

Odds and Ends.

The proprietor of a well-known patent medicine lately received the following letter:—Dear Sir: A couple of months ago my wife was hardly able to speak. She took two bottles of your 'Vital Regenerator,' and now she cannot speak at all. Please send me two more bottles of your valuable mixture.

First advertising solicitor—What is the longest ad you ever heard of?

Second A. S. (promptly)—Give it up. First A. S.—Ad infinitum. They don't speak now.

A great man is happiest when he can sit down and write his memoirs and forget all the mean things he knows about himself.

Wiggins—I see you advertise that your patent medicine is good for female complaints.

Big Medicine Man—Yes, sir; there's nothing like it.

Wiggins—I have been thinking of getting some for my wife.

Medicine Man—What is her complaint?

Wiggins—Well, her chief one is that my salary is too small.

Little Howard had been told he must be punished, but that he could choose between a whipping and being shut up in a dark closet. After a moment's painful thought he said:—'Well, papa, if mamma'll do it I guess I'll be whipped, but if you are going to whip me I guess I'll be shut up.'

Mrs. Potts—When I was first married I thought it was solely for love that John had sought my hand, but I know better now. I am firmly convinced that it was my money he was after. Miss Spyte—Well, it must be considered satisfactory to you to know that he is not such a fool as you thought he was.

Consumption Can Be Cured

By proper, healthful exercise, and the judicious use of Scott's Emulsion of Cod Liver Oil and Hypophosphites, which contains the healing and health-giving virtues of these two valuable specifics in their fullest form. Dr. D. H. McDonald, Pettitoidia, N. B., says:—'I have been prescribing Scott's Emulsion with good results. It is especially useful in persons of consumptive tendencies.' Sold by Druggists, 50c. and \$1.00.

Treatment of Pneumonia by Application of Ice.

Dr. Fieandt, writing in Duodecim, a Finnish medical journal, states that he has now treated no less than 106 cases of pneumonia with ice, and with the best results. Though ten of the cases were of double pneumonia, only three out of the whole number succumbed, notwithstanding that the epidemic was by no means a slight one. The method adopted was to apply over the affected lung an Indian-rubber bag containing ice continuously for from twelve to twenty-four hours after the crisis. In addition to the local treatment the patients were given such medicines as are equally employed, that is to say, opium, ipecacuanha, digitalis, brandy, etc. The method hrs, we may remark, received of late some attention in this country.—London Lancet.

Are Your Hens Healthy?

Owing to extreme heat, moisture and other causes, there has been much dullness and disease among poultry the past summer, and especially among chickens and young pullets expected to lay this fall and winter. For this reason it would be a great mistake to kill off all the old hens when the moulting season is at hand and the hens have stopped laying, get fat, and seem to be eating their heads off; because it is a fact that a year old hen, if properly cared for helped in the moulting season to get her new coat quickly so she can be got to laying early, will lay more and better eggs than young pullets, particularly if the pullets are weakened by diarrhoea, cholera, gapes, etc. Many people have learned by experience that Sheridan's Condition Powder given once, daily, in the food, will supply the needed material to strengthen and invigorate sick chickens or moulting hens and get them to laying earlier than anything else on earth. Mrs. Edwin Brown, East Greenwich, R. I., says: 'I could not do without Sheridan's Condition Powder when hens are moulting. It is the only thing to keep them healthy. I use it for gapes and diarrhoea, for when chickens are small they often droop and die. To a pint of clabbered milk I add a teaspoonful of the powder, mix well, and let the chicks eat all they will once a day; it does seem to be just what they need, they soon become so vigorous. People laughed at me when I began to use Sheridan's Powder, and I had no idea I should win a premium. They laugh best who laugh last, however. I got more eggs than any of my neighbors, and some of them had over 100 hens. We hatched 66 chickens from 77 eggs, obtained while forcing our hens to lay with your powder; so you can see there was no trouble about eggs hatching.' I. S. Johnson & Co., 22 Custom House Street, Boston, Mass. (the only makers of Sheridan's Condition Powder), will send, post paid, two 25 cent packs of Powder and their Poultry Raising Guide for 60 cents. The book alone costs 25 cents. For \$1.00 five packs of Powder and book; for \$1.20 a large 24 pound can (regular price) and book; six cans \$5.00, express prepaid. Send stamps or cash. Interesting testimonials sent free; also, for 5 cents, a sample copy of the best poultry paper published.

Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the more aggravated and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect Specific for woman's peculiar ailments. As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," run-down, debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic. As a soothing and strengthening crutiae, "Favorite Prescription" is unguaged and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, indigestion, and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency. Dr. Pierce's Favorite Prescription is a legitimate and carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly free from any effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial. "Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, uterinal suppurations, inflammation and ulceration of the womb, weak prolapsus, or falling of the womb, weak female weakness, anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat." As a regulator and promoter of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that late and most critical period, known as "The Change of Life." "Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Peppermint (Little Liver Pills), cures Liver, Kidney and Bladder diseases. Their combined use also removes blood taints, and abolishes cancerous and scrofulous humors from the system. "Favorite Prescription" is the only medicine for women, sold by druggists, under a positive guarantee, from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years. Large bottles (40 doses) \$1.00, or six bottles for \$5.00. For large, illustrated Treatise on Diseases of Women (160 pages, paper-covered, send ten cents in stamps. Address: World's Dispensary Medical Association, 609 Main St., BUFFALO, N. Y.
