Noranda off about 1½ points each at 47¼ and 53 respectively. Smelters firmed a couple of points on odd lots, but finished unchanged.

Shades of Canada Steamships were weak from the start following announcement by the bondholders' protective committee of a general plan of reorganization which has not yet been approved by the board of directors. The preferred stock dropped more than a point and the common 25 cents.

Selling of beer stock broke late in the session and National Breweries and Asscciated Breweries showed losses of a point or so each. Canadian Industrial Alcohol "A" eased a little, but the "B" issue was up ¼.

Sales 16,583 shares; bonds $1,450.

Market Poultry Without Spurs

Of recent years a more determined effort than ever before has been made by Canadian marketing agencies to supply quality poultry to the British market. As success or failure in this market depends to a very large extent upon the quality sent over it is in the best interests of Canadian shippers that due regard should be paid to the preferences which exist in the minds of the purchasers of poultry in England.

Of these preferences, one which is of some importance, as indicated by criticisms of Canadian poultry packs, is the presence of spurs, particularly in Leghorns. The spur development which is often taken as a matter of course in Canadian markets is a source of dissatisfaction to the overseas buyer. Since this drawback is one which is very easily corrected, there is no reason why spurred poultry should be shipped.

The following procedure will prevent spur development. At any time during the period from six to ten weeks of age, when the spur is just developing, the chickens should be treated. A small slice is taken off the top of the spur with a sharp knife and a stick of caustic potash rubbed lightly over the cut surface. It is necessary to touch only the cut surface, since the caustic will burn wherever it ouches, causing discomfort without in any way improving the killing of the spur. Apparently no pain is caused by the operation and the chicken pays no attention to the treated area when released. The attendant must be particularly careful that the stick of caustic is wrapped and does not come in contact with the hands or clothes. This treatment is effective in killing spur growth, and the birds when mature will show only the slightest knob where the spur would ordinarily develop.

TURK GIRLS TAKE FREEDOM'S RIGHT

ISTANBUL, April 20 — Turkish men and women in passionate close-ups — scantily-clad Moslem maidens mingling with men in beach cafes—Turkish chorus girls kicking high.

And if you want to see Turkish beauty revealed, there is Feriha Tewfik Hanoum, a dazzling blonde with a fine voice, who won the 1929 Turkish beauty queen contest. She's the film star of the moment.

IN MEMORIAM

MARY ELLEN PENDERGAST

The community of Kensington was genuinely stirred in sorrow and sympathy by the death of Mary Ellen Frances, little daughter of Mr. and Mrs. James Pendergast, which occurred at her home, Monday evening, April 13th, after a short illness. Convalescing from measles, unexpected complications set in and notwithstanding all that medical skill and tender care could do, the gentle spirit of little Mary passed on to the Great Beyond at the early age of 10 years and eleven months old. A child of much promise, possessing an unusually loving and lovable nature, she will be long remembered and sorely missed in the home, but for the comfort and edification of those left to mourn, we have the words of our Saviour, "Suffer little children to come unto me, for of such is the kingdom of Heaven."

She was one of twins, the eldest of the family, and there are left, the sorrowing parents, one sister and six brothers, viz: Patricia, Edward, the twin brother, Austin, Billy, Thomas, Eugene and Arthur.

The funeral, which was largely attended was held Wednesday morning, the 15th, at nine o'clock from the home to St. Mary's church Indian River, where Requiem High Mass was celebrated by Rev. Reginald MacDonald.

The flowers were many and beautiful, and included a Crescent from the teachers and pupils of Kensington High School and a Spray from the Kensington Improvement Society all a mute testimony of love and sympathy. Also a large number of telegrams and letters of sympathy were received from absent friends.

The pall bearers were James Higgins, Harold Goodwin, Athol Cotton, Everett Hughes, Earle Braham and George Gorman.

Interment was in Indian River Cemetery.—B
